"HARD TIMES" IS DEAD, ADMITS MANN
Chicago, Nov. 5th.—Minority Leader Mann of the national house of representatives, himself mentioned as a Republican presidential possibility was on record today as declaring for Elihu Root for the presidency.
Speaking last night, before the Hamilton club, Mann said:
"If it were in my power I would select for president the most brilliant man of our time—Root. Roosevelt made a good president, though I do not believe he would be considered eligible.
"The Republicans have no walkaway in sight. Prosperity will be here before the poles open. And we can't win with a two-spot candidate."
Mann declared he did not take seriously many of the "favorite son" booms.

Tillamook's First Annual Corn Show

Display of Corn Surprising. Stock Market Organized

On Saturday, November 6th, the first corn show ever seen in Tillamook County was held in the Court House at Tillamook City. About 200 people were in attendance and many marveled that such corn could be grown on the coast.
There were 35 entries from all parts of the county and a great deal of interest was shown. The county was divided into three districts and sweepstake prizes were offered for the county as a whole. In the boys contest only three entries were made but the corn was of very good quality.
The prizes were awarded as follows:
Tillamook Valley.
Best 10 ears dent corn, 1st, won by Clarence Tilden, prize, sack of corn given by Rosenberg Bros. 2nd won by G. Kunze, subscription to Tillamook Herald.
Best 10 ears sweet corn, 1st, W. E. Noyes, \$2.50 in trade at C. I. Clough Co.
Nehalem Valley.
Best 10 ears dent corn, 1st, Ed. Lindsey, sack flour by Tohl & Anderson, 2nd, Leslie and Murdock, sub. to Tillamook Headlight.
Best 10 ears sweet corn, 1st, Mrs. M. L. Barber, \$1.50 in trade at Nehalem Drug Co. 2nd, Ed Lindsey, sub. to Nehalem Times.
Nestucca Valley.
Best 10 ears dent corn, 1st, C. Ray, Rays special prize. 2nd, R. Y. Blacklock, sack flour at D. H. Gilbert & Sons.
Best 10 ears sweet corn, 1st, MacDonald Bros., \$2.00 in trade at R. E. Wilson Co.
Sweepstake, best ten ears corn in county, Clarence Tilden, \$5.00 in cash by First National Bank, Tillamook. Best bushel seed corn, Clarence Tilden, \$5.00 in cash by Tillamook County Bank. 2nd, Wm. Maxwell, \$2.50 in trade at R. F. Zachman's.
Best silage, Jas. Williams, \$7.00. 2nd Wm. Maxwell, \$4.00. 3rd, G. Hankrat, \$2.00.
Best dent corn grown by boy under 18, Henry Donaldson, \$2.50.
Best sweet corn grown by boy under 18, Henry Donaldson, \$2.50.
Best pop corn grown by boy under 18, Fred Donaldson, \$2.00.
The \$20.00 for the silage and boys classes was donated by the Wheeler Lumber Co. and the A. F. Coats Lbr. Co.
The judging was done by Mr. Geo. Sanders, the Professor of Agriculture in the High School.
The champion corn, grown by Clarence Tilden was the variety known locally as the Marion County Yellow Dent and the seed was obtained by County Agriculturist Jones through Agriculturist Chapin of Marion County. Mr. Tilden showed some of this corn in the shock as well as the husked ears. It grows about eight feet tall and is well eared, having two good ears to nearly every stalk. This is one of the most promising varieties for this section as this piece was not planted until the second of June and still matured very well.
Some of the other varieties that showed up very well were Minnesota 13, obtained from O. A. C. and the O. W. R. & N. railroad, Columbia County 90 Day Corn, obtained from J. W. Pomeroy of Scappoose. Longs Early Silage grown by Ed Lindsey of the Nehalem Valley also showed up some very good ears and grow on stocks from 12 from 12 to 15 feet high. Johnson County White Dent, grown by C. E. Donaldson made enormous growth but did not mature very well.
This is the first year that very much interest has been taken in corn in the county and also the first year that

Another Great Football Game

Played on Stillwell Gridiron By Tillamook High School vs. Town Tigers

The game was a scrappy one and hard fought. The High School outplayed the Town Tigers but fell down in the critical moment because of Professor Crockatt and Norman Meyers playing on the Town team. Both have played on the High School team, and both confessed to have played high school signals. According to the rule book the score was 6 to 6, but as the Town Tigers did not know the rules, Referee Sanders gave them 1 point, as they objected to being denied the kick.
The line-up was as follows:
High School 6 vs. Town Tigers 7
Crockatt C. L E R Mason
T. Hare L T R F. Erickson
Martin L G R Meyers
Hewitt C O'Donnel
N. Powers R G L Stasek
Crimmins R T L P. Crockatt
J. Erickson R E L Mason
Lucas R H L Wallace C.
Keys L H R C. King
R. Erickson R F L Ebinger
D. Powers L F R Severance
In second quarter Keys kicked a placed kick over the bar. Substitutes, N. Powers for Boquist. Boquist played the second half.
In the third quarter Wallace made an end run and made a touch down, and kicked the goal.
Last quarter Keys kicked another goal. Keys was the star kicker of the day.—Eldred Reed.

