The Board of Directors of the Tillamook County Fair Association met in the Commercial Club rooms last Saturday.

The chairman of the Premium committee, W. C. King, reported that after carefully going over the list with the Board, the following changes were made:

Instead of three prizes for cheese \$25, \$15 and \$10, it was changed to five prizes, as follows: \$20 first, \$12.50 second; \$10 third, \$5 fourth; and \$2.50 fifth. To be added to this an entrance fee of \$1 for each contestant, this fee to be divided according to the prizes.

There were a few minor changes made, which will appear soon in the premium list published in a pamphlet.

Dr. J. E. Reedy, who is the official veterinary in this county, was elected superintendent of live stock during the fair.

H. Booth was elected superintendent of poultry.

W. C. King was elected superintendent of vegetables, fruits and flowers.

Mrs. Webster Holmes was chosen to superintend Domestic Science and Art.

F. W. Christensen was chosen to superintend the milk test and cheese.

Will Spalding, who was appointed to see about grounds and buildings to hold the fair, reported. His report was accepted. The Board decided to hold the Fair on the vacant lots back of the old Snuffer building, which was offered to them for use free of charge by W. G. Dwight. It was decided to order three large tents to hold the fair in. Chas. Kunze and Wm. Maxwell were appointed in connection with Mr. Spalding as a building committee.

We wish to say that it is the desire of the board that each person elected to look after a department will do so, and help make the fair a success. To the people in the county I wish to say as secretary of the Board that you have a Board of managers that is going to do the best they can for the good of the County. It is new to most of us and we may make some mistakes, but I assure you, you will get an honest, fair and square deal. We do not expect to please everybody but expect to do the best we can for the good of our county. If you are a booster get in an help and show what you can grow on your farm. It commends your county and you are a citizen of your county. Yours to boost Tillamook county,

BUSINESS MEN WHO HELP.

As there are a number of liberal business men in the city who are always ready to assist any movement that will benefit the business interest of the city, we publish today the amounts given by them to help defray the expenses of the Third Regiment to this city, which proved a success in every particular and left a large amount of money in the city.

There are some business men who refused to contribute while there are others who were busy or out of town when the subscription list was circulated, but they can contribute if they feel like doing so and will be given credit for the same.
