## THE TIME TO BUY A PIANO IS NOW

The piano houses all over the country are overstocked and are making special inducements to buyers. I have the factory agency for the high-grade Chute & Butler Pianos and Player Pianos, and have recently secured the Wiley B. Allen Co. line, which offers unmatched Piano values. Their line comprises the following well known instruments:  
**Mason & Hamlin, Knabe, Emerson, Hardman Conover, Packard, Ludwig, Milton, Lingsbury, Rembrandt and others.**  
These pianos may be secured by the small \$8.00 or \$10 monthly easy payment contract. You buy for the identical price paid by the "spot cash" buyer, the only difference being interest on the unpaid portion remaining after each installment. Deduct the first payment then figure out how easy the small monthly payments will be for you to meet on a two or three year contract. These pianos are received by me on consignment, and being at no expense in selling, saves you the large commission always made by a salaried salesman. See me before buying elsewhere. It will pay you.

The Effect of Your Message Greatly Depends upon the Style and Quality of Your Stationery

You are more often judged by the paper you use than by the thoughts you express in writing. Pride, good taste, refinement—all demand that you use stationery that is distinctive, stylish, good. Shown here is a brand of stationery to be had in a wide variety of beautiful tints, modish shapes and correct sizes—each so rarely good that its use will help establish you as a person of excellent good taste in the minds of those you write to.