BAR VIEW WASHING AWAY

On Monday and Tuesday a large number of our people went to Bar View to witness the damage being done by the sea. It seems that since the jetty has been extended out into the ocean that the sea has been washing out the sand south of the jetty and has gradually been eating away the shore line in front of the large hotel and other buildings in that vicinity, and the high tides of the past week have brought these buildings in immediate danger of being swept into the sea. A special train carrying railroad officials arrived at Bar View today and viewed the situation. We understand that the railroad people have arrangements made to begin rocking and protecting their tracks as soon as the sea reaches its right of way.

EASTERN STARS WILL GIVE ENTERTAINMENT

Mrs. Reedy, W. M. of the Star lodge informs us that the ladies of the Eastern Star lodge will put on a play entitled "Female Masonry," at the Masonic hall on Tuesday evening, Nov. 16. The ladies are taking considerable pains to make the event a success and we predict an evening of fun for those who attend.

local seed, in any quantity, has been saved. We look next year for increased interest in this great crop and for much better results to be obtained by the use of the locally grown seed.

The silos in the county have doubled in the past year and we look for them to double again in the next year for much interest is being shown in these already in use. The O. A. C. forms for a 14 foot cement silo are now on their way to Cloverdale where Chas. Ray is going to put up a silo in the near future. Several others have spoken for these forms when Mr. Ray is through with them and if there are any more interested, I shall be glad to take it up with them.

The Tillamook Cooperative Stock Market was organized at this meeting. The object of the Market is to market all livestock in such a manner as to give both buyer and seller the greatest possible protection. Mr. Chas. Kunze, W. E. Noyes, M. Harrison, L. D. Smith, and J. J. Rupp were elected directors for the first year's work. The advantages to be gained through cooperative marketing do not need to be dwelt on in this county as they have been demonstrated time and again in the case of the cheese and there is no reason on earth why the cooperative marketing of the stock should not be just as successful. This organization deserves the support of every farmer in the county.
Roy C. Jones.

HIGH SCHOOL NOTES

Benley Stam, who graduated from the Tillamook High School in 1913, is attending Willamette University.
Frank Ebbeson, a graduate of last year, entered the Oregon State Normal School, where he is preparing himself to be a teacher.
The Sixth Grade won the pennant for the best average showing in progress in Palmer penmanship during the last few weeks, in a contest which include 1 this grade and the Fourth and Fifth. The Fourth Grade came in second in the contest. The Fourth grade is holding a good lead over the Fifth grade in the spelling contest between these two grades. The Fifth, however, is having better success in the last few days.
The Domestic Science Department reports a profit of \$7.25 on the luncheon which was served during Teacher's Institute by the girls of this department. This money is to be used for purchasing the pictures and art decorations for furnishing this department.
A fine collection of books has been loaned by the City Library to the school library for the use of the pupils. These books are circulated and cared for during the stay at the school, just as are the school library books. Many of these are of much value as supplementary reading in direct connection with class work.
The Sixth grade enjoyed a very pleasant Halloween party, Saturday evening, as the guests of their teacher, Miss Esther Klann. The Fifth grade journeyed to Stillwell Park, Friday afternoon after school and had a picnic with their teacher, Miss Chaney. The First Grade celebrated Halloween with a program and party at the school.
A number of parents have been visiting the school lately. We are always glad to have them call. We hope that more of them will find a way to come.
Words misspelled by High School students are given attention in an occasional assembly spelling lesson. The results obtained so far have been quite good. The following students had perfect papers in the last test:
Spelling Results
Wade, Grace Leach, Lura
Powers, Delmer Hart, Ozella
Crimmins, Albert Bester, Arthur
Anderson, Henry Coates, Agnes
The following were perfect twice in three times.

The following have had perfect papers in all three tests.
Williams, Ina Rowe, Lucile
Rogers, Beulah Martin, Clifton
Maddux, Neva Johnson, Georgia
Jenkins, Amy Anderson, Edna
Hiner, Loras

The Seventh and Eighth Grade Manual Training group grew recently to such proportions that it had to be divided so that now these classes are not working together. In the recent adjustment of the program, the Fifth and Sixth grades have short periods but more of them, and the Sixth grade music program is changed so that the boys and the girls have their music on different days.

The state question for debate this year is, Resolved: That the United States should adopt the essential features of the Swiss System of Military Training and Service. Extra efforts are being put forth by the debaters at this time preparing for a series of try-outs. The first tryout will be held Saturday at the Christian Church. The other two will be held during the next two weeks. Those in the class are:
Les Doty, Ernest Crockett, Eldred Reed, Charles Lamb, Clifton Martin, Erma Sumerlin, Lizzie Coates, Trevor Hare, Broox Lucas and Delmer Powers.
Wednesday the Student Body decided to accept an offer made by Mr. Smith, manager of the Star Theatre. He has offered the net proceeds from the show Wednesday and Thursday nights, to help the Athletics of the school.
A vote of thanks is extended both to Mr. Smith and to Mr. Partridge, manager of the Gorn Theatre, who also gave the school a splendid offer which
