

Tillamook Headlight

VOLUME 37; NUMBER 1,898

TILLAMOOK, OREGON, FRIDAY, SEPTEMBER 26, 1924

PRICE \$2.00 THE YEAR

COURT IS ADVISED ON TAX QUESTIONS

Farmers Discouraged While Waiting for Road to Blaine Country

TWO MILLS NECESSARY

Recommendations Made to County Court to Give Signed Statement

Some method of retiring the indebtedness of this county was the subject of a meeting held in the creamery association offices last Tuesday afternoon.

Of the seventeen who attend the meeting over one-third represented timber interests; three farmers being among those present.

The question of whether to bond to clear up the county's debts or whether to raise the amount by direct taxation was discussed and it was finally decided after a number of ballots to ask the county court to include in their tax estimate a two mill-levy for the retirement of the debt, subject to the will of the voters.

The meeting recommended that the proposed expenditure of \$188,000 for general road and bridge purposes. The sum of \$100,000 is expected to be used to retire outstanding warrants.

The meeting recommended in the resolution that the court give the citizens a signed statement that it would faithfully adhere to the program outlined for it and that no warrants would be issued in excess of budget items.

A committee of seven was appointed to consult with the court.

HIGHWAY TO STAY AS IT IS LAID OUT

The Roosevelt highway will not be put around Neah-Kah-Nie mountain, stated the state highway commission yesterday when it was approached at a Portland meeting by a delegation from Clatsop county. The Clatsop delegation was interested in that the mountain road would be a decided additional attraction to their beaches.

The large cost is the obstacle which interferes with the proposed change. The establishment of the highway through the present route has cost the state and counties a large sum already and the state is loath to make the change for a number of years.

STYLE SHOW PUT ON BY ONE LOCAL FIRM

The newest in the season's gowns and coats was displayed at the Coliseum theatre Thursday night by the J. C. Penney company in their style show.

Many charming frocks were displayed by the models, who were the Misses Helen Kiehm, Libby Tucker, Ruth Gould, Florence Stranahan, Natalie Williams and Patty Burgett.

LITERARY SOCIETY MET WEDNESDAY

Maribel Wiley was hostess to the Philokalin society at her home Wednesday evening. The election of officers took place.

Mrs. Flora Heyd, sponsor for the club outlined some very fine work to be undertaken this winter. This society is composed of honor students, only those having a high average in their high school studies being eligible. Study of Parliamentary law is one of the things the club takes up.

A social hour brought to a close Wednesday evening meeting.

Alfred Gabriel visited a friend in Grove over the week end. It is rumored that he paid a fine for driving too much faster in passing thru a hill.

SEALION HUNTER RECEIVES CRITICISM

Head of State Fish Commission Makes Reply to Charges Against Hunter

Letters from the Tillamook bay fishermen's union and the Tillamook fish and game protective association were sent this week to the state commission protesting against William Hunter, who is employed to kill seals by the state in Tillamook waters.

The letters charged inefficiency, and stated that Mr. Hunter had failed to annihilate the number of seals he was supposed to; also that he had been charged with carrying passengers on his launch the "Hunter" in defiance with federal regulations.

Dr. Thomas Ross, head of the state commission, replied to the charges against Captain Hunter and stated that they were the result of jealousy and antagonism, on account of the fish commission being in the act of preparing a bill to prevent the sending of crabs out of the state.

MRS. G. A. HENRICKSON DIES HERE MONDAY

Mrs. Anna Johanna Henrickson, wife of G. A. Henrickson died at a hospital here Monday. Mrs. Henrickson had been in poor health for some time but her condition was not thought grave.

She has several children and grandchildren living in the county. Owing to the fact that some relatives are coming from Alaska, the funeral services have been set for Friday. They will take place at the Christian church at two o'clock.

