CITIZENS TAKE NOTICE

On Saturday evening at 7:30 o'clock there will be a meeting at the Court House of all citizens who are interested in our paving. Everybody interested should come as there will be important business to consider. Committee.

The Headlight in its usual manner throws a few bouquets at itself in its last issue and takes upon itself the credit of having secured the \$407,000 appropriation from the government. If we were to take the Headlight for it, we would suppose that Senator Bourne had never lived. We expect that it will be only the matter of a couple of weeks before Bro. Baker takes upon himself the honor of being the prime mover and chief instigator of the present paving investigations.

That resolution, was it not a "beaut"? As we have previously stated, we are sure some of our councilmen never gave it the proper thought or they would never have voted for it. Some one's fine Italian hand was most assuredly visible in that document. That resolution stood for three things viz: First, it stood for an endeavor to make it appear that the city administration had done its duty and followed the regular course in the matter of investigations, when it is a well known fact that the investigation was taken up only after the repeated demands and efforts of our citizens. Second, it stood for a direct slap in the face for our citizens and their committee by attributing to them "sordid" motives (definition of the word sordid: filthy, vile, gross, dirty, base, mean, vulgar) in their endeavor to get a square deal in regard to this matter. Third, it seemed to stand for an endeavor to provide a soothing balm for the wounded feelings of the Warren Construction Company, who have been so seriously abused, while they have been endeavoring (?) to give us a pavement that would not creep, crack, ravel or run down at the heels. How much nicer it is to enter to the Warren Construction Co., than to stand by your fellow citizens in their hour of need!

COMMUNICATION.

To the citizens of Tillamook City:— At a meeting of the City Council held in the city hall Monday, March 3rd, a resolution was presented to the council by Mayor Harter the full meaning of which I did not fully realize until reading the same in the Herald and had I have known or realized its purpose to belittle the citizens who made the investigation I should have most emphatically objected to it for I fully appreciate and endorse the action of the citizens and feel that the council should thank instead of kicking them and insinuating that their investigations have been prompted by "personal interests or sordid motives."

G. L. DICK,
Councilman Fifth Ward.

BIG LAND DEAL AT PACIFIC CITY.

F. R. Beals recently purchased the Malaney holdings consisting of the summer resort known as Pacific City and 800 acres of agricultural and timber land, also the Dr. G. P. Bissell place and the Frank Bowles place adjoining, a thousand acres in all. Mr. Beals has moved a donkey engine onto the property and will clear a large tract of the land. He has planned extensive improvements along other lines.

HIGH SCHOOL NOTES.

The Freshmen are making great strides in bookkeeping now trying to make up for lost time. For some time they had no teacher.

The Athletic Association are planning to give another play soon. Mr. Moore who will direct it has picked out a very interesting sketch and has a good cast of characters.

The Ciceroian and Emersonian literary societies have been dissolved and in their places two societies one consisting of the boys and another of the girls will be formed.

An excursion to the beach was planned for last Saturday but owing to the fact

that it was not publicly announced it has been postponed.

The new rule for tardiness went into effect Monday and already the tardy marks have decreased in number.

Basket Ball has been dropped by both the boys and the girls and the boys are now practicing base ball.

This week is test week and everybody seems terribly industrious.

Methodist Church Notes.

During the last four years the average annual increase in Sunday School scholars in our church has been 200,000.

From March 30th to April 1st there will be held a Parliament by representatives of our benevolent boards to which we should send delegates. Bishops Cooke, McConnell and Shepard and many others will be present.

Mahomedanism appears to be on the decline and while so called Christian peoples seem to be applying the finishing touches the real cause for disintegration is due to internal moral corruption.

MRS. WOODROW WILSON

Mrs. Woodrow Wilson, who will be first lady of the land and preside over the White House four years.

WILSON HONORED AT HOME

People of Princeton Wish President-Elect God Speed.

Princeton, N. J.—Thousands of the home folk of Princeton and with them the students of Princeton University, gave Woodrow Wilson a farewell demonstration as they bade him god speed to the white house.

It was a unique tribute to the man who, after 27 years of residence in the historic town, had been elevated to the presidency of the United States, in that both students and townfolk joined in cheering him.

A brass band, a glare of fireworks, and continuous cheering brought the president-elect to the door of his bungalow. The streets were muddy, but the marchers trudged merrily along. When they reached the Wilson home a great cheer went up. C. S. Robinson, a Republican, and A. S. Leigh, a Democrat, bore a silver loving cup. Colonel David M. Flinn presented it in a brief speech.
