**Germans Massing Troops at La Bassee**

London.—Dispatches from the battle line in France and Flanders indicate that the Germans are massing troops in the neighborhood of La Bassee, evidently in preparation for a new struggle between Ypres and Courtrai and the allies are further strengthening their forces all along the line in northern France and in Flanders. For the past 24 hours it has been given and taken, each side admitting minor reverses often by surprise.

## The Question Has been Asked:

What effect will the European War have on my Fire Insurance in case I should suffer a Fire Loss?

### And My Reply:

Your Fire Insurance Protection is just as safe with a so-called "Foreign Company" as its invested assets in the United States makes it.

### Facts Worth Knowing:

The United States Insurance of all "Foreign Companies" to all intents and purposes ARE AMERICAN COMPANIES, and are PROTECTED BY THE UNITED STATES AND THE AMERICAN TRUSTEES—GUARANTY OF THE UNITED STATES—of recognized standing and financial ability, and solely for the protection of AMERICAN POLICY HOLDERS.

The SECURITIES in which they must invest are well DEFINED BY LAW and are of a character that can be readily converted into cash in any emergency.

The "Foreign" "Foreign Company" cannot be withdrawn from the United States as long as it has a risk in this country upon its books.

**Your Fire Insurance Protection is Safe with this Agency.**
