THE "PRUDENT MAN" IS NEVER OUT OF A JOB AND WITHOUT MONEY IN THE BANK

Regrets won't bring back the money you have extravagantly spent. One sure friend to a man in trouble is money in the bank. But the man who banks his money is the man who gains the confidence of his employer and holds his job. Money in the bank also means CREDIT and CONFIDENCE. No man can afford not to have the confidence of his fellow men. Make OUR bank YOUR bank. We pay 4 per cent interest on Savings Deposits.

STATE BIOLOGIST TO SHOW FAMOUS BIRD-ANIMAL PICTURES

William L. Finley, formerly State Game Warden and now State Biologist, will show the famous Oregon Bird and Animal pictures in Tillamook Friday afternoon and evening, November 19th. These famous pictures were secured for the State of Oregon by Mr. Finley, personally. Two of the five reels were taken at Three Arch Rocks off Netarts Beach. All of these films show the life of Oregon Birds and Animals. These pictures have been shown by Mr. Finley in the East and in San Francisco and were given wide notice in the papers and magazines. They will be shown in Tillamook under the auspices of the Parent Teacher's Association, by the Star Theatre, which has placed the day's program at the disposal of Mr. Finley. A matinee will be given in the afternoon for the school children and the pictures will be run once or twice in the evening, as attendance warrants. Mr. Finley will lecture and explain the reels as they are shown. This is one of the first times that the pictures have been shown in Oregon, outside of Portland.

Call For Bids

Bids will be received by the clerk of school district No. 12, for the erection of a play shed and apparatus. Bids to be tendered not later than Nov. 5th, 1915. Plans and specifications can be seen at the clerk's residence at Pleasant Valley. Board reserves the right to reject any or all bids.

The First Foot-ball Game in Two Years

Played By Tillamook High School Vs. Town Tigers

An exciting scoreless game of football was played last Friday on the Stillwell park grounds. If the High School players had had more experience, they might have been able to put into effect their training and coaching.

The Town Tigers had the edge on the High School team in the matter of weight, but the lack of practice and unity lost the game for them.

The lineup was as follows:

| | | | | |
|---------------------------|---|-----|-------------|----------|
| Tillamook High | 0 | vs. | Town Tigers | 0 |
| Ray Erickson, mgr. | | | School | 1. e. r. |
| Logan Severance | | | Tigers | 1. t. r. |

| Delmer Powers | | | | " |
| Bruce Hare | | | | " |
| Ernest Crockett, Capt. | | | | " |
| Forest Erickson | | | | " |

Both teams are expected to show up better next time.

The next game will be a week from next Friday.—Eldred Reed.

STATE MAY APPROPRIATE FOR SOUR GRASS ROAD

Last week the Tillamook and Yamhill county courts held a joint meeting with the State Highway Commission in an endeavor to secure an appropriation from the state for the completion of the Sour Grass road next year. Judge Hare informs us that the prospects are quite favorable for an appropriation of \$20,000 for that work. The Tillamook and Yamhill courts will meet with the state engineers next week and make a survey of the proposition. The contemplated state appropriation will give the road a macadam surface.

We should receive some help from the state in regard to this matter. Tillamook County's state tax is exceedingly large and it is time that we should receive some of those considerations that have been accorded other localities.

BETTES HOLDING REVIVAL AT LEWISTON, IDA.

From Democrat News (Lewiston, Ida.) Beginning with this evening a series of revival meetings will be held this week at the Methodist church under the leadership of Sam Bettes, the cowboy preacher. A meeting for the laboring men was held yesterday afternoon and an interesting discourse was given by Mr. Bettes.

Last evening, however, the crowd that was in attendance taxed the capacity of the church and a meeting full of life and addressed by the Rev. Mr. Bettes was held. The speaker took as his text Matt. 24-37: "But as the days of Noah were, so also shall the coming of the Son of Man be." He spoke long and convincingly on this subject, portraying the evils of the present day and picturing the day of judgment and the second coming of Christ.

The sermon was intensely interesting and impressive and was followed by several conversions, and the entire congregation went forward to shake hands with the speaker. After this a vote was taken, and it was decided to hold a series of evangelistic meetings throughout the week. Mr. Bettes is a speaker of great power and unusually convincing. His numbers in attendance have grown steadily since his coming to Lewiston, and it is expected that a full church will greet him each evening this week. The subject he has selected for this evening is: "The man who tried to run away from God."

SCHOOL PLAY-SHED COMPLETED

The school play-shed is completed. On rainy days it is being used to capacity by the pupils of the grade building. We are hoping that a little apparatus will be installed at one end of the building, but as it is, the building is a boon to the children on rainy days when play otherwise would be impossible.

Four new electric hot plates were recently installed in the Domestic Department to take the place of the gasoline range which was sold last summer. The department is using on trial, a small electric range which provides oven space to take the place of that in the gasoline stove. The department has also received a splendid case of exhibit material from the Crescent Manufacturing Co. of Seattle. Other such exhibits are expected to arrive soon. The Science Department has an exhibit showing the manufacture of pencils and carborundum and its products from the Carborundum Co. of Niagara Falls N. Y. These exhibits are furnished entirely free to schools. Even the transportation is usually paid.

The school has received some splendid large maps of Oregon, prepared by the surveyors of the State Forestry Service. These were also free except for transportation.

A number of last year's graduates who are teachers in various parts of the county, were in attendance at the recent institute. Among these were Helen Stam who is teaching at District No. 51 south of town; Mida Hiner who is teaching at Beaver; Myrtle Walline who is teaching at the new school recently opened at Blaine; Sylvia Rows who is teaching the primary room at Wilson River, and Earle White who has just finished teaching a term on the upper Wilson River. A large number of graduates of former years were also in attendance.

The Seventh and Eighth grades have organized a foot ball team and among the first games will be one played with the Freshmen of the high school. Tom Keys was elected Capt.

SCHOOL MEN ORGANIZE

The men who are teaching school in Tillamook County organized themselves into a School Master's Club, during the Institute. The Club will have for its purpose the promotion of cooperation among the schools of the County in efficient methods teaching and in securing Aids and Lectures from outside of the County as well as the profit accruing from occasional meetings for study and social problems. The first meeting will be held in Tillamook on Saturday, Nov. 20th, when the men who are teaching in the city of Tillamook will entertain the men from the other parts of the county. Topics for discussion at first meeting will be:

Specific Plans for Cooperation. Parent Teacher's Associations. The Results of Tests Recently Given in Arithmetic, Language and Writing in the Tillamook Schools.

The members of the Club are: Barney Hanson, Earle White, Karl Onthank, Geo. Sanders, Peter Crockett, David Reed of Tillamook; H. S. Brimhall of Garibaldi, J. R. Biggood of Cloverdale, C. S. Arnold of Blaine, Paul H. Wyman of Bay City, Harold D. Aten of Bay City, Geo. W. Murdock of Otis and Chas. E. English of Nehalem.

Dr. D. C. Urie of Camas, Wash., is in the city. Dr. Urie is interested in the cold storage and canning plant with Mr. Small here.
