about your plan" and I think I step were talking, Carpenter come in, as I thing to do," I said "I said I think to being down with him. I never saw Judge, I fealize your age and physical post into the cub rooms, I was gone remember, and when he came in peal mito the cour rooms. I was gone remember, and when he came in a little while and when I came took. White and he went to talking, and I they were still talking. The idea was excused myself and stepped into the that Carpenter should get mother club rooms, to get away more than a great him and I think to bring down with him. I never saw holder. They said so there is no have constituent to bring down with him. I never saw holder than the peal mito the cause of his manua to get the children in the peal mito the cause of his manua to get the children in the peal mito the cause of his manua to get the children in the peal mito the peal mito the cause of his manua to get the children in the peal mito the cause of his manua to get the children in the peal mito the peal mito the cause of his manua to get the children in the peal mito the peal mito the cause of his manua to get the children in the peal mito the peal mi that Carpenter should get inother club rooms, to get away more than a great bue and cry about it. It is man to help him, that he had seen to anything else, from it, and then I possible you are being watched, and there. I think it was a man who also went from the club rooms are use it you make an effort to liash the answered the advertisement and private room on the other sale of the birds. (I think I expressed it) "they there. I think it was a man who also answered the advertisement. And to think this was alte of the men and the many and fast took the state of the men and corrected so. So the matter three was left until they should send for this other man to came down I should hear if. He soon came shown and they met White at my inflice and taked the matter over and went up to White's house. That man should hear if the soon came shown and they met White at my inflice and taked the matter over and went up to White's house. That man should hear if they said they were and went up to White's not are found days. They was any to White's not are found and they wall that the ward of the matter over and went up to White's not are found as a local through the ward. I wasn't write them, all I know was I was told in error wards White gave them some manue. How much I should not have treat the other one received and White decarded on the found the treat the other one received and they were a same bear in some manue. How much I should not have treat the other one received and the said they were a same bear is some paper than any one of the paper and bear in there at the other one received and the said the bad mapped and in his feath he said he had mapped and in his feath he said he had mapped and in his feath he said he had mapped and in his feath he said he had mapped and in his feath he said he had mapped and in his feath he said he had he letter at known had a said the paper and paper and

and take him out said the him up and cause him to other a leater to his wife to give the cludden to White. was fixed at that tune, at a the said White was to have the children and was to get them an that was that the anti-rest shrings from its White swaps claimed that he is bedearmaled him misroprocured binarity that he maderatoral M a first was to have be its claimed and may be from the control of the same to have been supported in the same to have been supported in the same supported in the s

did positive two or three den's too I have being. To White, the next any some him, they can blank showing me are order from White to give inon the money, which I and I dole't see them and more until thinks a day or so other that I inquired at the Ramary Floral where they were mopping, if they were there, and the clerk paid me they left on the from that meaning. Thin is the last I saw of either of them until I think it was six or seven days after that, thus Carrenter cannot have after that, then Carrenter cannot have after that, then Carrenter cannot have after that, then Carrenter cannot be suffer that. days after that. Then Carpenter our to my office one night, possibly about its o'clock when I was sixin. got to have some more money said I haven't not any "White have paid me unything except my expens or two trips, and I haven't got a cenand if you want any more money you will have to see White," I said "I so getting tired of the whole thing t ting my head mro trouble and gettin nothing for it." Something like the I don't remember the exact verbage He wanted me to see White and I told him if he wanted to see White. he could go and see him, as he knew where he lived. We sat there, talking awhile, not very long, and I asked bim where his partner was, and he said down on the street waiting for

