1ST AVENUE CHANGE IS AGAIN DISCUSSED

First avenue east, from fourth street to the city boundary on the south, will be opened soon, as a result of the adoption by the council Monday evening of the engineer's report covering this project.

This improvement has brought about considerable discussion both pro and con as the right of way for the street cuts through private property. At least two houses are directly in the street and it is said that others will have to be moved.

The costs incident to the opening of the street, and the damages to property which will be determined by a board of viewers, will be assessed against the property benefited by the street.

John Kimm was granted permission to make alterations on the red barn on the corner of Stillwell and Third avenue, which is to be used as an auto wrecking plant.

In a report on the proposed widening of second avenue east the street committee recommended that a six foot strip be paved on both sides leaving the gutter line where it is at present. The committee also advised that large tile be laid in the Rogers field to drain the pavement at that corner.

The council voted to appropriate \$875 from the emergency fund toward the completion of the exterior of the armory. It was at first suggested that the council issue warrants for a year at 6 per cent which would be taken up by business men, but after Recorder White reported that only one half of the emergency fund had been used, it was decided to appropriate the amount from that fund.

Permission was granted Rollie Watson to take out the street curb in front of his new building on Second avenue east and replace it on the new street line. This will give a six foot strip for parking which will be planked temporarily.

Mr. Watson also requested the payment of a premium on a life insurance policy which he wrote for the city in August and for which he had not been paid. The council authorized the payment of this amount.

The monthly bills were allowed.

374 electoral votes, while but 266 were needed for election. Oregon went one hundred per cent for Coolidge.

State returns show that Charles L. McNary was elected to the senate, and W. C. Hawley to congress for the first district. Sam A. Koser was re-elected as secretary of state, and Thos. B. Kay was made state treasurer. Harry H. Belt and Percy R. Kelly were elected to the supreme court. I. N. Van Winkle will retain his job as attorney-general. Edward Ostrander won for public service commissioner.

The voters' literacy amendment passed by 85,000 majority, and the public use and welfare amendment by 44,000 majority. The bonus amendment received a majority of 26,000, and the oleomargarine bill lost by 53,000 votes.

The naturopath bill was defeated by 21,000, and the compulsory compensation bill lost by 55,000 votes. The income tax law was repealed by nearly 15,000 majority.

In Tillamook county the two-mill tax levy failed and the levy for improvement of the fair grounds was passed for the second time.

PASTOR BROUGHT FORWARD FOR SECRETARY OF AGRICULTURE

Harry E. Tucker, former pastor of the Christian church here but now engaged in the same kind of work at Albany, has been mentioned to succeed the late Secretary of Agriculture Wallace. Mr. Tucker's friends in several counties of Oregon are urging that he be given the place.

Charles F. Best, 46, and Clara A. Wallace, 48, of Garibaldi, were given a marriage license October 30.

George Watt, of the Brighton mills company, was in town a short while Thursday afternoon looking over the election returns.

Ruth Lewallen of Hebo In Lead For The Buick

Greatest Vote Offer in Contest Will Close at Nine P. M. Saturday, All Orders Must be Turned in to Get Benefits of Greater Votes Given Now

CONTESTANTS	TOWNS	VOTES
MISS RUTH LEWALLEN	HEBO	490,400
MISS HELEN LEONARD	TILLAMOOK	489,400
MRS. C. E. STEPHENS	MOHLER	488,900
MISS VELMA WATSON	TILLAMOOK	488,900
MRS. CLAUDE STOTT	CLOVERDALE	484,500

(By Frank Kane, Circulation Contest Manager)

Miss Ruth Lewallen of Hebo steps into the lead this week in the Tillamook Headlight subscription and popularity contest.

The many friends of Miss Lewallen living throughout Tillamook county are a unit in their desire that Miss Lewallen carry off the high honors in the Headlight popularity campaign.

Made of the never say die spirit Miss Lewallen and her many booster friends are making a determined bid in order that she may succeed in winning the Buick six to be awarded by the Headlight on the coming December 8th.

All along the line her booster friends are making a clean cut canvass in behalf of Miss Lewallen because of the fact that the Lewallen family are among the old time residents of Tillamook county.

With this spirit in evidence there is no denying the fact but what Miss Ruth Lewallen will be a strong competitor for the Buick six that will also vote Miss Lewallen the popular contestant in the Headlight's \$2300 prize campaign.

Following closely are the other leading contestants not to be denied their opportunity to share in the high honors. In looking over the vote standings as compiled in this week's issue of the Headlight you will realize quickly that it is a close race and will be decided only by vote getting.

This Saturday at nine p. m. will bring to a close the greatest vote period in the contest. More votes are given up to this hour when after the close of this vote offer the vote schedule will decrease. This naturally will have some bearing on the final outcome especially so with the contestants that take advantage of every opportunity between now and the close of the greatest vote offer.

After November 8th, the one year subscription will only give 2000 votes and this offer will be in effect for the remaining two weeks of the campaign when the offer will again decrease to 1500 votes.

