A large dancing pavilion at Netarts
 has been moved from its former loca-
 tion on the sidehill to a more conven-
 ient place near the beach on the south
 end of Happy Camp. Messrs. Sharpe
 and Keim had a large force at work
 the last two weeks and many improve-
 ments will be noted when pleasure
 seekers again visit this place.
 The Presbyterian Guild wishes to
 publicly express gratitude to all who
 assisted in making the Harvest Supper
 and Entertainment a great success.
 To each one who furnished numbers on
 the programme, special thanks are due,
 also to the Eiler Piano Co. for the use
 of two pianos, the Player Piano and
 the one used for accompanying and
 solo work.
 School days with the necessary study
 by artificial light cause eye strains,
 with the usual headaches, eye aches,
 smarting and burning of eyes. Now is
 the time to have the eyes examined,
 before irreparable damage is done, by
 someone who understands diseases of
 the eyes as well as understands when
 and how to fit glasses. Dr. Wendt is
 the only Eye Specialist in Tillamook
 when you need them. Any style or
 kind, at reasonable price. Absolutely
 guaranteed.
 The marked contrast in vegetation
 between Tillamook County and that on
 the other side of the coast range is
 noticed and commented on by every
 Tillamooker going outside, or outsider
 coming in. The many local people who
 were out to the Round-Up have re-
 turned with renewed enthusiasm over
 nature's rich county in which they live,
 where the grass is as green today as it
 is in June and has not the fade-away,
 dried-up discouraging appearance as in
 other portions of the country where
 they have visited. What is said of
 vegetation can also be said of the air
 and climate.

COLD STORAGE CO. BUSY.

The Tillamook Ice and Cold Storage
 Co. is exceedingly busy these days.
 The company had a large force of men
 working overtime the first of the week
 getting a carload of mild cured salmon
 ready for shipment to Hamburg, Ger-
 many. The company also has a great
 demand for ice, which is shipped to all
 parts of the county. The demand for
 ice is so great that the company can
 not make enough to fill all orders.

HARVEST SUPPER A SUCCESS.

The Harvest Home supper and En-
 tertainment given by the Ladies
 Guild of the Presbyterian Church last
 Friday evening was a success in every
 way, the proceeds amounting to \$74.00.
 The entertainment was given in the
 building in which the Tillamook Coun-
 ty Fair had been held, and the ladies
 had spared no pains in decorating the
 place with vines, autumn leaves and
 dabbies until it presented a most beau-
 tiful sight. After a bountiful supper
 had been served a fine musical program
 was rendered, each number of the pro-
 gram receiving heart-applause. This
 program demonstrated the fact that
 Tillamook has at the present time,
 some rare musical talent in her midst.
 After the program the harvest queen,
 Miss Allegra Mason, and her two little
 maids, Mary and Pauline Lamar, pre-
 sented the keys of the hall to the
 audience and the remainder of the
 evening was spent in games and a gen-
 eral good time by all.

Many Buying Pianos.

Four More Pianos Sold Last Saturday.
 This is Piano Buying Time.

In the last issue of this paper we pub-
 lished the names of four parties to
 whom we sold pianos the previous Sat-
 ursday, and this Saturday we sold four
 more besides three sold during the
 week. The sales Saturday last were to
 Mr. Dennis of Beaver and Mr. Delsman,
 Mr. Fitzgerald and Mr. Erskine of
 Tillamook. We have only four pianos
 and the player piano left, besides one
 organ, and if you are the least bit in-
 terested you had better investigate. In
 previous advertising we have explained
 the reason for such sensational price
 cutting. You might as well profit by
 this sale. As usual the highest priced
 pianos remain until the last. See the
 Eilers Doctonal Piano—the finest upright
 piano ever shipped here.
 You can have easy terms—a little
 each month like rent. Only 3 or 4 days
 more.