BROTHERS AGAIN MEET AFTER SIXTY YEARS

Two brothers met here last week after a separation of sixty years when George Oliver came from Nova Scotia to see his brother Dan Oliver. Dan left his home in Nova Scotia when he was a young man of twenty. At that time George was nine years old. Last summer Dan passed his eightieth milestone without having returned home. George Oliver accompanied by his wife came west to visit his son on Alberta and the three motored to Tillamook arriving here Sunday. They left Wednesday for Canada.

LOCAL JUSTICE COURT MAKES COLLECTIONS

Being drunk in a public place cost Bill Johnson \$20. He was arrested at Fairview Saturday evening and pleaded guilty before Judge Stanley Monday, and paid the fine and costs.

Walter Banks and Wallace F. Smith each were fined \$2.50 and costs in the justice court for minor traffic violations.

Lowell Edwards left this morning on his way to Schenectady, New York, where he is to enter the big plant of the General Electric company for a period of a year or eighteen months in a sort of post graduate course. Mr. Edwards, who is the son of C. J. of this city, has been attending O. A. C. for the past few years.

Three graduates of the local high school who are enrolling at the Oregon Agricultural college this fall are Joseph Maxwell, Arlene Heyd and Irma Austin. They left here Monday morning in order to register this week. As there are 1500 new students entering the college this year it is necessary to enroll early.

County Commissioner R. O. Rihl ards, Attorney Botts, W. F. Nichols, H. H. Rosenberg and a Headlight reporter made the trip to Blaine Monday looking over the road work now in progress, and also the other stretch of roads being planned for next spring beyond Blaine.

Miss Agnes Coates left Tuesday morning for Eugene where she will attend the University of Oregon. This is her last year at that institution.

CHEESE PRODUCTION IS UP 4,500 BOXES

Total Production for Year Expected to be Better by 400,000

PRICE RAISES ARE MADE

Wisconsin Prices Show Improvement But Are Still Below Last Year's Mark

Cheese production, to date, is about 4500 boxes higher than it was a year ago, states Carl Haberlach, secretary of the association. At this time a little more cheese is being produced than a year ago and it is expected that the total production this year will be about 400,000 pounds over last year.

The association has about 4500 boxes of cheese in storage, mostly triplets. This is considerably less than there was in storage last year. Triplet cheese price was raised one cent on September 20, making the price 26 cents Tillamook. Loaf price is 27 cents Tillamook.

Wisconsin markets show some improvement but are still away below last year. A year ago today, cheese prices were advanced to 30 cents and the market remained at that figure until January 3, 1924.

Feed prices continue firm, but no further advances are looked for. Mill price continues at \$37.50, molasses-meal at \$44 and oats, corn and barley at \$46, with other feeds ruling about as they have been for some time past.

CONFISCATED CARS NETS COUNTY \$413

The county treasury was enriched this week by the sale of three cars, two of which had been confiscated for carrying liquor.

The auction took place Tuesday morning in front of the court house, the three cars bringing in a total of \$413.50. Alton J. Swett purchased the car taken from Harry Johnson, at a price of \$220. The N. N. Kirby car also taken in a liquor attachment was sold to C. F. Pankow for \$130. The third car which had been attached to a mechanic's lien also went to C. F. Pankow for \$63.50.

Mr. and Mrs. Lester Phelps returned this week from a two-week's vacation trip.

EPISCOPAL CHURCH IS BEING STARTED

Two Story Building Found Necessary by Tillamook City Denomination

The Episcopal church is beginning work on the construction of a \$5,000 parish house on their property on the corner of Third avenue east and Sixth 50 by 50 feet, two stories high will follow the Flemish style of architecture.

Growth of the church here has made it imperative that they have a meeting place, and the construction of a parish house has been contemplated for some time. The project has been financed and the work will progress as rapidly as possible so as to have the building ready for occupancy by the first of the year.

The main floor will contain the auditorium, which is to be equipped with a stage and arranged so as to be suitable for entertainments. On this floor will also be a kitchen. The auditorium will be the full two stories in height and in the rear of the building over the kitchen class rooms will be arranged.

The basement is being excavated now and it is expected that the carpenters will be at work soon. Sheldon and Dallas have been employed for this work.