I don't remember the little details following, as I say, my mind is not what it should be now. In any event, he left there between eleven and twelve o'clock, and said he was going up to see White. I remember Carpenter said in that conversation that he wanted to get this thing over with and "get to hell out of here" that he was tired of it, and his partner also and they would have to have some more money. That was the hue and ery all the time he ever saw me or White, was money, money. And he went, or so he said, all I know, went up to see White, and the next evening, about seven thirty I think, White walked into my office and says "Have you seen Carpenter?" and I says "No", and he says, "He is to meet me here at eight o'clock, he was up to see me and I gave him some beans and one thing and another to beans and one thing and another to eat," and we were sitting there talk-ing and I told White this thing was getting pretty dangerous and I thought the best thing to do would be to get away from it, and he got to talking in his mania about the children, and said he was going to have no matter what happened. I told him I was getting tired of it, something like that, didn't like the appearance of things. And while we

the alesk with paper and period. Two settless and hardly ever wide and then the market the fine they ting reading partially and the fine they there exists a period, and then the market the fine they were talking. The latter were everythe development of the plan as 1 remains and the market the fine they were talking the plan as 1 remains and the market the fine they were talking the plan as 1 remains and the market the fine they were the fine the fine they were the fine they were the fine they were the fine they were the

I forgot ther doe will Mrs. Arthur Reals, and I cold her any time, I would see and I cold her any time, I would tall dryssing, so she come up the trusy and more my office. I was I in my private morn putting or ere who wanted to see me, by Mr liket I went across and Mrs. Beab a there. She got up and said she sitted to me me privately. We step darked out of the back rooms of the nereial club, and she said "Ar-doors locked?" So I scart am all the lately on the three sloor-Had our chairs up close together of she said she was in trouble, and ole a letter out of her purse or hard or which she carried. While I think st, I will have to give these thinthey came to me .- There was on Ik there the last night they met, i event Beals wouldn't sign on tier or do anothing, and Carperts aid "What shall I do with him?" we got to get to hell out of here of his favorus extression. What will I do let him loose?"

was to turn him over to White. He said "I will take care of him" with a sort of a grin or something. There something about "I will get the Now go back to the room where Mrs. Beals and I were. I thought she was in a great deal of suffering and agony, she handed me the letter she said she had got that morning, slipped under her door. I asked her where and she said at the Elmore ranch where they were living. I read the letter. She said it was in Arthur Beal's hand writing, I dont know of course, But she said it was in his hand writing. I presume the letter is still in existence. I can't try and recall what was in it now. It was written in indelible pencil of some de-scription. Then she took out a bunch of bills and says "Here is \$800." She didn't count it, and I didn't. "You didn't count it, and I didn't. "You take this money and go and get Arthur" she said. I said, "I don't want the money, Mrs. Beals, I won't have a thing to do with it. I won't handle it. It is blood money. She kept insisting on it. I said "No, I don't want the money. Your husband says to do so and so with the money. If you want to follow his advice, that is the White is at the bestern of the

White said "No, not to let him loose

ut to bring him to my house." Car

senter said something about bringing

talk between them as to bringing him to the house or go get White and bring him where Beals was, the talk

him there, anyway there was some

distributed from the detter. It has "You take in and I will go back appearance, from the papers and game." I said No, you stay in town or where I can yearh you by phone htt. Warradt I did at the type "He is at the bottom of this, I know against Carpenter said be couldn't that, and no works on the section, and I didn't are I will try and lind hum Then the works in myself and the send she would go to Mrs. Geo. to write it myself she said she would go to Mrs. Gen Arison Is this the letter Mr. I you've and I told for I would place the was to sign and wind to his face. This was about cleven, and I said. I will phone you about these, average No do letter be were and fell you what progress the same for the parameteral from mode in the matter. I think that was been there, the general lane of talk. She thanked now the life was at the time, in very much my it. She said she is accorded tell one what to write data's third the money, the ward. "I Caspenjer kept making success can got plottle of those money if I sell the flooglit was to make the want at 1 and 7 I and 7 I don't wont any of the sell the properties sold "I sell pt" Son and "I can give up the also it is western in the proper was, "All store and the money, but I want was any of the place was, "All store and the money, but I want was any the place in that other Arthur," I will do anything to sell sery was some talk came up about the plan. I said "I think the beschiefe effects to less write to dezas you want a rities she asked our torge money or ment that money was I want. I will thek a couple of good given its the letter acts forth, to promy pocked and we will find a think unite, down in front of the Fair hardy clocked, and we will find a think unite, down in front of the Fair hardy clocked, and we will find a think unite.
