They are all requested to bring their wives and automobiles; all committees from different organizations are also on this committee.

Anyone desiring to contribute tables or rooms can phone Dr. McGee, and all should remember what Christ said for poor children, "Whoever shall give to drink unto one of these little ones, a cup of cold water only, verily I say unto you he shall in no wise lose his reward."

Chairman Worrall will select and publish next week the reception committee for the Commercial Club reception.

Tillamook County as usual, will entertain right, and show the poor "Kiddies" the time of their lives.

Places have been found for 34 fresh air children among the members of the Fairview Grange, and it is possible the Grangers will take four more.

## OH! MR. LEA.

Oh Mr. Lea went out to sea,

He saw a thousand things or more.

But chief of these were little cheese that rolled around his door.

He hies him here a lot to buy,

But thinks the price is pretty high.

So he grabs a book, he takes a look and finds that cheese is only made in Tillamook

He sits him down upon a stone, whets his razor on a hone, to get Haberlach off his throne.

But Haberlach is hard to beat; he surely is the squeeze.

He says to Lea, just peddle meat and we will peddle cheese.
