Concerning Major Hendershot

Who Comes to Tillamook Oct. 31st

Letter from Horace Greeley to Major Hendershot's mother:—

Mrs. Hendershot.—I have just received your letter and photograph. I assure you the little we did for your son in presenting him with a drum was prompted solely by admiration for his heroism and by hopes of his future usefulness which are still strong and high. In the firm trust that he will live to favor and comfort you, I remain, yours truly,
HORACE GREELEY.

Major Hendershot brings with him for use in entertainment the drum referred to.
