## ULTIMATUM SENT BY JAPAN TO GERMANY

Demands Withdrawal of German  
Warships From Orient and  
Evacuation of Kiau-Chau.

Tokio.—Japan sent an ultimatum to  
Germany Saturday night at 8 o'clock,  
demanding the withdrawal of German  
warships from the orient and the eva-  
cuation of Kiau-Chau and giving Ger-  
many until Sunday, August 22, to com-  
ply with the demand. Otherwise, the  
ultimatum states, Japan will take ac-  
tion.

The general expectation here is that  
the ultimatum will be followed by war.  
Inspired utterances express regret  
at the inability to maintain neutrality,  
but say that Great Britain, the ally of  
Japan, is compelled to defend herself  
against the aggressions of Germany.  
Moreover, it is pointed out that Ger-  
many is making preparations day and  
night at Kiau-Chau, where it is storing  
provisions, while its warships are  
scouring the seas of eastern Asia to  
the great detriment of commerce, and  
that its converted cruisers are seizing  
English merchant vessels. Such ac-  
tions, it is argued, are directly calcu-  
lated to disturb the peace of eastern  
Asia and accordingly, after full and  
frank communication with Great Brit-  
ain, Japan has found herself com-  
pelled to send an ultimatum to Germany.

## JAPAN ASSURES U. S. OF FRIENDLY ATTITUDE

Washington.—The Japanese ambas-  
sador, Baron Chinda, delivered to Sec-  
retary Bryan the written announce-  
ment of Japan that an ultimatum had  
been addressed to Germany request-  
ing the latter's withdrawal from her  
field of activity in China.

At the same time she communicated  
the assurances of Japan to the United  
States that the utmost endeavor would  
be exercised to safeguard the interests  
of this country and all others not im-  
mediately concerned in the present  
operations.

The ambassador presented a com-  
munication which contained a strong  
statement concerning Japan's pur-  
poses of maintaining the territorial  
integrity of the Chinese republic by  
restoring to her the territory of Kiau-  
Chau, originally taken from China by  
Germany as an act of reprisal for the  
killing of German missionaries.

President Warns Not to Take Sides.  
Washington.—President Wilson has  
issued a statement warning citizens  
of the United States against taking  
sides in the European war in public

effect of the war on the United States,  
he said, depends on what Americans  
say and do.

here of the frightful losses the Ger-  
man Uhlans, the Kaiser's finest cav-  
alry, have sustained since they invad-  
ed Belgium. Of 5000 of them who  
took part in the battle of Haelen it  
was declared only 1000 escaped alive  
and unharmed.

Japanese Cruiser to Follow Leipsig.  
San Diego, Cal.—Under orders to  
follow the German cruiser Leipsig,  
the Japanese cruiser Idzumi left the  
harbor here with decks cleared for  
action. Captain Moriama, comman-  
der of the Japanese warship, made

## BRIEF WAR NEWS

The beginning of the third week of  
the great European conflict found  
scarcely a German soldier in France.  
That is regarded as a most significant  
fact in the military situation. Aside  
from the attempt to capture the forts  
around Liege, the fighting is regarded  
as merely preliminary and mostly out-  
post affairs, with the French and Bel-  
gians disputing every inch of the  
ground.

The outstanding fact in the develop-  
ments of the present week is the dram-  
atic abandonment of Brussels, which  
was an heroic act of self-abnegation by  
the Belgians. The Belgian state lead-  
ers almost broke down and wept in  
their council chambers.

The meeting of these reconnoitering  
parties in force has resulted in severe  
fighting, in which, according to  
French and German official accounts,  
the allies scored further successes.

That the Germans are forcing their  
way through Belgium is indicated by  
the Brussels report that German cav-  
alry is approaching the Belgian cap-  
ital, that measures for the defense of  
Brussels are being hastened and that  
the seat of government has been re-  
moved to Antwerp. The royal family  
has left the city.

The reported purchase of the Ger-  
man cruisers Goeben and Breslau by  
Turkey for \$20,000,000 has been made  
the occasion of action by the British,  
French, Belgian, and Russian allies,  
which call Turkey's attention to her  
duty as a neutral.

Stern measures are being resorted  
to in Germany to compel military ser-  
vice, according to a dispatch via Lon-  
don. It is reported that Dr. Karl Lieb-  
knecht, the famous German socialist  
leader, has been shot to death for  
refusing to join the army.

The German emperor, the crown  
prince and two other imperial princes  
are at the great fortress of Mainz.  
The emperor's departure from Berlin  
for the front has evoked enthusiasm  
in the German capital.

