

EDISON

Diamond

Amberola

Thomas A. Edison is the inventor of the Phonograph. With his wonderful diamond reproducer, he has made it possible to reproduce the artist's voice or solo with astonishing fidelity. Music lovers say that the Amberola is not a "talking machine" but a real musical instrument.

No Needles to Change

With his diamond stylus, Mr. Edison has done away with the bother of changing needles. The library of Amberola Records embraces the very best in the world of music. The great artists, the latest popular melodies and dance music.

We will be glad to play any records you select for you without obligation. Come in today.

Coroner Wendt held an inquest over the remains on Saturday.

RESOLUTION OF CONDOLENCE

Tillamook, Ore., Oct. 15, 1915
Alder Camp No. 219, W. O. W.
To the family of Jacob Blum:

Dear Friends: Whereas you have lost through death your father Jacob Blum, our hearts go out to you in sorrow, and we would extend to you our sympathy in this your hour of mourning. However, we would point you to the fact that his death is but the dawn of a new day. It is resolved that a copy of these resolutions be spread upon the minutes, a copy sent to the papers and a copy sent to John Blum.

THE TIME TO BUY A PIANO IS NOW

The piano houses all over the country are overstocked and are making special inducements to buyers. I have the factory agency for the high-grade Chute & Butler Pianos and Player Pianos, and have recently secured the Wiley B. Allen Co. line, which offers unmatched Piano values. Their line comprises the following well known instruments:

Mason & Hamlin, Knabe, Emerson, Hardman Conover, Packard, Ludwig, Milton, Lingsbury, Rembrandt and others.

These pianos may be secured by the small \$8.00 or \$10 monthly easy payment contract. You pay for the identical price paid by the "spot cash" buyer, the only difference being interest on the unpaid portion remaining after each installment. Deduct the first payment then figure out how easy the small monthly payments will be for you to meet on a two or three year contract.

If for any reason you are dissatisfied with your piano within one year from date of sale, you can return it to the company at full purchase price and select any instrument on the Floor of the same value.

See me before buying elsewhere. It will pay you.

The Effect of Your Message Greatly Depends upon the Style and Quality of Your Stationery

You are more often judged by the paper you use than by the thoughts you express in writing. Good taste, refinement and demand that you use stationery that is distinctive, stylish and good.

Shown here is a brand of stationery to be had in a wide variety of useful shapes, month shapes and correct sizes—each so rarely found that its use will help establish you as a person of excellent taste in the minds of those you write to.

Ask The Man Who Rents

He will pay you from \$2.00 to \$4.00 more per month for your house if it has a well equipped bath room

Think of It

Actually from 24 to 36 per cent on the investment or about 1/3 of the net return from that house you rented. Can you invest \$100.00 any better.
