

ROYAL HUNGARIAN ORCHESTRA

AT TILLAMOOK CHAUTAUQUA, JULY 12 to 17

An event of the greatest interest to music lovers of this community is the coming of this company of artists. They are among the best in the entire United States, and the booking arrangements made by the Edison-White Chautauqua System justify them to be here for two days, an extraordinary musical engagement. This is a striking group of musicians, every one a soloist of exceptional ability. The great mass of various nations will be presented by this organization, and it will thrill and interest and stir you if there is a music lover in you. Don't miss these great concerts.

REDMEN VS. BEAVER

The Redmen league team will play Beaver at the local diamond next Sunday. The Indians have been having a hard time getting rid of the hoodies which was transferred to them when they took Nehalem's place in the County league, but are determined to add some figures to their percentage column this time. The batteries for Sunday's game will probably be Koch and Rowin for the Redmen, and King and Fordham for Beaver. The game will be called at 2 p. m. This will be the first appearance of the new league team on the local diamond.

CHAUTAUQUA ADVANCE

MAN IS IN TOWN.

He Tells of Attractions to Appear At Local Chautauqua.

Harry W. Hurd, advance agent of the Edison-White Chautauqua system, arrived in town yesterday full of good cheer and Chautauqua enthusiasm. Mr. Hurd is to remain in the city until the opening of the Chautauqua and will help with the many details necessary for a successful Chautauqua.

He has just come from some of the communities in California and Eastern Oregon where successful Chautauquas have been held, and says that the program is the best that has ever been brought to a Western Chautauqua platform. He says that every number is pleasing and thus far every town on the system has renewed a contract for next year.

Witepskie and his great orchestra are especially making good. According to Mr. Hurd, Witepskie is a master leader and directs his company of accomplished musicians with a grace that does not accompany most conductors. With the Hungarian Orchestra is Miss Charlotte Bergh a Prima Donna soprano of international reputation. She has been on the western Chautauqua before and is very favorably known to music lovers.

"Altogether, I think the program will be far greater than you people here in Tillamook even expect," stated Mr. Hurd. "Everywhere the people are being greatly pleased and so impressed with the immensity of this great educational and entertaining movement that the Chautauqua is now an established institution in fifty towns and cities that have never before held these great assemblies."
