Building Operations Progressing Nicely.

Odd Fellows Getting Ready to Build
Fine Structure; Masons Contemplate
Building; Catholics Will Build.

By another month the Odd Fellows will have under way the erection of their new business block and hall, on their property at present occupied by Pelz & Honey and the old I. O. O. F. hall.

The new building will be 80 x 102½ feet, two stories, and will be constructed of brick at a cost of \$21,000. The new building will have a choice location and when completed will be a great improvement to our city.

Work will begin on the new building as soon as those now occupying the site can secure other quarters. Gruenewald & Rohrbach, Props., of the Tillamook Sheet Metal Works, have bought the I. O. O. F. Hall and will move it onto their lot opposite the Larsen Blacksmith shop. Pelz and Honey will move into the Clough building lately occupied by Finley Bros. Mr. Heaton, the barber, will move into the office building lately occupied by Boyajohn & Arnold, opposite Haltoms, and will occupy the same until more suitable quarters can be obtained.

Plans have been secured for the erection of a new business block and lodge hall by the Masonic Building Association on the corner of First Ave. East and Second Street. If the contemplated plans are carried out this building will be a fine ornament to the city and will cost \$20,000 or more.

The Catholic Church society of this city will build a new church this summer at a cost of between two and three thousand dollars.

The new \$20,000 Christian Church is now fast nearing completion and will be ready for dedication about the first of May. This new edifice will be equipped with a gymnasium and all modern arrangements for the comfort and enjoyment of its membership.

Work on the new bank and hotel is being rushed as fast as possible, with the prospects that the bank will be ready for occupancy by another month and the hotel will be ready by the first of June. This new \$75,000 structure will be a great addition to our city's safe investments.

SPEAKER C. N. MCARTHUR LAUDS REPRESENTATIVE HANDLEY.

Salom, Or., March 20th:—In reviewing the work of the recent session of the Legislature, Speaker C. N. McArthur today paid a high compliment to Representative T. B. Handley of Tillamook and Yamhill Counties.

"Mr. Handley was one of our best men," said the Speaker. "He was an earnest and sincere worker in the cause of many meritorious measures before the house, and his services upon the judiciary committee were particularly valuable. Mr. Handley showed himself to be a big, broad-gauged legislator and the people of his district will do well to re-elect him if he desires another term."

Speaker McArthur also stated that the recent session enacted more constructive legislation than any other session in the history of the state, and that the sum total of the appropriations was \$360,000 less than the amount appropriated in 1911.

SHEET AND PILLOW CASE SOCIAL.

On Saturday evening, March 29th, the Woman's Relief Corps, auxiliary to the G. A. R., will give a Sheet and Pillow Case Social at the store building lately occupied by the Finley Bros.

The ladies are requested to bring boxes containing lunch for themselves and partners.

At 8 o'clock a short program will be rendered after which the ladies attired in sheet and pillow cases will be auctioned off by Chas. Reynolds, the old reliable.

The Woman's Relief Corps are just organizing and they need a little money to help themselves along. Everybody invited.

Everything free but the ladies.

The Steamer Elmore has gone into commission again on her summer run and will leave Portland for Tillamook Thursday evening.

Tillamook Churches Celebrate Easter.

Some Churches Have Special Programs
For Children; All Have Special
Music For The Occasion.

Easter Sunday weather was not all that it might have been, however, the services at the churches were all well attended.

At the United Brethren Church the children rendered a special program in the morning and Rev. Messer delivered an Easter sermon in the evening.

Rev. Jope of the Christian Church delivered an Easter sermon both morning and evening. In the evening the sermon was a stereopticon lecture on "The Life of Christ."

The regular Easter services were held at the Sacred Heart Catholic Church. Rev. Father Van Clarenbeck preaching the sermon at 10:30 A. M.

Rev. D. A. Mackenzie preached appropriate sermons for both services of the day and special music was provided at the Presbyterian Church.

At the German Congregational Church appropriate services were conducted by Rev. Paul Ebinger, pastor.

Regular Easter services were held at the German Reformed Church, Rev. F. C. Schueller officiating. Communion services were also held. On Palm Sunday the following children were confirmed: Priska Neiger, Gertrude Schlappl, Clara Mayer and Julia Neiger.

At the Methodist Church Rev. H. W. Kuhlman delivered an Easter sermon after which a missionary offering was taken amounting to \$218. Some \$18 was also received for other benevolences. Of the above amounts, the Sunday School gave \$86. In the evening the Sunday School under the direction of Mrs. Kuhlman rendered a very interesting Easter program.

NEW FIRM FOR TILLAMOOK.

The Tillamook Sheet Metal Works is the name of a new firm just getting established here. The new firm does plumbing and general repair work, and has bought the Odd Fellow hall, which will be moved onto its property recently purchased on Third Street in front of the Larsen blacksmith shop.

It will be three weeks at least before the building can be removed, but in the meantime the firm will occupy the building next to the Tillamook Bakery.
