Large Attendance At Union Services.

Rev. Mackenzie and Rev. Jope De-liver Splendid Addresses. Collec-tion Taken For Flood Sufferers.

On Sunday evening the Methodist Church was the scene of an enthusias-tic union meeting of the Presbyterian, Christian, United Brethren and Metho-dist churches.

After the usual preliminaries and a short program by the young folks Mrs. D. A. Mackenzie favored the audience with a most beautifully rendered vocal solo which was much appreciated. This was followed by addresses from Rev. D. A. Mackenzie, pastor of the Presbyterian Church, and Rev. R. E. Jope, pastor of the Christian Church.

Rev. Mackenzie's address dealt chief-ly with the World's Christian Citizen-ship Conference which will be held at Portland June 26 to July 6. Rev. Mac-kenzie has been appointed on the state committee which will have charge of this great gathering. Noted men from all over the world will be in at-tendance, and the gathering will be made up of delegates from any Chris-tian organization on the face of the globe that desires to be represented.

The purpose of the above mentioned organization as explained by Rev. Mac-kenzie is to "Christianize Christen-dom" and do away with the double standard of living among men; that men must not leave their Christianity at the church doors, but should carry it into their business, into politics and wherever else their activities may carry them.

Rev. Mackenzie was then followed by Rev. Jope who spoke on the out-look at Washington." Rev. Jope made mention of the passage of the "Webb Bill," which prohibits the shipment of liquor into dry territory and spoke of it as the one great cause for encour-agement in the fight on the liquor traf-fle. The mention of President Wilson's name and some of the good things he is doing brought forth hearty applause.

During the evening a collection was taken for the flood sufferers of the east which amounted to \$20.57.
