The Supreme Court has handed down
 a decision in the case S. S. Johnson vs
 the Miami Lumber Co., the opinion
 being in favor of the plaintiff. At-
 torney Johnson sued the company for at-
 torney's fees. He was given a verdict
 in the circuit court, which verdict has
 been sustained. He gets everything
 contended for and costs.

Leland B. Erwin, a nephew of Mrs.
 G. A. Edmunds arrived here last Fri-
 day from Iowa, coming in over the
 south route. Mr. Erwin is an accom-
 plished musician and instructor of the
 piano. He studied music for two years
 at the Drake University at Des Moines,
 Iowa, and recently graduated from the
 Chicago musical college. He will or-
 ganize a class of piano students here.

On Sunday last Rev. Jojo tendered
 his resignation as pastor of the Christ-
 ian Church. He has had a call from
 Roseburg and may take up work there.
 We understand there is a strong move
 among the members of the Christian
 Church here to try and keep Rev. Jojo.
 It is to be hoped that this effort will
 prove successful. Rev. Jojo would be
 greatly missed inside and outside the
 church life of this city. His work a-
 mong the young people has been splen-
 did and far reaching. We hope he will
 decide to stay with us.

For the edification of Bro. Baker
 and for fear he will have another
 brainstorm over F. R. Beals private
 affairs we wish to advise him that Mr.
 Beals has, some weeks ago, ordered
 new office furniture and has made ar-
 rangements for office rooms in the
 Tillamook block. It now behooves
 Bro. Baker to prepare to get out of the
 dark, dingy, cob-web covered, back
 alley quarters he occupies and get into
 a location where he can get a glimpse
 of the sun occasionally. This might
 dispel the gloom that enshrouds him
 and brighten up his vision so that he
 could see some of the virtues of his
 fellow men lay aside his hammer and
 become a booster.

Feeble Old People

Are Told How to Regain Strength and Vigor.

As one grows old the waste of the system becomes more rapid than repair, the organs act more slowly and less effectively than in youth, the circulation is poor, the blood thin and digestion weak.

Vinol, our delicious cod liver and iron tonic without oil is the ideal strengthener and body-builder for old folks, for it contains the very elements needed to rebuild wasting tissues and replace weakness with strength. Vinol also fortifies the system against colds and thus prevents pneumonia.

Mrs. Mary Ivey, of Columbus, Ga., says: "If people only knew the good Vinol does old people, I am sure you would be unable to supply the demand. I never took anything before that did me so much good as Vinol. It is the finest tonic and strength creator I ever used in my life."

If Vinol fails to build up the feeble, old people, and create strength we will return your money.

P. S.—Our Saxo Salve stops itching and begins healing at once.
