## OREGON LAWMAKERS' WORK AS REVIEWED

### Senate Well Up with Work but House Congested

Salem.—The close of the fourth week of the legislative session found the senate well up with its work, only a few measures being left over for a third reading and final passage. The situation was quite different in the house. That branch of the assembly is so badly clogged that the task of clearing the calendar before the close of the 40 day period will be a prodigious undertaking.

The last day for introduction of bills brought forth an avalanche in both the senate and the house that nearly swamped the clerks. With adjournment 325 bills had been introduced in the senate so far this session and an even 600 in the house, or a total of 925 bills for the session. This is just 200 more bills than were introduced two years ago.

Among the important measures passing the house were the workmen's compensation act and the board of control bill. Both branches passed the widow's pension bill and the Multnomah school teachers' measure. The home rule amendment was defeated in the house. The senate passed the minimum wage bill for women and minors, the measure placing all charitable institutions under state supervision, the bill amending the direct primary and the railroad headlight measure. No large appropriation bills have passed either house. The outlook for the passage of good roads legislation next week is excellent.

Legislation Asked to Give \$8,287,519 Appropriations already asked from the Oregon legislature, and now under consideration by the joint ways and means committee of the house and senate, have reached the huge total of \$8,287,519.97.

Only four votes were mustered against the substitute bill by the senate judiciary committee giving power to supplant district attorneys, sheriffs and constables, and the substitute measure passed the senate.

The drastic provisions of the original bill, which allowed the governor summarily to supplant such officials, were materially softened in the new bill. Under the new bill officials may be supplanted for periods of 90 days, but only after they have been given a hearing in court and the circuit judge decides that such officer has not been faithfully executing the criminal laws of the state.

With no member but Dimick voting in the negative, the widow's pension measure, introduced by the committee on health and public morals by request of the Oregon congress of mothers, passed the senate, and on being enrolled, was sent to the governor, who signed the bill.

Refuse to Submit Home Rule. Notwithstanding the fact that the senate had sanctioned the submission to the people in 1914 of the so-called home rule amendment, passed by the people in 1910, the house, by a vote of 32 to 28, refused so to submit the amendment and it will not, therefore, go to the people through the medium of the legislature. It is intimated here that it will, however, be voted on by means of the initiative.

The Malarkey and McCulloch resolution, carrying a proposed constitutional amendment, dividing the sessions of the legislature, passed the senate despite some opposition. The proposed amendment provides that bills be introduced for the first 20 days only, these 20 days to be followed by an adjournment of not less than 60 days nor more than 90 days, and the balance of the session to be devoted to consideration of legislation.

Reopens a Way For Income Tax. Two resolutions to place before the voters important constitutional amendments relating to taxation were passed by the house.

One resolution is practically an enabling act to put into effect the initiative measure passed at the last election to exempt household goods. It is held by many lawyers that such an enabling act will be necessary to legalize the measure.

The other proposed amendment would open the way for a state income tax. It is practically a duplicate of the income tax measure, debated at the last election by only 250 votes. Short Ballot Title Passes Both Houses. The senate has sent on to the governor Representative Hurd's bill pro-

## HENRIETTA HAS EXCITING TRIP.

On Tuesday the Henrietta left Tillamook City for a deep sea fishing trip, taking with her the following passengers: Dr. Monk, N. Adkins and wife, Jas. Stephens and wife, S. P. McCann, John Cook and Frank Hanenkratt. At Garibaldi two girls and two young men got aboard. The crew consisted of Capt. Emmett Jenkins, Walter Oliver and Engineer Sutton.

The Henrietta crossed the bar at about 12 o'clock and went down to Netarts Rocks, where the passengers fished for a while, having the best of luck.

At about 3 o'clock a deep swell was noticed and Capt. Jenkins thought he had better endeavor to get over the bar. He arrived at the bar at about 3:20, but found it too rough, so he made for the Nehalem bar which he found was also too rough for his boat. His next move was to make for the Columbia Bar light ship which is stationed about six miles outside the bar. The Henrietta arrived at the light ship at about 12 o'clock and remained there until 6:20 Wednesday morning when she started for Astoria making the bar without any trouble.

Captain Jenkins stated that in deciding for the safety of his passengers he figured that he had one chance in a hundred of landing them safely over the Tillamook bar, while he had nine chances in ten of making the Columbia river in safety, so there was nothing else for them to do but to make for the Columbia River bar.

