REFORMING A SAVAGE

After the Treatment He Became a Gentlemanly Chap.

In "Among the Primitive People," John H. Weeks tells the story of a chief, Manupya, of Kinkon, who was captured on him at Wallon station.

Manupya at one time treated people of his own in a very cruel manner. He was always ready to kill on one plea or another.

At last they could bear no more. They were driven to the edge of the bay, and they were driven to the edge of the bay.

Then they were driven to the edge of the bay, and they were driven to the edge of the bay.

At last they took him out of the bay, and they were driven to the edge of the bay.

He used to be a very cruel man, but now he is a gentlemanly chap.

He is now a gentlemanly chap, and he is now a gentlemanly chap.

He is now a gentlemanly chap, and he is now a gentlemanly chap.