Services have been held by the church for several years in the Masonic temple.

NONE ARE INJURED IN AUTO ACCIDENT

An automobile accident in which fortunately no persons were injured, but which resulted in considerable damage to one of the machines, occurred at the turn near the Faucet creek bridge Sunday afternoon.

Mrs. Burley Hansen was driving south near the bridge when she met a car driven by Theodore R. Peterson. A collision occurred which threw Mrs. Hansen's car out of the road against the bank. Mrs. Hansen maintains that Mr. Peterson was driving too fast and could not hit the bridge and so crowded over on the wrong side and struck her car. Peterson claims that Mrs. Hansen was on the wrong side.

Dr. and Mrs. J. E. Shearer made a trip to Medford, their former home this week. They traveled by auto and camped along the way. They stopped over in Salem on the way down and also visited Ashland and Grants Pass.

COUNTY CALF CLUBS WINS AT STAE FAIR

Three Local Boys Make High Scores in Stock Judging

COMPETITION IS KEEN

Club Leader Kennedy Given Much Credit for Successes of Local Boys

Tillamook county again took her place among the prize winners at the state fair when the stock judging team consisting of Lenhart Gienger, Byron Morgan and Donald Crenshaw won first honors in the Boy's and Girl's club judging contest. In this contest they are required to judge classes of hogs, sheep, dairy and beef cattle and give reasons for their choice. Total score of the Tillamook team was 1936 points which was 48 more than their next highest competitor. The individual scores were as follows: Lenhart Gienger, 665; Byron Morgan 639; and Donald Crenshaw, 632.

Lenhart Gienger also tied with James Mangan of Umatilla county for fourth place in the individual placings. The competition was very keen as there were judging teams from a number of counties. The Tillamook team will be entitled to a free trip to the summer session at the Oregon Agricultural college next year.

The honor of having the best guernsey calf under one year of age went to Kenneth Williams. For this he was awarded a silver cup offered by the Oregon Guernsey Cattle club. Tillamook calf clubs also won first place in division 1 and division 3 Guerneys and first place in division 1 Jerseys. The names of the winners in these classes have not yet been ascertained.

The record of the boys and girls in club work in the county is an enviable one and the winning of these high honors at the state fair serves to demonstrate to the public the work they are doing. David Kennedy is the county club agent and is being given a great deal of credit for the splendid showing made by club members. Under his supervision the work is growing in efficiency and importance each year.

A. B. Bloom left for Portland this week to spend the Jewish holidays.

HIGH SCHOOL TEAM PLAYS LINNFIELD

High School's Schedule for This Year Said to be Hardest Yet Lined Up

The opening football game of the season will be staged here Saturday between Linnfield college of McMinnville and the local high school eleven. Coach Sheeley states that this is one of the strongest teams ever brought to Tillamook, and a large crowd is expected to be present to witness the conflict.

Three teams from the high school have been practicing every evening so the local boys have had plenty of scrimmages and are said to be in fine shape for the game. Coach Sheeley is planning fast line plays with big aerial attacks. He states that it is going to be a fast game from start to finish. The line up has not been definitely decided upon, the only two men who are sure of playing are Charles Thomas and Asbury Minor.

The schedule for this year's football is the hardest ever lined up for the high school team. Should they win a majority of the games, which their coach is confident they will do, one of the strongest teams in the state will be brought here on Thanksgiving day.

A new plan adopted this year is the appointing of a field general for each game to take the place of a captain. In this way should a field general get hurt in a game any man on the team could take his place.

LOCAL CONFECTIONERY IS SOLD LAST WEEK

Mrs. Zella Harrison has purchased the Bluebird confectionery from E. T. Dunegan and will run the establishment herself. The sale took place Saturday and the new owner took possession at once.

Mrs. Harrison will manage the place personally, handling Golden Rod ice cream, a Tillamook product. One feature which will probably be added soon is the serving of warm lunches for school children.

