## Homesteaders Fair At Nestucca Grange

Date of Fair is Saturday Sept. 18th.  
Good Program Has Been Provided For

On Saturday, September 18th, the Nestucca Grange, the membership of which resides in the vicinity of Beaver and along the Nestucca River leading back into the hills among the homesteaders, will conduct a homesteaders fair. While the fair is called the Homesteaders Fair, and the homesteaders in that locality are taking an active part in its management, others have been invited to put products on exhibition and it is anticipated that a very good showing will be made.

Following is the program of the day: Parade at 9:30 a. m. Prize of \$3.50 will be given for the best family float.

A good ball game at 10 a. m. sharp. An interesting address at 11 a. m. by Wm. S. U'Ren of Portland. The subject will be Single-tax and its advantages, and the speaker will answer any and all questions handed in on paper so don't fail to be there with your question, and then grunt around and say he can't prove it. Give him a chance.

At 12 sharp the big feed to which all are invited—To Bring Their Baskets and enjoy the hour. Hot coffee will be served with sandwiches for the benefit of those who may not care to bother with a basket.

At 1 p. m. starts the big hour of songs and speaking.

At 2 p. m. the glad hour of races and frolic such as the potato race, the sack race, the fatman race the boys barefooted race and many other interesting races followed by a tur. of war by the married men and the single men.

Come out and laugh and grow fat, and bring your best girl and if you can't get her, bring George's. Ask Hal Anderson.

## BUSINESS MEN GET REVENGE.

The business men's base ball team after being thoroughly walloped by the Farmers before a large crowd during the County fair showed their ability to "Come Back" Sunday when they met and cleaned these same Jersey-appers to a revengeful tune of 25 to 5. Lucas who was the pitching wonder in the previous game for the Rubes fell a victim to the terrible slugging of Koch's men in the second inning, and was replaced by Driscoll, who was likewise pounded and relieved after three weary frames. Oliver and Wheeler next took their turns but without

any noticeable effect on the professional's batting.

The game was a comedy of hits and errors and was enjoyed by a goodly number of fans.

The batteries for the game: Business men, Koch and Wallace. Farmers, Lucas, Driscoll, Oliver, Wheeler and Erickson.

Score by innings.	R	H	E
Bus. Men 2 1 7 0 3 4 6 2 X	25	36	7
Farmers 2 0 0 1 1 0 0 1 0	5	16	42

## TILLAMOOK COUNTY PIONEER PASSES AWAY

B. J. Hathaway, one of Tillamook County's old settlers died very suddenly Monday morning at his home at Beaverton, Oregon. The remains will arrive here on Wednesday and the funeral services will be held from the M. E. Church on Thursday at 2 p. m.

The members of the Masonic Lodge, of which he was a member, will meet the remains at the train Wednesday afternoon and conduct them to the Henkle Undertaking Parlors. The Masons will also have charge of the funeral and attend in a body.

Deceased is well known by a host of friends in this county who sincerely mourn with the bereaved relatives. He was a splendid citizen and always stood for the better things. While his race was run and it was time for him to go it is to be regretted that we must lose a man of his stamp.