German cavalry patrols have been  
signaled to the northward of Antwerp,  
according to the Antwerp correspon-  
dent of Reuters. The military govern-  
or, the correspondent continues, has  
ordered the entire civil guard of Ant-  
werp to be mobilized on a war footing  
and to take their positions in the  
forts around Antwerp.

Encounters which military histor-  
ians a month from now may describe  
as "reconnaissances in force" are pro-  
ceeding all along the border. They  
are heralded by both sides as battles  
and victories. In history most of  
them will rank as incidents.

From Brussels comes word that the  
German movement toward the center  
has been checked, while from the  
French embassy in London the state-  
ment has been issued that the Ger-  
mans have retired from the important  
Alsatian outpost of Saarburs. The  
British war office frankly communi-  
cated to the papers that an ironclad  
veto of unauthorized intelligence from  
Belgium had been agreed upon by the  
three allied armies. This has been  
enforced to the letter.

The mobilization of the Russian  
army has been completed in perfect  
order, according to an official dispatch  
from the Russian general staff. Other  
reports from St. Petersburg by way  
of London set forth that the Russian  
armies began a general advance last  
Sunday.

The Servian premier is authority  
for the statement that Austrian forces  
have suffered a serious defeat on the  
Servian line. He telegraphed London  
that 15,000 Austrians have been "an-  
nihilated" near Sabac, whence they  
fled in disorder. The Servians cap-  
tured 14 Austrian guns.

The French war office in an official  
statement declares its forces are ad-  
vancing in Alsace and that they are  
now 32 miles inside German territory.  
The French say they have most of  
the valleys of the Vosges and expect  
soon to advance on the plain.

Chloroform Kills Girl.  
Salem.—Miss Mena Smith, 15,  
daughter of Mrs. O. G. Smith, died  
from the effect of an anesthetic given  
for an operation for tonsillitis in  
the office of Dr. H. J. Clements.

Artillerymen Are Busy.  
Roseburg.—Members of the local  
company, coast artillery, who have  
been selected to take part in the var-  
ious shooting competitions on the state  
rifle range at Clackamas are making  
daily preparations for the events.

## Dr. Smith Visits Tillamook

Democratic Candidate for Governor  
Meets Our Business Men and Many  
Voters in the County

Dr. Smith of Portland, Democratic  
candidate for governor, spent all of  
Wednesday and most of Thursday a-  
mong the business men and voters of  
this county. The doctor was on his way  
to Portland from a canvass of the coast  
counties. He went up the west side of  
the Willamette Valley and as far south  
as the California line and then crossed  
the coast range and took in all the  
coast counties on his way north. He  
made the trip in auto.

During the forenoon he met many  
prominent people of the county south

as far as Hebo, and during Wednesday  
afternoon and evening he met many of  
our business men and citizens.

On Thursday in company with S. S.  
Johnson and Thos. Coates he visited  
Bay City and Garibaldi, leaving in the  
afternoon for Portland.

Dr. Smith states that he receives  
many words of encouragement wher-  
ever he goes. He is a very pleasant  
appearing man and impresses you as  
being a man of more than ordinary  
depth and ability. There is no question,  
but that if elected he will make Ore-  
gon a good governor.

## LATE WAR NEWS

The Germans have taken Brussels  
and the whole of Eastern Belgium is in  
their hands. Belgium forces have re-  
treated to Antwerp.

Paris dispatches state that Germans  
are being forced from Upper Alsace.  
In Lorraine, however, the French were  
meeting with strong resistance.

A rumor has it that a large number  
of English ships have been destroyed  
in the North Sea by the Germans,  
by torpedo boats, mines and airships.

## Double Celebration is Plan.

Grants Pass.—Grants Pass is to  
have a big double celebration here and  
at Wilderville, September 7, in honor  
of the completion of the municipal  
unit of the Grants Pass & Crescent  
City railroad, and also in honor of  
the return of Joseph Knowles, the  
nature man, whose experiment will  
terminate about that time.

## Costly Imbler Fire.

La Grande.—The mill, elevator and  
warehouse, together with 70,000 bush-  
els of wheat and 3000 barrels of flour,  
belonging to the Imbler Flouring Mill  
company, at Imbler, 15 miles north-  
east of here, were destroyed by fire  
Sunday morning, causing a loss of  
\$125,000, about half of which is cov-  
ered by insurance.

## Girls of 16 Die in Creek.

Marshfield.—Vera Harry and May  
Willey, two girls of 16, were drowned  
in a creek at Brewster valley. They  
were bathing in a small stream and  
got beyond their depth.
