It was her Sunday school class and they surely surprised her with their hallow'een stunts.

In the dining room the girls got a surprise when Mr. Beals rigged up and assisted Mrs. Beals in serving a three course lunch. It was a late hour when they gave up their fun and tried to slumber but giggles and snickers refused to give way to snores for a while. Then every thing was quiet .- Contributed.

# Cash Feed Store

We wish to announce that on November 1st we are opening a cash feed store in the Edmunds Building in Tillamook in the location formerly occupied by the Hillsboro Trading company.

Our feeds have been sold more or less in Tillamook county for a number of years and we believe the quality of the feeds put out by us has always given satisfaction. It will be our intention to carry a full line of UALITY FEEDS and sell them at as low prices as is consistent with good business. We will sell only for cash or on short time secured paper and we believe that with our buying ability and connections in the Willamette Valley we will be able to give the feeders of the Tillamook country real service.

This Tillamook branch will be operated under the name of "The Cash Feed Store" and will be under the personal charge of Mr. Herman F. Reese who has had long experience in the feed business.
