DESCRIBES BATTLE NEAR THE the next morning when he draged DALLES.

Veteran of Indian War Carries Ar row Head in His Body to this Day.

(From The Dalles Chronical) At the meeting of the Old Fort Dallas Historical Society yesterday river for some miles and then belt it afternoon at the home of Mrs. Roy

amphell, and West Sth Street, the subject of "Cur Indian Wars" w. again continued. A letter of date January 21, 197

armes by Capana W D Suffwell Back (Tollow Teston) fight that Yould place I many go, 1848 and which it ow in the hands of the secretary

Captain Stillwell is near on years go and is the grand, communiferof the committy, the Government has Indian arrow, the heat of which I work for the macoplexed and to fur of the Back Hollow engagements man at women to farmers and which he graphically describes:

Tom Richardson, the founder of I rolls out for the Tamball company Sufficiell ways "Walkam to Smith a and agen, we suddenly care terap our gons, this hours our meet orreceler, one chief made a season scape. He being see a good horse it are I could get close gazagh for a that at him, which was enough for inn. While I was away Captain. Lee Office. ordered a tetreat, leaving me all choice While hunting my way back to the samp I was cut off by about to Indiites, who charged down on me, tirink ing they had an easy prey. My horse being pretty well winded by this time they soon got close enough to shoot their arrows. While I was dodging them from all sides, my horse gave our so that I could not get her out of s trot. I jumped off and took it stoot Being close to the head of the canyon I won't down. Then commensed a race of rifle and I was not only greatly handicapped in numbers, but they agre mounted on good fresh horses some dismounted and took down the same way I went, while the rest divid d, coming down on each side of the ravine with their horses until they gat me well headed off. * * All were shooting at once and they got so class. Here is another sign of the times—that the United States must take its proper place in the world's markets.

If pr-loot wood to be delivered in basement of its building in Tillamook City by Sept. 1st. 1915. To be four-foot wood, dry and sound. Bids will be received up to Feb. 25th, 1915.

H. T. Botts, President. close that I could not dodge all of

> but I can always feel it." Wounded and fighting for life, Mr. Stillwell hobbled down the canyon, hiding behind boulders and taking a shot at heads that appeared above and relief as may be equitable. shot at heads that appeared above and arrived at the river where he met the Tillamook Herald by order of the Honmen returning and then they had a lively fight where Jackson and Packwood met their fate. This was some miles up the river from the main a week for six weeks and the date of miles up the river from the main a week for six weeks, and the date of the first publication hereof is January night, adding much to the discomfort of the wounded man, it was daylight

himself into camp where no one could believe that he had excaped alive. The colonel wanted to send him back to The Dalles, but avevery man was neded, he went on with them Mr. Stillwell speaks of the "Stag Hollow," which is only another name for "Buck ty, Oregon, will on February 17th, Hollow" as follows: "After breaktast 1915, and date being Wednesday, at
