CLASS OF TWENTY-THREE MEMBERS GRADUATE.

The graduating exercises of the
Tillamook High School which were held
at the Christian Church last Friday
evening were well attended. Twenty-
three pupils graduated, this being the
largest class that ever graduated from
our high school.

The first number on the program was
an orchestra selection by Melice's or-
chestra which was much appreciated.

The next number was the salutatory
given by Howard Lamar. This address
was a fine effort, showed polish, and
brought out many good thoughts.

The next number was a piano solo by
Zephania Switzer. Miss Switzer is a
genius. Her technique is splendid and
she is a born musician.

The valedictory was delivered by Miss
Freda Schnuelle. Her address was of
some length and showed much thought
and careful preparation. It was inter-
esting.

The address of the evening was the
next number on the program, the
speaker, Congressman C. N. McArthur
of Portland, now being introduced by
H. T. Botts, chairman of the school
board. Congressman McArthur gave
a very good talk, his remarks being
mainly to the class, and composed of
good sound advice.

After the address of the evening
Prof. Karl Onthank presented the class
in a few well chosen words, commend-
ing the class in many ways.

The presentation of the diplomas
was the next number. H. T. Botts
making a few well chosen remarks.

thanks to our relatives and friends for
the courtesies and kindnesses shown us
in the recent illness and death of our
son and brother Robert De Lacy Kerr.
Mr. and Mrs. H. P. Kerr,
Sanford Allen Kerr.

SERIOUSLY SCALDED.

(From Courier.)

While Mrs. Johnson was carrying a
boiler of scalding water Monday her
foot slipped on the wet boards of the
porch and she fell partly in the boiler
splashing the water over her. She
was badly scalded about the arm,
neck and back and hips. The lady be-
came unconscious and remained so
until found, possibly two hours after
the accident. Dr. Shearer was sum-
moned and dressed the wounds. On
account of the ladies age, 64 years,
the burns are stubborn in healing, but
we are advised by the physician that
Mrs. Jensen is improving as rapidly
as could be expected.
