

Look Out For SUNBURN

DON'T let the sun blister and burn away your complexion. There is nothing attractive about a red blistered skin, even in summer, and you will have a greater cause for regret next winter when you find you have ruined your complexion for good.

We can help you to safeguard your complexion through the hot season. We have a number of popular remedies for removing sunburn, freckles, and all blemishes caused by exposure to the sun, wind and weather.

The bids are all in for the hard surfacing of our county roads. The concrete men seem to have by far the best of it. However, the court has not yet decided who shall have the contract. It seems to lay between those bids which require crushed rock and those which require gravel. Decision will be made today.

While driving south of town to the home of Miss Neva Hyblorn, after the entertainment at the Christian Church last Friday evening, Chester McGinn and Miss Hyblorn had a narrow escape from fatal injury. About a mile from town they met an auto from Cloverdale which had dim lights and in dodging the auto their horse which was galloping at a good speed ran into a large tree throwing himself and occupants of the buggy to the ground. Chester sustained a dislocated elbow joint and thumb and was knocked unconscious. Miss Hyblorn was also struck and quite badly but soon regained herself. Chester was put into the auto and brought to town at once. However, he did not regain his consciousness until after he reached the Dr.'s office. He has suffered considerably, but is now feeling stronger and will soon recover.

Incorrectly prescribed glasses in excess eye strain, deform the eyes, and make of your later years a time of permanently dimmed vision. Such glasses are common enough, but are eye destroyers and the product of inexperienced opticians. On the other hand, correctly prescribed glasses save the eye from strain, increase their usefulness and for you, if you wear them the day of dimmed vision may never arrive. Such glasses are eye builders and are prescribed by long experienced eye specialists. Drs. Lowe and Turner have had years of hard practical experience as exclusive eye specialists. This is no idle line, for they devote their entire time, energy and effort exclusively to the eye, coupled with their being educated in the best schools and their many years experience makes them safe persons for you to consult. Consult them at Jenkins Jewelry Store Fri. and Sat. June 25-26. At Cloverdale Tues. June 23, at Beaver West, June 23 and Bay City Thursday June 24th.

WOODROW WILSON

A recent picture of President Wilson, who is facing many critical international complications.

BOYS TAKEN FROM MEXICAN CAPTORS

Nogales, Ariz.—A posse of 10 American cowboys and miners rode eight miles across the border into Santa Cruz, Sonora, Saturday, and, leveling their guns at the colliery commanding the garrison, while 150 Mexican soldiers looked on, secured the immediate release of two American boys kidnapped by three of the soldiers on the Arizona side of the border earlier in the day.

Three Mexican soldiers crossed to the American side of the boundary at Washington Camp, 25 miles east of here, and kidnaped two 17-year-old boys, George Vaughn, son of the storekeeper at Duquesne, and Henry Chang, son of a Chinese-American citizen of Washington Camp.

Santa Cruz is garrisoned by forces of Jose Maytorena, the Villa governor of Sonora. Washington Camp, where the Mexicans captured the boys, and Duquesne are border settlements 25 miles east of here.

3 MIDSHIPMEN EXPELLED

President Orders Inquiry Involving Alleged Misconduct in Examination.

Washington—The "honor" system at the Annapolis Navy Academy is on trial. Three midshipmen's expulsion and an inquiry into alleged misconduct in examinations of more than 100 others, including members of the graduating class, were ordered by President Wilson and Secretary of the Navy Daniels.

The annual examination "cribbing scandal" was declared by Secretary Daniels to be the most widespread in the history of the academy. Members of all classes are involved.

Portland Holds Election.

Portland, Or.—Portland apparently elected George L. Baker to succeed William L. Brewster, and re-elected C. A. Bigelow, as city commissioners; re-elected A. L. Barbur as city auditor; defeated Commissioner Daly's referred ordinance to install water meters throughout the city; rejected the plan for municipal collection of garbage; ratified the ordinance to regulate jitneys; decided to allow grocery stores to remain open on Sundays; and authorized the annexation of St. Johns and Linnton, two of its most populous suburbs.

Lynch is Selected to Lead Democrats.

Washington—Fred Lynch, national committeeman from Minnesota, was selected chairman of the executive committee of the democratic national committee to succeed A. Mitchell Palmer, resigned to report for a place on the United States court of claims bench.

Villa is Reported Badly Defeated.

Vera Cruz—Defeat of the forces of General Angeles and Villa, the capture of the town of Leon and all of Villa's trains and artillery was announced in a report of General Obregon, of the Carranza army, received here.
