LOYAL SONS BANQUET

The Loyal Sons of the Christian Bible School held their quarterly banquet in the dining hall. About 45 young men were in attendance also some of our business men attended as guests.

Clifford Jope as president of the class acted as toastmaster.

Toasts were responded to by D. L. Shrode, Ira Smith, W. H. Holley, W. A. Diggins, Walla Walla, Wash. Thos. Coates, Sr., Ira Lance and R. E. Jope teacher of the class.

After the exercises at the table a general good time and social was held in the gymnasium. A Basketball game between the Scrubs and the Dubs—resulting in a decisive victory for the winners.

The occasion was pronounced a most enjoyable one by all.

Rev. Jope has worked hard to organize this young mens society and much credit is due him for the splendid work he has done. Those of our business men who were present at the banquet were much impressed with the endeavor which Rev. Jope has made to surround the boys with every inducement to evade questionable amusements.

THE W. R. C. FAIR.

The W. R. C. Fair and Vaudeville held in the Skating Rink Thursday and Friday evenings was clearly the best thing of the winter; the street parade was as good as a circus parade, headed by Chief of Police Myers and our justly famed City Band, it represented all the varied industries and businesses of our city together with many funny specialties, and showed much care and work.

The Rink was a scene of joy and beauty. The Indian Camp, with war dances and native music, the fife and drum band, the "German Village", the Candy Booths, the Gypsy and Fortune Telling Booths, the side show of Freaks, the "hot weenie" and eating booths, the fish pond, Foolish Liz, the beautifully realistic Tom Thumb wedding, the thrilling Slide for Life by a three year old child on a rope stretched from the top of the hall, the Kangaroo Court and lady police, the Negro Minstrel Troupe with songs and dances, the O'Donnell family in old plantation melodies and others too numerous to mention all made a grand success of the Fair and showed much painstaking care on the part of the ladies of the W. R. C. ably assisted by many of the gentlemen, all of whom are entitled to much credit. The program was changed each night. We will give a more detailed account in our Tuesday issue.

Lumbago-Sciatica Sprains

The directions say, "It's good for lumbago too." Sloan's cured my rheumatism. I've used it and I know. Do you use Sloan's?

"I had my back hurt in the Bow War and for years ago I was hit by a stroke. I tried all kinds of dope without success. I saw your Liniment in a drug store and got a bottle to try. The first application caused instant relief, and now except for a little stiffness, I am almost well. You have done me a good turn."

Instant Relief from Sloan's

"I was kept in bed with sciatica since the first of February, but I had almost no standing when I tried your Liniment."

—J. H. Hamilton, Frankfort, Ky.

"As a man of your lifetime for the last 15 years, I can say that one of the best on the market. Fifteen years ago I sprained my ankle and had to use crutches, and the doctors said I would always be lame. A friend advised me to try Sloan's Liniment and after using it night and morning for three months I could walk without a cane and run as good as any of the other fellows in my department. I have never been without a bottle since that time."

—W. H. Brown, Boston, Mass.

D. D. D. In Hospitals; Standard Skin Cure

Many hospital patients suffering with itchy, red, raw, sore and painful skin diseases have been cured by using a soothing and healing ointment for a few days.

This is the famous D. D. D. prescription for eczema.

It is the only ointment of one of our prominent Catholic institutions (name of nurses and hospitals on application) which has been prescribed by the highest medical authorities. The disease had eaten her eyebrows away. Her nose and lips had become disfigured. Since the use of D. D. D. her eyebrows are growing, her nose and lips have assumed their natural appearance.

"How many persons suffering are paying their doctors for regular treatment and are being treated with this same soothing, healing ointment?"

See D. D. D. SUGGESTION booklet.

CROSS BOUNDARY TO RECOVER MAN'S BODY

Establish the Fact That Texas Rancher Was Killed by Mexican Federals.

Laredo, Tex.—A party of Americans who secretly crossed into Mexico during the night brought to the American side the mutilated body of Clemente Vergara, Texas rancher, and established the fact of his execution after he was seized by Mexican federals.

The invaders were not opposed, accomplishing their search without the slightest violence, taking the body from a grave in Hidalgo Cemetery almost within sight of the Texas border. The seizure was divested of possibly grave aspects in international complications by reason of the fact that the party was virtually making use of permission granted officially by Mexican federal authorities several days ago.

Vergara was shot twice through the head and once through the neck, his skull was crushed as by a blow from a rifle butt and the charred fingers of the left hand indicated that he had been tortured before being put to death.

Vergara left his ranch near Balafax, Tex., Friday, February 13, and crossed the river into Mexico on a message from three federal soldiers that Captain Apolonio Rodriguez, of the Hidalgo garrison, wished to settle for 11 horses.

Washington.—Two departments of the United States government are engaged in seeking information as to circumstances under which the body of Clemente Vergara was found early Sunday on the American side of the Rio Grande.

A telegram to the state department from American Consul Garrett at Nuevo Laredo, Mexico, informed the department that the body had been found and that details would be reported by mail. The slow process did not satisfy Secretary Bryan, who promptly telegraphed the consul to make his report by telegraph.

Meanwhile the war department has become interested and Secretary Garrison called upon General Bliss at El Paso for information.

Job Offered Governor West.

Governor West, of Oregon, before leaving for home, said that a federal appointment had been offered him, by one of the members of the cabinet, but said he had declined the offer. The governor refused to say what office had been tendered him, but it is understood it was a place on the Alaska Railway Commission, which is to have charge of the construction of the government trunk line railroads in Alaska.

AFTER COUGHING TWO YEARS

Waycross, Ga., Woman Found Relief in Vinol.

Did you ever cough for a week? Then just think how distressing it must be to have a cough hang on for two years.

Mrs. D. A. McGee, Waycross, Ga., says: "I had a very heavy cold which settled into a chronic cough which kept me awake nights for fully two years, and felt tired all the time. The effect of taking your cod liver and iron remedy, Vinol, is that my cough is gone. I can now get a good night's rest and I feel much stronger in every way. I am 74 years old."

It is the combined action of the medicinal elements of the cod's livers aided by the blood-making and strength-creating properties of folic iron which makes Vinol so efficient for chronic coughs, colds and bronchitis—at the same time building up the weakened, run-down system.

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you.

P. S.—If you have any skin troubles try Sazo Salve. We guarantee it.
