

OLD-TIME TILLAMOOK

35 Years ago, August 16, 1889
Tillamook now has from two to five stages a day running over the mountains.

Mr. Hathaway's schooner has made two successful trips to Netarts city and return, and the citizens of that thriving burg are consequently jubilant. Bay City is soon to have a brick yard. Mr. Provost, a practical brick maker of Portland is the enterprising proprietor, and as neither Astoria or Portland have good yards he ought to have a good trade in both places. Mr. Harris, Sr. did a little house moving Tuesday, the house was an old one that stood in the Court house block and as it and our new Court House did not match the commissioners had it transferred to an adjacent lot.

The postoffice business of Tillamook has doubled in the last year, and postmaster Mason is already considering the necessity of a clerk if it keeps on at this rate.

25 Years Ago, August 17, 1899
How we did pity the campers this week battling with Tillamook dew drops.

Mr. and Mrs. A. Watt left on Tuesday for a short visit to Eugene, going out by the Grand Round road.

Mr. D. Case and Mr. and Mrs. A. K. Case and three children from Chicago, came in today to settle in Tillamook county, being relatives of W. E. Page.

The North Yamhill stage broke down Wednesday at the zig zag and the mail was brought in that evening on horse back. The passengers were taken to the tollgate and brought to the city today.

The band boys will give a social entertainment Friday evening of next week. As the band boys have afforded a good deal of free amusement to the citizens, it is hoped that this entertainment will be liberally patronized.

15 Years Ago, August 12, 1909
Sheriff Creashaw left Tuesday morning for Slab Creek. Joe Effenberger was down from Ne-

halem on Tuesday. Mayor Thomas Coates returned from a business trip to Portland Wednesday.

The steamer Argo brought in a large quantity of iron casing for the oil well.

Mr. and Mrs. R. U. Moore returned to the city after spending their honeymoon.

A large number of persons who had arranged to spend Sunday on Garibaldi beach, were disappointed when the Frolic failed to put in an appearance.

Gasoline is a scarce article in town and the automobiles are having trouble in obtaining enough to keep them supplied. As a number of machines are expected to come in from Portland the next few days will cause a greater demand for gasoline.

POULTRYMEN PLAN WORLD WIDE EGG LAYING CONTEST

A world-wide egg laying contest in Oregon, equal to the best anywhere was voted by the Oregon Poultrymen's association at a session at Corvallis last Thursday. November 1, 1925, was the date given for the opening of the contest. The financing of the contest, and the location, were left to a committee of five, authorized to proceed with all phases of the matter necessary to establish the contest. The incoming president will appoint this committee.

A good deal of argument was made over the question of location, a strong bid was made by the spokesmen from Canby, Clackamas county, for its location there. Other poultry centers insisted that the location be left to the committee. The college campus was favored by many persons as the location. That the college was not a contender for the location was pointed out. A committee has been appointed by the association to consult with President Kerr concerning the location.

Supervision of the contest by men who would give standing to contest announcements is an important factor in the location of the contest. Supervision will probably be by an expert station staff member, which sentiment seemed to favor. A special meeting of the committee will be called for a report October 1.

A Gentleman of the Royal Purple

COLISEUM

SUNDAY AUGUST 17
RAMON NAVARRO and ALICE TERRY in
THE ARAB
Based on Edgar Selwyn's play.
"DERBY DAY"—Pathe Comedy.

THURSDAY and FRIDAY AUGUST 21-22
The King of Wild Horses
To every lover of horses, this will have special appeal, showing as it does the "wildest" of wild horses; the un-tamed leader of the herd. It's the greatest thriller of the year.
"WEST OF THE WATER BUCKET"—JACK DEMPSEY in another fast action fight picture.

SATURDAY AUGUST 23
Her Temporary Husband
Featuring OWEN MOORE, SYNDEY CHAPLIN, SYLVIA BREMER, TULLY MARSHALL and a strong supporting cast. One of the lightest, peppiest and cleanest comedies for many a month. It's a riot, a roar from start to finish.
"PATHE REVIEW" and a two-reel SUNSHINE COMEDY

Welcome B.P.O.E.

Don't Fail To See "The Covered Wagon" At The Coliseum—Thursday, Friday and Saturday August 14, 15 and 16. The Picture Brought In As A Special Attraction For The B. P. O. E. Convention. Admission Prices Are 50c For Adults and 25c for Children. You'll Never Have An Opportunity To See This One For Less—You've Waited A Long Time To See It At These Prices Which Are Regulated By The Producers As A Minimum Price.

The Dalles, Woodburn, and Forest Grove were other towns mentioned as suitable locations for the contest. Suggestions made for the financing of the contest were that the poultrymen should back the proposition and that the state development fund might be used in part. The Oregon Cooperative Marketing

association was indorsed by the convention in a resolution adopted. The convention also pledged aid in getting 100 per cent of the poultry producers as members. The "eat more eggs" campaign now under way will be aided by the association. It sponsored the movement for better business methods and

truthful advertising. Complaints of violation of accepted rules will be received by the editor of a poultry journal to be named later. The executive committee of the association will hear the complaints, with power to expel. Ten membership cards will be taken by each member of the association to enlist all neighboring poultry growers as members, in a campaign to in-

STAR
The 27 Feature Car
No. 15

PRESSED STEEL OIL SUMP. No under pan is used on the Star Car. For better cooling purposes, the oil pump is of pressed steel and the oil is kept at a low temperature by thus coming in contact with the air rushing under the car. Oil loses its lubricating value when heated. A motor should use cool oil.

We have 26 other reasons why the Star should be a part of your family.

Mileage Costs

You soon forget the few dollars saved on "cheap" tires, but not those extra thousands of miles gained on good tires. These big oversize C-T-C hand-built low inflation cords we carry are the best of the good tires—with extraordinary mileage, the toughest of treads, a perfect non-skid grip and an unparalleled strength and resiliency which permits reasonably low inflation to make riding easier and "conserve the car". There is also a C-T-C hand-built balloon tire for extreme low inflation, which fits any standard wheel and rim. C-T-C Tubes add mileage to almost any car.