As soon as possible the Henrietta started on the return trip to Tillamook, arriving here on Thursday afternoon with the following passengers: Dr. Monk, John Cook and the two girls from Garibaldi. The other passengers returned by train arriving here about an hour after the Henrietta did.

There was some anxiety in regard to the welfare of those on the boat until about 10:30 Wednesday morning when word was received here by the phone that all had arrived in safety at Astoria.

## JUDGE KELLY RENDERS DECISIONS.

The following cases which were taken under advisement by Judge Kelly at the November term of court: have been disposed of as follows:

In the Hadley vs. Hadley case an order was made overruling defendant's motion to dismiss the case and Attorney Oak Nolan will be permitted to proceed with the case in the name of the plaintiff. This was a case wherein the widow of the late C. B. Hadley sued for her share of the property in the settlement of the estate, but after the case had been filed, she settled with other heirs without the consent or advice of her attorney Oak Nolan. Mr. Nolan who was about to be left without any compensation for services already rendered, will now be permitted to proceed with the case and if he wins will undoubtedly get a handsome attorney's fee.

In the case of M. S. Copeland vs. Nehalem Coal Company, the judge ordered that Copeland recover \$13,070.90; that C. A. Pearson and Paul Shrader jointly recover \$666.96; that B. Soderlund recover the sums of \$381.14 and \$589.64; that Paul Shrader personally recover \$869.38.

In the Cheboygan Timber Company vs. Hays the judge found for the plaintiff.

C. A. Burggraf, architect, of Albany, has been in the city this week conferring with the I. O. O. F. Lodge in regard to plans for the construction of their new two-story building which will be erected on their property on the corner of Second Ave. East and Second Street. Mr. Burggraf also conferred with the Masonic Building Association in regard to plans for their new building which will quite likely be built this coming season.

Providing for a short ballot title to initiative measures, in addition to the usual title, which in not more than 10 words will give a "catch line," as a ready guide to voters, setting forth the name by which the measure is commonly known.

Giving a hearty indorsement to the project, the committee authorized by the legislature and headed by Governor West to investigate the proposed Cello power project, has reported back with the recommendation that the lawmakers set aside the sum of \$25,000 with which to co-operate with the state of Washington in making thorough estimates and surveys of the situation.

## MEXICAN REBELS CAPTURE CAPITAL

### Felix Diaz Released from Prison Leads Revolt Ousting Madero

Mexico City, Mex.—The army rose in revolt Sunday in Mexico City, took possession of the public buildings, shot down federal adherents in the streets, released General Felix Diaz, leader of the Vera Cruz revolt, and General Bernardo Reyes, from prison, and falling into line under the Diaz banner virtually captured the Mexican capital.

A pitched battle was fought Tuesday among the skyscrapers and houses of the city between the contending forces, cannon roaring in the streets and rifle bullets spattering against the walls that housed thousands of foreigners as well as the countrymen of the combatants.

Estimates of casualties run as high as 1000. The dead certainly will be counted by hundreds.

Three Americans are known to have suffered injuries by stray bullets. They are Lloyd Osborne, the author, who was shot in the thigh; Dr. R. H. McCrosson, of Lincoln, Neb., and Mark Johnson, a negro, of Madison, Ill.

Scarcely four blocks separated the heavy guns of the opposing forces, but the shells fell throughout the entire city. In no section were the inhabitants safe. Office buildings, devoted until now to the battles of business, were turned into fortresses.

Washington.—Three additional battleships will be sent to the east coast of Mexico and orders will be issued at once for the immediate placing in commission of two army transports for the transport of troops to Mexico City for the protection of the lives of Americans and foreigners should the situation there grow any worse.

## W. Va. Sheriff Arrests Legislators

Charleston, W. Va.—Four members of the house of delegates and one member of the senate of West Virginia were arrested at a hotel here by Sheriff Hill on charges of having accepted money for their votes in the contest for United States senator.

## NEW YORK POLICE GRAFT \$2,400,000

New York.—Two million four hundred thousand dollars graft from gamblers, poolroom men and illegal resort keepers—\$1,200,000 for the captains and their collectors, \$600,000 for inspectors, \$600,000 into the hands of one man and then cut again, divided into three parts, one for a hotel man, one for a man who represents an office holder, and the third for a man who presented himself for another official.

