## SCIENCE IS HELPING TO MAKE THE WORLD BETTER.

An apparatus has recently been put into use that enables the recording and reproduction of telephone messages. This is the first time that a person's voice can be recorded and reproduced. This is the first time that a person's voice can be recorded and reproduced.

William Marconi, inventor of the wireless telegraph, who has been called the father of radio, has recently invented a device which makes it possible for a person to speak through a wall and be heard on the other side. This is the first time that a person's voice can be transmitted through a wall.

## ABOUT BELGIUM.

In the midst of so much in connection with the great war in Europe that is dishonouring and dishonourable to humanity, there is one bright picture that goes very far to redeem humanity and keep alive faith in ultimate human goodness. The reference is to the extraordinary way in which the American Commission for Relief in Belgium has taken up the cause of that stricken land and is keeping its population from starvation. The commission has taken up the cause of that stricken land and is keeping its population from starvation.

Intelligence were first absorbed in their own efforts to maintain it. It is reported that they were able to secure a discharge from the camp. It is reported that they were able to secure a discharge from the camp.

## To Those Who Appreciate High Class Photography

### ANNOUNCEMENT

Having given up our interests in MONK'S STUDIO at Tillamook, and still desiring to give the people of this county an opportunity to secure the best portraiture this side of Portland at prices no higher than those charged for a very inferior grade of work

WE OFFER THE FOLLOWING INDUCEMENT TO PATRONS FROM POINTS ADJACENT TO BAY CITY Complete railway fare will be refunded on all orders for photographic work amounting to five dollars.

This applies only on trips to our studio from points between and including Tillamook and Bay View.

Make your appointments by telephoning Bay City, 212. Transportation facilities on the P. R. & N. Allow sufficient time for a convenient trip from either direction.

You can well afford to visit our display galleries, the quality of work shown is a revelation in photographic science, and positively cannot be duplicated or excelled in this state outside the higher class shops of Portland.

Call to-day and arrange for that picture. Our special offer in effect until June 25th, 1915. Remember SATISFACTION GUARANTEED.
