What's the Price of a Good Suit of Clothes?

TWENTY-FIVE DOLLARS.

You can buy clothes in this store for less than that—$12.50 to $20.

But $25 is usually a safe price.

Good men who appreciate good quality and style in clothes; good tailoring and fit, are willing to pay as much as $25.

Hart Schaffner & Marx

units at $25 will surprise you; particularly if you’ve been accustomed to going to a custom tailor to have clothes made; more particularly if you’ve patronized the so-called low priced tailor; most particularly if you’re getting what you think are made to measure clothes at $25 or less.

You’ll get all wool fabric, tailoring, linings and other materials of high grade; tailoring of a very high order—those things that make a suit wear well and last.

You’ll get the value of the best style standards and originality of design. You’ll get clothes that fit well and you’ll gain from $10 to $20, either in greater value at the price, or lower price for similar value.

Better to lose true taste $25 in price you can afford, and you’ll save so when you purchase the better clothes. Better come and look at the new spring styles.

Two stores will deliver free of charge to any point in Tillamook Co. by a team and Hart Schaffner & Marx unit or over, or any purchase amounting to $10 or over.
