

BRIEF NEWS OF OREGON

The Eugene board of health is now receiving bids for the construction of a reinforced concrete sewer of 2,000-600 gallons capacity.

Plans for new theaters have been prepared for Astoria that public market. It will be one of the most modern markets on the coast.

Prices for wheat, feedstuffs, and all other crops in eastern Oregon have advanced at Baker to take part in the body work services.

The Portland Chamber of Commerce completed a year's campaign with a membership of 4,297—the largest chamber of commerce in the world.

The C. A. Smith Lumber company of Marshfield, has opened a large logging camp between Marshfield and the Siuslaw river, employing 100 men.

Milliard will have a merchants' association, steps having been taken to perfect the same at an early date. It will start out with a membership of about 50.

Statistics show that the women's clubs at the University of Oregon have a higher average in scholastic standing than the highest grade high school in the state.

Plans for a new highway for the organization of a General Contractors' association for Linn and Benton counties, will in a few days be effected by the middle of April.

Impaired business conditions in Oregon are reflected in several items of the remitted statements of state and national banks of Oregon, made March 27, according to State Bank Superintendent Sargent.

Admission has been received by State Engineer Lewis that the three new boxes of the newly-created California water commission will arrive here April 1, to make a study of the water code of this state.

Twenty-one days after it had been attacked and bitten by a rabid coyote, a 225 work horse owned by D. E. Erickson, of Oya Dell, near La Grange, fell a victim of rabies and, after hours of suffering, was dead.

Will plants present from all parts of the surrounding country, Albany Saturday celebrated its second monthly public sale day. It was reported a great success and it is estimated that about \$150,000 worth of property changed hands.

A junior commercial club, composed of 120 Eugene boys, to form a training school for the development of a future Eugene "spirit" and to carry along the work of the commercial club in future years, has been proposed at Eugene.

Oreanologists in the district lying south of Portland, alarmed by the continued drought which threatens to repeat the disaster of 1914, have organized an irrigation system of their own and expect to have water on the land by May 1.

The wasteful deposits found in the beach sands just north of the entrance to Nehalem Bay have been declared to be seaweed by the geological survey report just issued. This is contrary to the theory held by many that the deposits were some form of petroleum.

Secretary of State Orrell has announced that there was an increase in the motor vehicle licenses issued this year of about 43 per cent over that for the same period in 1914. The total number of licenses issued this year is 14,169, not including motorcycle licenses.

Libby, McNair & Libby, packers, have located upon The Pacific location for their proposed Pacific northwest plant and construction at once. The plant will cost \$50,000 completed. Employment will probably be given to about 250 persons during the first building season.

Forty-three accidents, none fatal, were reported to Labor Commissioner Hoff during the week. Eight of the accidents occurred in paper mills and seven in machine shops. Thirteen accidents occurred among those engaged in the work of logging industries, while seven were hurt on railroads.

James B. Winters, of Portland, submitted the lowest bid for the construction of the postoffice building at Pendleton, for which an appropriation of \$125,000 has been made. His figure for construction was \$84,457 and for materials \$4,387. The building will be two stories of fireproof construction.

The Mazamas of Portland now have a state organization recently formed in southern Oregon and known as "Grimettes." The new club will follow along lines similar to the Mazamas and will foster the idea of verifying historical events and locations, and of marking the latter with suitable monuments.

The Coast Artillery Corps will hold its coast defense exercises at Fort Stevens at the mouth of the Columbia for 12 days, beginning June 15 and ending June 27, according to an order issued by Adjutant-General White. The drill will include practice in the use and firing of the big 16-inch and 12-inch guns at the fort, under the instruction of the men of the regular army stationed there. The various calculations in higher mathematics, by means of which the guns are aimed to sink vessels out of sight of the land, will also be a feature of the drill.

OREGON NEWS NOTES OF GENERAL INTEREST

Events Occurring Throughout the State During the Past Week.

Tax Ruling is Made.

Salem.—County courts have authorized to order alterations made in assessments after the county equalization boards have finished their work, according to an announcement by the state tax commission. The ruling was made in connection with an answer to a letter of the tax collector of Baker county, who said that the county court had issued an order for him to make an alteration in an assessment, and he declined to do it. The commission held that if a taxpayer were dissatisfied with an assessment he should appear before the board of equalization, and if not satisfied with its findings, could appeal to the circuit court.

Claim Filed For Extra Road Work.

Portland.—Peterson & Johnson, subcontractors under the Bayview-Arnold contract in clearing and grading the Columbia Highway between here and Westport, have filed a claim with the county court demanding \$7,221.77 alleged to be due for extra work and as a result of wrong classification of material used.

Accompanying the claim was another including \$258.52 for engineering services in checking over the work and \$671.42 as interest on the original sum.

Man Is Lost 11 Days.

Grants Pass.—An incident, which has just passed on into history, is that of "Old Man" Patten, aged 73 years, a well-known character in the Grants Pass country, who had been lost in the mountains for the last 11 days. After wandering in a single shoe leaving a trail, he was found by a search party on March 15. Mr. Patten was picked up by miners near Walden. His hands and feet were frozen and for 11 days he had been wandering in a dazed and half-conscious condition.
