FREE MEASURING SPOONS.  
On Saturday, December 4, 1915, we  
are going to give away 1000 aluminum  
measuring spoons 300 spoons will be  
given away in the forenoon, 400 in the  
afternoon and 200 after supper. These  
measuring spoons are a handy article  
for the kitchen, being three spoons on  
a ring holding a quarter, half and tea-  
spoonfull.  
Every lady that is a housekeeper,  
who visits the store on this date will  
be given a set of these spoons, as long as  
they last.  
None of these things will be reserved  
or sent to anyone the only way to get  
one is to come after it on Saturday,  
Dec. 4. Remember you don't have to  
make a single purchase or pay a cent  
to get these spoons, just come and  
get one.

"Drop in and Look Around."

## She Knows What She Wants

The well informed housekeeper insists upon using only a baking powder which is made of cream of tartar. She might read in an advertisement or be told that alum and lime phosphate, which are used as inferior substitutes in cheap baking powders, were all right in the quantities used but she would not buy them or permit them to enter her kitchen. Why?

Because she knows that cream of tartar has always been accepted as the most wholesome agent, with soda, for raising cake and biscuit, and she wants a baking powder made of cream of tartar, like Royal.

This conclusion is the result of unconscious absorption, either her own or her mother's, of the opinions of the highest authorities on hygiene and home cooking.

The prudent housekeeper, when she uses baking powder, reads the names of the ingredients printed on the label. She knows what she wants.

## THANKSGIVING SERVICES

The Thanksgiving day services at the M.E. church were attended by about the usual Thanksgiving day congregation. The program was carried out as follows:  
Song - - - - - America  
Prayer - - - - - By Rev. Summerlin  
Anthem - - - - - by Mixed Choir  
Lesson Reading - - - - - By Rev. Gittins  
President's Proclamation Read by  
Rev. F. S. Ford of Cloverdale.  
Song - - - - - by Congregation  
Sermon - - - - - By Rev. Youel  
Rev. Youel's sermon was a splendid effort. His sermon was divided into three parts: viz: National blessings, community blessings and personal blessings. In touching the national phase he reminded us of the peace we were enjoying and of the abundant crops God had blessed us with which were not only feeding us, but also the nations of the earth. In touching the community phase of his sermon he reminded us of the benefits of free education and all other things which go with it. In taking up the personal phase he spoke of the blessings derived from good homes. However, he deplored the tendency towards the divorce courts. Rev. Youel's sermon was much enjoyed and appreciated by those present.

## STORM HAS SUBSIDED

The storm which has raged along the coast for the past week or more, subsided today.  
Last night Geibisch & Joplin had a crew at work all night constructing a rock embankment for the protection of the spur to the jetty. However, when the tide came in this rock work was washed away and the night's work came to naught in a short time. Further than this there has been no destruction for the past 48 hours. Capt. Farley's residence is still standing, however, the waves have cut under it quite a bit.  
Bar View is strewn with wreckage of all kinds and logs have even been washed as far as the life saving station.  
Work on the jetty will necessarily

be held up until the jetty spur can be properly and firmly constructed.

## Presbyterian Church Notes

"Make No Alliance With Evil Forces" is the pastor's subject for the morning sermon at 11 a. m., and "What Is the Use of Being a Christian?" is the common question men are asking which will be discussed in the evening service at 7:30. Here will be some services each an hour in length worth the while of anyone in town or country to attend. All are cordially welcome.

## Christian Church Notes

Next Sunday, Nov. 28th, is to be a big day at the Christian Church. The morning sermon will be delivered in two parts. The first part will be by Trevor Hare on "Ambition for Service," and the second by Lee Doty on "Yoke-fellows." The evening sermon will be given by Mr. Peter Crockett of Tillamook high school, on "The war in Europe and Christianity."  
Everyone who does not go elsewhere is invited to attend all our services. Every one is welcome.  
Sunday School 10 a. m.  
Preaching 11 a. m.  
Christian Endeavor 6:30 p. m.  
Evening service 7:30 p. m.

