STRENGTHEN YOUR KIDNEYS

This Treatment is Guaranteed by the **CHARLES I. CLOUGH CO.**

If the kidneys are sluggish in their action, general ill health usually results. Skin affections arise, due to the extra work thrown upon the skin in removing poisonous wastes that should be cared for by the kidneys; heart affections, caused by the pressure of fluids, dammed back by the sluggish kidneys; eye diseases, nervousness, chronic headaches and other ailments.

These are often done in great measure to the poisonous action of matter left in the body.

We want you to try Rexall Kidney Treatment if your kidneys are out of order. We feel the utmost confidence in this treatment, which is especially designed to strengthen the kidneys, restore their normal functions, and help in rebuilding the general health.

Mr. McCowell has been trying to secure the right of production of the four act Comedy Drama "A Soldiers Sweetheart," from Charles Devlin the author, but so far has been unsuccessful. It is to be hoped that it can be secured as this is the latest play out and one that is now being produced in the Eastern theatres with wonderful success. It deals with the European war, and moving picture companies are striving to secure the rights of production. The moving picture privilege will not be used until the play has had its regular run on the stage, so it will be a long time before the play can hope to be seen in the movies. Mr. McCowell thinks there is nothing too good for the Dramatic Club, and in a short time it will be known if this play can be secured, but there is but very little hope of getting it so far, but he is still trying.

BRIEF NEWS OF OREGON

E. Lee Campbell was appointed by President Wilson as postmaster at Eugene.

The first farmers' short course in Baker, under the extension service of the Oregon Agricultural college, held a three-days' session with a large attendance of farmers and their wives.

M. S. Pittman, head of the rural school department of the Oregon normal school, has gone east to inspect rural schools and study methods to stimulate competition in Oregon schools.

David J. Palmer, commander-in-chief of the Grand Army of the Republic, arrived in Portland accompanied by his wife and after spending the day inspecting the local posts left for San Francisco.

Official opening of the Willamette Valley Southern railway, the line built against great obstacles by the business men and professional men of Clackamas county, was observed in Oregon City Saturday.

Representative Hinnot and Senator Borah have introduced resolutions authorizing the appointment of a committee of three senators and nine representatives to attend the formal opening of the Cello Canal May 5.

Clatsop county will have a special exhibit at the Panama-Pacific exposition. This was decided when the county court appropriated \$500 to defray the expense of transporting the exhibit south and placing it in position.

One fatal accident was reported to Labor Commissioner Hoff this week, being the first for several weeks. A total of 27 accidents was reported, 19 in railroad employment. The fatal accident occurred in the logging industry.

A potato starch plant costing from \$10,000 to \$15,000 and properly conducted during a season will take care of the soil product from about 5000 acres, according to figures gathered by the University of Oregon school of commerce.

Mrs. John Killebony, wife of a prominent Hesperia woodgrower, was killed instantly at the Hotel Pendleton at Pendleton by falling down the elevator shaft. She dropped three stories, landing on the concrete floor of the basement.

The farmers' institute at Woodburn was a pronounced success in every respect. More than 500 farmers were guests at the luncheon of the Woodburn Retail Dealers' association in the evening. This was the largest gathering of the kind in the history of Marion county.

The district forester at Portland announces that bids have just been opened for a body of timber, amounting to 200,000 feet, which has recently been advertised on the Minam national forest in eastern Oregon. The sale was awarded to Robert M. Betts of Corvallis.

The Smith-Bowers logging railroad running from Myrtle Point southward along the south bank of the Coquille river for 25 miles is encouraging development in the territory it traverses. Among the most important items of enterprise is the construction of a creamery six miles from Myrtle Point.

The senate appropriations committee, in reporting the sundry civil bill refused to accept the amendment, recommended by Secretary of the Interior Lane, making an appropriation of \$50,000 for the co-operative Deschutes irrigation project, conditioned on a like appropriation by the state of Oregon.

With record sessions the religious educational institute, which had been in session for the past three days, adjourned at Albany. The institute was conducted as an inter-denominational gathering by the educational directors of Sunday school work for the Pacific northwest, in the Presbyterian, Congregational, Christian and Baptist churches.

The Portland Commercial Club and the Chamber of Commerce as separate bodies have ceased to exist and have merged into one strong organization which will be known as the Portland Chamber of Commerce and which will comprise the membership of both the former bodies. The commercial club will be retained as one department of the general organization.

Farmers of Baker county in the vicinity of Wauville, Peabontas, Haines, Fairview and Missouri Flat are realizing the benefits of concerted action on the roads. Near Baker the roads which until this year have been virtually impassable, because of mud in rainy weather and after a thaw, are this year solid highways. This is the result of good roads days held by the farmers of these sections last fall.

Following the large enrollment at the beginning of the second semester, the announcement has been made by J. H. Ackerman, president of the Oregon normal school at Monmouth, that a standard of 100 graduates a year has been set by the school and that with the legislature's recent appropriation of \$50,000 for the erection of a new training school building, an impetus has been given the work of the school for this year.

Lands Cheaply Logged Off

Feeney-Bremer Co., Put Economical Land Clearing Machine on Market

Tillamook, Oregon.
 The Feeney-Bremer Co. has just completed a very economical device for clearing land in the shape of a gasoline donkey engine, equipped with a 19 h. p. heavy duty engine. The total weight of the machinery is 5,200 lbs. mounted on a straight line by its own power.

The donkey part consists of a double drum, double friction, equipped with breaks. It has 400 feet of 1/2 in. cable and 800 feet of 3/4 inch cable. As a demonstration it recently pulled with ease a 20 foot log 3 feet in diameter over rough ground. Anyone wishing a demonstration of the workings of the machine can witness the same by calling at the Feeney-Bremer Co. Works.

The price for the above equipment ranges from \$700 for 10 h. p. up, larger sizes costing accordingly.

The engine consumes distillate, consuming 6 gallons in 10 hours, cost 10c. a gallon.

The engine used is detachable and can be used for other things.

Feeney-Bremer Co. are offering a fine proposition for two or more farmers who wish to go in together on a device that will clear their land cheaply and easily. Two men can run the machinery used and handle it successfully.

Those who may have use for such a machine will do well to investigate.
