## Commercial Club In Regular Session

Secretary's Report Given. Port and Other Matters Discussed.

On Monday some sixty members of the Commercial Club met at the club rooms and discussed matters of importance relating to the community.

The first matter to come up was the question of giving the Booster Band honorary membership into the club, as Mr. Watson, manager of the band was not present the matter was continued.

The next question to be taken up was one of entertainment. It was decided to leave this matter entirely in the hands of the entertainment committee, giving that committee the privilege of renting the hall as it sees fit.

On motion the initiation fee was reduced to \$5.00. A special effort will now be made to secure new members with the reduction as an inducement. It is thought that with the addition of 30 new members the monthly dues can be reduced from \$1.00 to \$1.00.

Port matters were discussed and a motion was made and carried asking President Dwight to take up the matter of enlarging the Port and to proceed with it.

The transportation question was next discussed, an effort will be made to secure through reduced rates from Portland to Netarts, and also secure for Tillamook as good a rate as the beach resorts enjoy. The trouble with the Netarts proposition seems to be in the fact that the railway company has been unable to come to any agreement as yet with a bus line operating between this point and Netarts. Whoever carries passengers from this point will have to agree to keep up a regular schedule run on time.

At the conclusion of the business meeting C. W. Talmage introduced Dr. Hanna the foot specialist who is at the Ramsey House, the doctor giving a number of slight of hand tricks for the amusement of the crowd, after which a luncheon was served including coffee and sandwiches and other eatables.

Following is a financial report of the conditions of the club as given by Secretary Worrall. It is a very flattering report and shows the club in a better condition than it has been for some time.

## "THE ROSE OF VIRGINIA."

"The Rose of Virginia" which was played by the Dramatic Club, under the auspices of the Booster Band, at the Opera House on Friday and Saturday evenings was quite well attended. The attendance on Saturday evening was larger than the Friday evening attendance.

The entire cast took their part well, and the consensus of opinion is to the effect that this play is one of the best ever put on here by local talent.

Carl Dawson as Gerald Gordon, took the part of a lawyer splendidly, while Jas. Himer Wm. Osmand, played the part of a villain with much credit.

B. J. McCowell, as Silas Smart, a New Yorker, did some fine acting. Mr. McCowell has had considerable experience in the theatrical business and besides giving his own lines well, deserves much credit for the general supervision of the play.

Herbert Melchior as Judge Mason of Richmond; W. C. Trombley as Col. Lee, a Kentuckian; J. Plasker as Green, the Bank Expert; A. L. McCarthy, as Mose, the Old Servant; and Paris Lamar as officer; all took their part well.

Grace Holland took the part of leading lady, as Rose Mason of Richmond with much credit to herself. Miss Harriett Walker, as her cousin Winifred Mason also played her part well.

We understand that the club may because of request put "The Rose of Virginia" on again on some future date.

## MEETINGS CONTINUE AT U. B. CHURCH

The revival meetings at the U. B. Church are still in progress and much good is being done. Many conversions have been made. Those who have heard Rev. Summerlin, the Evangelist, speak highly of his work. There is a splendid spirit of unanimity among the members of other churches who are assisting in the meetings, and there is no question but that the meetings now in progress will have a lasting and wholesome effect upon the community.

## FOR SALE

A number of good milk cows also one yearling Holstein bull pure bred.