This is the first time in several years that ice cream has been manufactured in Tillamook and it is stated that as there will be no transportation charges to be met it will be possible to sell it at a lower price than the product imported from other towns.

NATIONAL GUARDSMEN HAVE ENTERTAINMENT

Members of Company K had an entertainment Monday night following drill, in the form of a lunch served in the dining room. Wives, mothers and friends of the men had been invited and enjoyed the lunch with them. Sergeant Hansmaier was in charge of the kitchen and proved his capabilities beyond a doubt.

It is stated that there will be several affairs of this kind throughout the winter for Company K men and their wives and friends. Dances and card parties are also being planned for the near future.

TILLAMOOK CHEESE TAKES THIRD PLACE

Tillamook cheese was sold at fourth price at the state fair this week according to reports coming from Salem. The first two places went to Coos county cheese.

The award for the best cheese went to Marshfield, and for best cheese to Trask.

High scores of Tillamook took third and No. man Christensen fourth. First place was taken by a Wisconsin entry.

Mrs. Louis Nielson and son John are visiting Mrs. Nielson's parents, Mr. and Mrs. Ed Stark for a few weeks. They are also visiting at the J. W. Nelson home at Trask river.

HIGHWAY TO SOUTH BEING PUT IN SHAPE

Method Sought to Clean Up Debts Now Bothering County

WORK WILL CONTINUE

Prosperity Looms for Sand Lake District on Account of Improved Road

Farmers in the Blaine district are rejoicing over the new road that is being put in up Moon creek and East creek. In past years it has been necessary for the families living in this district to cross a very steep ridge or else travel the very narrow, and almost impassable road. At one time there was a large settlement of farmers in this region but they became discouraged waiting for a road over which they could take their produce to market, and left the county.

Work on the roads up both of these creeks has already commenced and will continue through the fall. County Commissioner Richards states that there is ample money to finance the work and there should be nothing to delay the progress of construction.

For a distance of eight miles up Moon creek the road is being graded and widened and dangerous curves are being eliminated. The ground is being drained where necessary and the road will be in shape to use this fall, though the crushed rock will not be put down until spring. Two and one half miles of the road from the Blaine store is ready for the filling and in the spring will receive the finishing touches to make it a first class hard surface highway.

The Powell bridge which was recently supplied with a new foundation will be re-arched at once. The lumber is now on the ground for this construction.

Resurfacing of the road out of Beaver will continue this fall, making many miles of splendid roads for the pleasure seekers along the already popular streams in this section.

The new Sand Lake road will be closed for the winter to allow it to settle. It will be worked to keep the drains in good condition and will be in fine condition in the spring when it will be graveled and completed.

Opening of this much needed highway has resulted in considerable growth of the Sand Lake community. It is reported that a hotel and a store will be built there immediately.

The state has a crew of men working on the stretch of road between Pleasant Valley and the Sandquist-Norberk mill, grading and resurfacing under the supervision of Jim Russell.

It is reported that considerable road work is being planned for next year on the Roosevelt highway from Cloverdale to Woods.

Lack of rainfall has made the road work a little slower in some sections this year as the ground did not set well and it will require more of the finer rock than usual to finish it.

WOOLEVER LEAVING FOR EVERETT, W.N.

W. O. Woolever, for the past two years the pastor of the United Brethren church here, was ordered to the church at Everett, Wash., at the church conference of this church this week.

M. Woolever, his brother, will likely be assigned to the church at Everett in the near future.

Rev. Evans of Portland has been assigned to the church at this place. Rev. Evans has been for the past two years pastor of the Tremont church in Portland. He and Mrs. Evans came in Thursday and Rev. Evans will occupy the pulpit here Sunday morning. Mrs. Evans is reported to be a very good singer.

A Guilty Conscience

CAN YOU IMAGINE?
ISN'T THAT OUR NEIGHBOR? WHAT IN THE WORLD CAN HE BE DOING WITH ALL THOSE GRAPES?
HEY, I KNOW WHERE YOU CAN BORROW A GOOD WINE PRESS
