### HIGH SCHOOL NOTES

On the evening of January 5, the final tryout for debate was held and the following teams were selected to represent T. H. S.

Affirmative Erwin Schueller Lee Doty

Negative Thomas Coates Areta Everson

The first debates will be held Friday, January 15, when the Gresham Negative team will debate our Affirmative team here, and our Negative team will debate St. Johns at St. Johns.

The question is "Resolved that the United States should own and operate all inter-state R. R. acting as common carriers including inter-state lines competing with them, constitutionally waived.

The debate will be held in the High School Auditorium at 8:00 p. m. Admission 25c.

The Juniors are feeling very proud this week over the fact that they defeated the Senior Basket Ball Team two successive games. The first which was played on January 5, ended with a score of 20 to 12. The lineup was as follows:

Seniors  
Erickson Forward Maddux  
Fletcher " Lamar  
Buel Center Wallace  
J. Erickson Guard Newman  
F. Erickson " Boquist

The score of the second game was 27

to 19 with the same lineup except that Professor Crenshaw played center for the Juniors instead of Buel. This second game was the first which has yet been played here and as a result of it many of the participants are limping around with sprained ankles, sore knees and other ailments.

The preliminary games were played by the Sophomore and Freshman teams. In the first game the Freshmen defeated the Sophomores with a score of 16 to 14, but in the second game the Sophomores got revenge with 14 to their credit while the Freshman could only score 6.

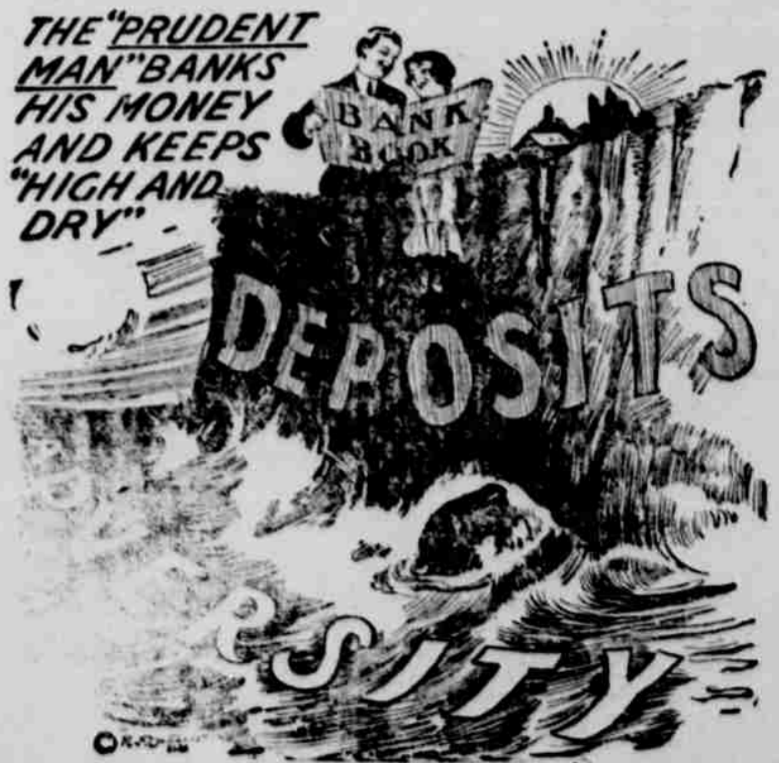

The manager of the High School team is corresponding with several outside teams and it is quite probable that before long we shall play either McMinnville, Forest Grove or Newberg at this place.

Next is the final examinations for the first semester's work. This year an average of 90-95 is required to eliminate the student from examination.
