BIG OUTPUT OF MILK AND CHEESE.

Tillamook Cheese for 1914 Brought \$654,374 Into the County.

(By Fred C. Baker.)

Tillamuok County produced 38,593,191 pounds of milk and manufactured 4,290,510 pounds of cheese in 1914, which is an increase over the previous This sold for \$654,374.46

This, in a low words, is the record of the banner cheese section of Orcgon and the Northwest Notwithstanding fluctuations in the markets last year, and the uncertainties of free trade, Tillamook cheese, held its, own in price, the average being but a trifle below 1913, when it was 15.45 cents per pound and last year it was its 38 cents per pound. The average price for butter fat was 38 32 crits for the year, and the average price of cheese for the past

The records of the Maple Leat Creamery show that this cheese factory the past ten years received 39.803,423 pounds of milk; manufactured 4.336,067 pounds of cheese, which sold for \$628,287.88. This is considered a wonderful record, the factory new receiving three times the amount of milk that it did when this co-operative factory was organized in 1901.

Last year to of the competative cheese factories, which comprise the Tillamook County Creamery Association, were under the supervision of an inspector, F. W. Christensen, who is an experienced cheese maker and temployed by the association, By this arrangement a uniform grade of cheese i turned out, and manufactured under strictly sanitary arrangements. He visits each cherse factors every few days, and grades the chrese, which, if found at first grade, is stamped and wald as such, Mr. Christensen graded 130,246 triplets and 10.758 Young Americas last year, and of this only 24 Young Americas and 2040 triplets were found below first grade, and these were sold as seconds. The cheese inspected amounted to 1,508,843 pounds.

The bolk of Tillamook cheese was sold by Carl Haberlack, who disposed of £004.458 pounds less year, large quantities going to California, Wash ington, Idaho and other markets. During the past seven years he has sold over twenty million pounds of cheese and handled over three million dollars of the dairymen's money in a most satisfactory manner, having made a great success as secretary and salesman, this being brough about by a splendid system of co-operation with the different co-operative associations, not only in marketing the cheese but in placing a first class grade of cheese on the market, the tame of which is known all over the Northwest.

Maple Leaf Creamery was again the hanner cheese factory with a total of 4.801.081 pounds of milk, The Tillamook Creamery came next with 4.152. 080 pounds of milk, with the Fairview Dairy Association a close third with 4.07% 036 pounds. These three factories received 13.063,106 pounds of milk last year which was manufactured into 4,470,121 pounds of cheese, and sold for \$2,0,280.98 These three cheese factories are, probably, the largest in

JUNE WEDDING

At eight o'clock p. m. on June 2nd, at the home of the bride's parents Mr. and Mrs. Al Forkner, near Beaver, Ore., Mr. Fredrick Bronner and Miss Etta Forkner were united in marriage under an artistic arch made of white hawthern, ivy and roses. The beautiful ring ceremony was read by Rev. Dora Young, Miss Thelma the four year old sister of the bride acting as ring bearer; Miss Roxie Wood was bridesmaid and Robt. Forkner borther of the bride was best man. Mr. Bronner is manager of the stamp department at Irwin-Hodson Co., Portland. Miss Forkner has worked at Olds, Wortman & King in the silk department for the past four years. The Bride carried brides roses and was dresesd in light blue silk trimmed in old rose. A fine supper was served. Hesides the immediate family was Lloyd Woods and Miss Gladys Davis and Robt. Mc-Cleay and family.

Winners of School Track Meet.

Seventh grade won the cup which a number of the merchants of the city have put up for the grade showing u cat in the spring track meets which closed with the meet last Friday at termoon. Fourth and lifth grades tied for second place.

the hoys were classified according to beight, boys of about the same height competing in each class. The points won by the boys of each grade from the fourth to the eighth inclusive were added together and this sum divided by the number of boys in the room. This tended to atimulate every boy to take part.

The running broad jump and the 100 yard dash were the two events in which the boys competed Friday Winners of first places in the five classes in the broad jump were Ivan hnight, Lealie Conover, Erness Dodge, Jesse Shortlidge and Arthur Harris. Second place winners in this event were Russell McKenzie, James Campbell, Percy Thayer, Goeifry O'Donnell and Altred Smith. Winners of thirds were William Monroe Bob Switzer, Willie Campbell, La and Dorr and Arthur Travis. In the 100 yard dash Ernest Dodge, James Campbell, Arthur Travia. Knight and Leslie Conover took firsts Car Knight, Alfred Smith, Schuy Scher, Warren Foland and Arthur Harris seconds, and Jim min Watson, Jease Shortlidge, Herbet loves, Bub Switzer and Geoffrey O'Donnell third places. Ribbons were awarded the winners of these places at Koch's Drug store Saturday. The cup won by the aeventh grade, is on exhibition in the window of Harris jewelery store. The Tillamnok Head light kindly did the printing on the ribbons awarded at this part of the

When the Portland Rose Festival opens the morning of June 9th more than 7,000 school children will be seen in a great parade in which many narvelous features will be introduced collowing this will be the crowning of Queen Kose with a Festival center and later in the day 4,000 children will be heard in concert.