## CAUCUS NOTICE.

Notice is hereby given, that a caucus will be held at the Court House in Tillamook City, Oregon, on Monday, November 29th, 1915, at the hour of 8 o'clock P. M., for the purpose of nominating the following officers for the ensuing year, to be voted on at the City Election on December 8th, 1915, to-wit:  
Mayor, five councilmen and city treasurer. Also one water commissioner from the 5th ward.  
Done by order of the Common Council. Dated this November 15th, 1915.  
John Aschim,  
City Recorder.

## BRIEF NEWS OF OREGON

C. W. Fulton was elected president of the Oregon Bar association at its annual business meeting in Portland. For the year ending October 3, 1915, the Smith River creamery at Woodsport manufactured 147,628 pounds of butter.

Grangers of Linn county are arranging to hold a drainage congress at the Albany commercial club rooms December 7.

Rev. C. H. Mattoon, the oldest Baptist minister on the Pacific coast, died at the home of William Rutherford, southeast of Oregon City.

A permit has been granted by the state water board to Falls City to divert water from Teal creek just above Falls City, for use by the city. Forty members of old Company G, First Oregon Infantry, which was founded in 1853, in Portland, held their 32d annual reunion Friday night.

Arlie Roberts, 23, a lineman, was electrocuted at Woodburn, when an electric light wire which he was holding accidentally fell across the Oregon Electric trolley wire.

Samuel Case, under indictment for the killing of his brother, Ernest Case, in Park Place, Sunday, October 3, died at the Oregon City hospital following an operation.

Combined reports of the creameries at Monmouth, Dallas and Independence show that the cream production of Polk county has experienced a remarkable gain this fall.

The work on the new training school building at Monmouth is progressing rapidly and probably will be completed by February 1, the beginning of the second semester.

Nearly \$10,000 has been pledged by Portland people toward the relief of Jewish war sufferers in Europe, subscriptions being taken through a committee headed by Ben Bellas.

Two crusading parties, sent out by the forestry service, have become snowbound in the mountains of eastern Oregon, according to information received from members of the parties.

Practically every club for boys in western Oregon will be represented at the annual Older Boys' conference at Salem, November 26-28, under the auspices of the state committee of the Y. M. C. A.

Of the total number of voters that have registered for the city election to be held at Albany December 6 fully one-third are women. The registration to date is 1280, of which number 422 are women.

After having been out of the office but one year, U. S. Grant, of Dallas, has again been elected president of the National Mohair Growers' association, at its annual convention held at San Francisco.

Miller McAleah, of Monmouth has been passing his time profitably in catching gophers for farmers in that vicinity. He has caught more than 1500 of the pests the past season, receiving a bounty of 25 cents each from the farmers.

Mrs. Susan Morris, Oregon pioneer and first white girl born in Bates county, Missouri, died at her home near McMinnville, where she had resided since settling in 1851, after crossing the plains by ox team. She would have been 93 years old December 5.

The postoffice department has changed the name of the postoffice at Shedd, Linn county, to Shedd, dropping the final "s," and has made a similar change in the name of the postoffice at Shubers, Gilliam county, which hereafter will be known officially as Shur.

In re-examination by 150 teachers of Umatilla, Morrow, Gilliam and Wheeler counties at Pendleton, strong recommendations were made urging that all money secured from the sale of G. & C. land grants, above just equities, be turned into the irrevocable school fund.

Because the laws of Washington prohibit Oregon building and loan associations from doing business in that state, the corporation commissioner denied the application of the Pacific Building and Loan association, a Washington corporation, to do business in Oregon.

A request was received by the Desert Land board from the Central Oregon Irrigation company that the board ask the government to grant a five years' extension of the state's contract with the government on the Benham Falls unit of the Central Oregon Irrigation company's project.

Two of the 172 accidents reported to the state industrial accident commission during the week ending November 18, were fatal. George Turpin, of Merlin, was killed while trespassing on railroad property, and the second case was that of an unidentified person, also killed while trespassing on railroad property.

The report of the Columbia river Cello power project investigation is being published for the first time in the Journal of Electricity of San Francisco. The 1913 legislature appropriated \$15,000 for the investigation and the federal government, which cooperated in the investigation, expended a like sum.

## O. I. C. SWINE

I have some choice young pigs for sale, both sexes, of the kind that mature very young. One of my herd boars weighed 620 lbs. at 18 months of age. My hogs have won ribbons at county and state fairs. Phone or write for prices.