From this it can be readily seen that every subscription taken prior to the close of the first offer will go that much farther in deciding the winner of the Buick six.

Today the Buick six is reposing at the Sunset garage waiting till the time comes that will give it an owner. This \$1425 Standard Buick six carries with it the same considerations had you gone to the Sunset garage and paid \$1425 for it. You will be given the same service with the contest car as that given with the regular buyers guarantee.

As stated in last week's issue of the Headlight the \$425 Star piano is now on exhibition at the Berry Music House. Hundreds of people have already seen this prize and the consensus of opinion is, the girl that receives this piano will be well paid for her effort.

It might be well to advise that the year subscriptions will be worth while getting. They carry a greater vote gain than two one year subscription orders. 10,000 votes are granted with every two year subscription order, so it will be well for the contestants to get the two year subscription orders when possible.

It has been asked repeatedly by the contestants if there has been any great number of long term subscription orders handed in thus far in the contest. No, the long term subscription orders are few and far between. However, there are bound to be a few long term subscription orders handed in before the contest closes.

Some of the contestants are of the opinion that the territory is beginning to play out. This is very erroneous on the part of contestants as we are

SCHOOL SPIRIT HIGH FOR HILLSBORO GAME

(By Marie Messersmith)

School spirit in T. H. S. has never been more noticeable than last Friday when over one hundred students, and practically the entire faculty, made the trip over the mountains to attend the Hillsboro-Tillamook football game.

The Tillamook rooters were behind their boys from start to finish, and with the help of the Forest Grove boys, cheered them on at every turn.

The T. H. S. students joined together in a splendid serpentine, and under the leadership of Warren Dunn, yell leader, displayed some pep that Hillsboro will not soon forget.

The 18-0 score against Tillamook served to put more fight into both student body and team and they are out to beat McMinnville next Friday at the fair grounds.

The honor roll for the second month shows a decided increase over that of last month, due to the fact that the students have settled down to the year's work. Those on the honor roll are: Muriel Wiley, Octavia Ware, Erma Vaughn, Catherine Smith, Veda Smith, Thelma Hoover, Rowena Hanson, Wanda Haltom, Catherine Gabriel, Libby Tucker, Jaunita Thompson, Joe Heyd, Corinne Baker, Agnes Arney, Robert Boas Edith Norberg, Camille Haltom, Beulah Sorber and Mildred Berkey.

Coolidge won by an overwhelming majority in the straw vote taken in the T. H. S. assembly, Tuesday.

The resulting votes were: Coolidge, 146; Davis, 43; La Follette, 30; and Johns, 7.

The high school students are having eighth period classes this week to make up for the time lost during last Friday's holiday.

Next Monday and Tuesday are annual tag days, and the students will then pay seventy-five cents deposit on their Kilehs, for which they will receive a tag.

DUMESNIL, PIANIST, WILL APPEAR HERE

M. Maurice Dumesnil, eminent French pianist will be heard in this city November 24, in a concert given under the auspices of the Monday Musical club.

Music lovers in the community are looking forward with pleasure to the event as Dumesnil is an artist of rare ability. Comment from the press in cities where he has been presented is very favorable. The following extract is taken from the Jacksonvill, Illinois Daily Journal: "The return engagement of M. Maurice Dumesnil, the charming French pianist, in music hall at the Woman's college yesterday evening was the occasion of much enthusiasm. Many artists please audiences but few there be that present such overwhelming arguments in their favor that a 'return engagement' is insisted upon by the public. However, M. Dumesnil succeeded in securing rare recognition and yesterday evening he played to friends who a year ago were strangers."

"Long before the hour for the opening of the program the hall was completely filled with an expectant audience and the burst of enthusiasm upon his appearance gave evidence of the warmth of his welcome.

"To single out super perfection and such a galaxy of perfection as M. Dumesnil presents for consideration would seem preposterous. His clear playing and consummate phrasing, his speed and power combined with delicacy and sweetness were apparent to all, but one wonders how many ambitious players there were present who noticed how free much of his playing was from the use of the damper pedal."

Dr. Ringo reports the birth of a pound girl to Mr. and Mrs. Frank Smith, November 2.

GRAND JURY INDICTS FOR ANIMAL CRUELTY

The grand jury was in session the first of the week and returned one true bill which was in the Dave Hadley case.

Hadley was charged with mistreating a horse belonging to him by fastening a rope around its neck and lower jaw to which he was said to have hitched a team to make the animal pull. He is reported as having cut out the animal's tongue with the result that it had to be killed the next day.

The grand jury returned an indictment charging cruelty to an animal to which Hadley plead guilty. He was sentenced Thursday by Judge Bagley to serve six months in the county jail and pay a fine of \$100. He was paroled on the jail sentence on good behavior.

CIRCUIT COURT LIST BRIEF FOR MONTH

Judge George R. Bagley is in the city and is holding circuit court this week. A number of cases which were to have been tried have been dismissed making the docket very brief.
