Dave Churchill has been appointed chairman of the parade committee. The parade will be one of the big events of the program and will be on the last day of the fair, Grand day, August 27th. The Fair Board will offer \$20,000 in prizes for the parade which will be divided as follows: For best float from any fraternal order, \$1,000; Second \$500; third \$200. For the best business man's float, \$1,000; Second \$500. For the most unique float \$500. A prize will also be given for the most skilled horsewoman. The ladies will join in the parade and the horseshoe tying contest will be held at the fair grounds after the parade. This will be the big feature of the program, and it will depict the hardships and dangers incident to early frontier life.

All contestants who wish to take part in any of the events detailed in the official program should enter by notifying Mr. Callahan before the day on which the event will be held. DROWNED ON TRASK WHILE SWIMMING

On Sunday afternoon Earl Nelson, who has been employed in one of our cheese factories, met his death by drowning in the Trask River near the Earl place.

It seems that he and a party of young folks had been boating on the river and that he had gone in bathing, and while in the water he took cramps and before he could be helped he drowned. Dr. Wendt was called at once and they worked over him for two hours, but to no avail.

Deceased was the son of Axel Nelson of Hebo. His people were at once notified and the body was taken to Hebo where funeral services were held on Monday, conducted by Rev. F. S. Ford of Cloverdale.

"SAMSON" IN 5 REELS
For Friday, Aug. 20th

This picture has William Farnum in the leading role. It is his greatest success since the "Spoilers." Edgar Lewis, the producer of "Samson," has spared neither pains nor expense and has created a screen spectacle which surpasses the original play in driving force and virility. Don't forget the date and the place.

Note: This is not a biblical play as the name might suggest, but a stirring society drama.