Through the confession of Captain Walsh it has been learned, the amount alleged to have been collected for police protection in his precinct was about \$1400 a month. This amount, it is alleged, Captain Walsh paid a patrolman \$70 for collecting, and divided the remainder with an inspector.

## Lake County Deal Closed.

Klamath Falls.—A deal which has been pending two years was closed when the deeds to the lands held by the Oregon Military Land Grant company were filed here by the Oregon Land Corporation.

This land was originally granted for the construction of the military wagon road across the Cascade mountains to Lakeview, in Lake county. The grant lies north of the Klamath Indian reservation, that within the reservation having been exchanged for lands outside. There are about 50,000 acres in Klamath county and the deeds call for a consideration of about \$4 per acre. Much of the land is said to be fine timber, some is good pasture and some good for agriculture. What their plans are for handling the lands are not made public.

## Women Destroy Valuable Plants.

London.—Militant suffragettes destroyed many valuable plants and did other damage, reaching a total of \$5000 in the bothouses of the Kew Horticultural Gardens here. Thus they developed another part of their plan of campaign to force the government to give the vote to women.

## FIRE BOYS ENJOY FINE BANQUET.

The banquet given by the Fire Boys at the Todd Hotel on Thursday evening was a success in every way. Thirtyeight sat down to a most bounteous spread.

C. N. Drew, the oldest exempt fireman of the city was present as was also Wilbur Stillwell and P. W. Todd, old exempt firemen.

Short talks were given by C. N. Drew, who told of the early days of the Tillamook Fire Department, P. W. Todd, C. I. Clough, Thos. Coates, R. W. Watson, Will Spalding, Sheriff Crenshaw and Fire Chief Allan Page, Geo. V. Rooney, agent for the Pacific States Fire Insurance Co., was present and gave the boys a good talk.

Mr. Rooney stated that his company sometimes furnished tarpaulin to fire companies, so that goods saved from a fire could be properly covered and saved from damage while in the street. In view of this fact President E. J. Clausen and Chief Allan Page were directed to meet with Mr. Rooney, and make arrangements to secure some tarpaulin for Tillamook.

The subject of the reduction of the water pressure was also taken up. When the present water system was first taken up the pressure amounted to 110 pounds now it runs as low as 65 pounds. Something will no doubt have to be done to remedy this trouble.

Three new members were taken into the department Thursday evening.

The firemen will give their annual ball February 22nd in the Commercial Club rooms.

The boys have certainly done splendid work in recent years and have saved the city thousands upon thousands of dollars. Their efforts should be encouraged and everything possible done to upbuild their organization.

## FOUR MASTER ON BEACH NEAR NEAH-KAH-NIE.

Late Thursday night a four mast sailing vessel the Mimi of Valpraiso, Chili, went ashore just North of Neah-kah-nie Mountain. A line was shot ashore and one of the sailors went to land and at once gave the news of the unfortunate condition of the vessel.

The life saving crew was at once notified and a special train took the crew that night as far as Nehalem Bay. The life savers arrived on the scene in due time but there was nothing for them to do as no lives were in danger and the boat was so high on the sands that the men could walk ashore at low tide. There is no hopes of getting the vessel off.

## OBITUARY OF JOHN A. WARD.

John A. Ward was born in the State of Ohio on the eighth day of October, 1832.

He enlisted in the Union Army in Company "D" 13th Regiment Ohio Volunteer Infantry on August 2nd, 1862 and served to the end of the war, being mustered out June 8th, 1865.

He was married to Lucretia Watkins on May 17th, 1866. Of this union there were born eight children four of whom survive, Mrs. Ella H. Apple, Tescott, Kansas; G. H. Ward, of Tillamook, Oregon; E. E. Ward, of Portland, Oregon; James M. Ward, of Vancouver, B. C., his wife having died in 1884.

In 1875 he settled on a homestead in Kansas where he resided until 1892 when he, with his three sons, crossed the plains by wagon, settling in Tillamook County, near Hebo, where he lived continuously until ten years ago, since which time he has lived at various places on the Pacific Coast and lastly in Portland, Oregon where he was at the home of his son, E. E. Ward, at the time of his death, February 11th, 1913.

He was a member of the G. A. R. which order conducted the funeral services at this city, February 13th, 1913. Interment took place at the I. O. O. F. Cemetery East of town.
