DEMOCRAT CHANGES POLITICS

Something in the weather must have stirred the democratic blood of J. E. Shearer this week, for he received the following telegram Saturday from Hanford Macnider, former national head of the American Legion:

"Splendid that you have accepted responsibility for your county in organization republican service league. Roosevelt and I are delighted that we have some one of your character and ability associated with us in this endeavor. We have an unparalleled opportunity to be of real service to party and our generation. We know that you will give the work the best you have."

This is considered pretty good for an old time democratic fire eater. Maybe this a scheme to convert the democratic party into republicans.

CLERK GIVES BALLOT PRINTING TO HIGHEST BIDDER

Last week the county court published an order calling for bids on the ballots to be printed for the November 4 election, the bids to be opened last Saturday.

Two local printers bid on the work, one for \$150 and the other \$169.50. The county court opened the bids and awarded the printing to the lowest bidder. Just before the court could issue an order for the work County Clerk Brimhall gave the printing to the highest bidder. Mr. Brimhall admitted to the court that
