The motor picked up a seriously injured man near Brighton Wednesday morning and brought him to the hospital at Bay City for treatment. The man, while intoxicated fell from the circus train while it was going at high rate of speed and was revived by the cold water of the incoming tide and managed to crawl to a place of safety before again becoming unconscious. He will recover.

The Wild West show was a disappointment to most people who attended, many expecting to see a regular circus. The show did not justify the price of one dollar that was charged for the main tent. We suppose the management considering the distance they had come and not expecting such a large attendance, raised the price. Everything advertised was shown however and there would have been no kick coming if they had stuck to the regular fifty cent admission price.

IF YOU WANT TO BUY
OR BUILD A HOME
OR REPAY A MORTGAGE

and desire the aid of borrowed money, we ask your careful consideration of the advantages afforded by our monthly installment plan of loan, in which the installments for any given term are each of exactly the same amount throughout the entire term of the loan. With but little greater outlay than would be required for rent, every payment keeps the interest paid each month and steadily reduces the principal. We will gladly explain our plan of a loan to you if interested.

LOCAL NEWS.

The brick-making machine for Krebs Bros., proprietors of the new brick yards, arrived on Thursday and is now being set up. It has a capacity of 20,000 bricks a day and no doubt will be kept busy as the demand is very great. They expect to begin making bricks in about two weeks, but it will be two months before it will be ready for market. The bricks will burn a dark red which is a very popular color. Beside bricks they will also manufacture building blocks and tile.

Joseph Aufdermauer president of the Neskowin cheese factory and prominent rancher from the south end of the county is spending a few days in the city, conferring with Sec. Haberlach and attending to private business. Joe reports everything booming in his part of the world, their new three thousand dollar factory prospering. He expects to see his Tillamook friends oftener in the future having ordered a Ford car from E. L. Hadley. The forty miles between here and Neskowin will only be a little spin for him.

A forty-page booklet containing prize list, program, rules and general information of the coming County Fair, Sept. 3, 4 and 5, has just been issued from this office and is now in the hands of Secretary Blalock for distribution. Plenty have been printed and it is hoped that every rancher, business and professional man in the county will see that they get one. The business men of Tillamook and some outside concerns have been very liberal in the use of advertising space herein. The Herald has received many compliments on the workmanship, neat and tasty appearance of the book.
