## New Catholic Church Dedicated

Large Crowd in Attendance, Ceremonies Impressive, Archbishop Christie Delivers Sermon

On Sunday morning the new Catholic Church of this city which has been erected at a cost of nearly \$10,000, was formally dedicated.

A large number of Catholics and non-Catholics were present filling the church to its utmost capacity.

The ceremony of blessing the exterior of the church lasted about ten minutes after which the interior of the church was blessed and then High Mass was said by Fr. Darvy, of Liverpool, Eng.

After High Mass Archbishop Christie delivered a very eloquent sermon, holding the crowd in rapt attention for a half hour.

After the sermon by the Archbishop, Rev. Fr. James Rauw of Beaverton, delivered a short discourse in the German language.

At the close of the services Archbishop Christie extended special thanks and commendation to Fr. Van Clarenbeck for the splendid work which he had done in planning and overseeing

## BAND BOYS ENJOY SOCIAL EVENT

A pleasant surprise was given the Band Boys on Monday evening when Mr. Wm. G. Larson and his bride, formerly Miss Hazel Petty, with the assistance of the Misses Brown and Larson served a bountiful refreshment to the boys, consisting of ice cream and cake. After the evening rehearsal and all present had been served Dr. Thos. Monk acted as master of ceremonies and with a few appropriate remarks presented the newly-weds with a handsome glass water set from the members of the Tillamook Boosters Band as a token of their high esteem. Mr. Larson as a member of the band has made good with the boys who have a high personal regard for his bearing as a gentleman and ability as a musician, he having served for several years in the U. S. Artillery branch of the service as musician. It is hoped by the boys that Mr. Larson's matrimonial venture will be one of long life and happiness with the charming bride, and that the future will see him as conspicuous a member of the Tillamook Band as he has been in the past. Here is good luck and long life and happiness. From one of the Boys who was there.

## Union Temperance Meeting Well Attended

Large Crowd Turns Out To Hear Rev. Sam Bettis. Rum Traffic Scored

On Sunday evening a large number of our citizens gathered at the Christian Church in a temperance rally, and listened to a masterly address by Rev. Sam Bettis. Mr. Bettis who is known as the Cowboy Preacher, delivered one of his characteristic sermons, full of logic, wit and good humor. He held his audience in rapt attention from the beginning to the end of his discourse, during which time he dealt the whiskey business some pretty hard blows.

At the close of the meeting Rev. Weber of the M. E. Church stepped forward and suggested that a union of the churches secure the services of Mr. Bettis for a series of revival meetings, and the proposition gained favor at once with the result that committees were appointed to start the work, and everything is now under way for a big revival.

The skating rink has been secured and the services will be held therein. T. E. Isaacs, a singer of Forest Grove with piano accompanist have also been engaged and on Monday May 18, the services will begin and last for at least three weeks.

Majesty and her maids of Honor is now on and the polls will be open until the night of Saturday, May 16. The queen and her court will be given a grand tour of all the principal coast cities prior to the opening of the Rose Festival.

The combined commercial bodies of Coos County have decided to erect a building at the Panama-Pacific Exposition. The lumber mills of the county have agreed to furnish all the needed wooden material, the railroads will transport it to California free of charge, and the County Court and the citizens are expected to provide the necessary funds—about \$15,000—to pay for the collecting and installing the exhibit.

The Salem Cherry Fair will be held June 25-27 inclusive. It has been decided to hold the show on the Court House grounds, and that in addition to cherries, there will be exhibits of small fruits.

of frost killing at all times in the year. Distance from the railroad varies from 75 to 100 miles, making it extremely difficult to get produce to market. Prospects for grazing are fairly encouraging and Mr. Brewer advises new settlers to turn their attention mainly to stock raising.

Don't forget the Portland Rose Festival dates—June 9 to 12 inclusive. The only change of importance in the program has been the complete elimination of Rex Orgonus and the substitution of a "Queen of Rosaria" who will be the sole reigning monarch during Festival week. The election of Her

At the evening service Fr. Galliger president of the Columbia University of Portland, delivered a discourse on educational matters which was very interesting.

## OUR PORTLAND LETTER

Portland, Ore., May 12, (Special)—Reports from nearly every section of Oregon indicate that the grain crop for 1914 will be the largest in the history of the state. Not only has the grain acreage been greatly increased, but weather conditions have been unusually favorable and in nearly all districts the yield per acre will be larger than usual.

Fruit reports from some sections are not quite as encouraging as grain estimates, but in most cases the loss from frost has not exceeded the annual thinning of fruit. A large acreage of new orchards will produce the first commercial crop this year and it is estimated the total fruit yield will be far beyond that of last year.

J. W. Brewer, special agent for the State Immigration Commission has just returned from a careful survey of the lands included in the area recently eliminated from the forest reserves in Central Oregon and his report to State Immigration Agent C. C. Chapman carries with it a note of warning to intending settlers on such lands. Already there is a great number of homeseekers in the eliminated district and it is expected there will be more applicants than there are claims. Of the 236,680 acres actually open for entry, at least 182,000 acres are non-tillable, leaving but 54,000 acres of a character which will support settlers. The elevation of

## MELLENBERGER DEAD

Monday evening little Al Mellenberger died at the Tillamook hospital after an illness of six

weeks ago the little one in the stomach while playing, and was severely injured. A rupture of the bowels, which was the charge of the case after the accident occurred, was done for the child, Dr. Barzee of Portland, was called in at one time, and at the time which took place

last Sunday, Dr. Barzee, of Portland, assisted Dr. Wendt.

The funeral services will be held on Thursday.

The sorrowing family have the sympathy of the entire community.

## WIDOW LOSES HOME

On Sunday evening at 6 o'clock the home of Mrs. M. Salwey, two and one-half miles south of town, was burned to the ground with contents. Mrs. Salwey is a widow with children, her husband having died in the insane asylum last fall. A subscrip-

tion paper has been circulated and some money has been raised which will be used to erect a new house. The family will need clothing and other things, however, and a request has been made that all those who may have clothing or other useful articles to give away to leave the same at the Herald office, from which point they will be forwarded to the needy family.
