THE "PRUDENT MAN" IS NEVER OUT OF A JOB AND WITHOUT MONEY IN THE BANK

Regrets won't bring back the money you have extravagantly spent. One sure friend to a man in trouble is money in the bank. But the man who banks his money is the man who gains the confidence of his employer and holds his job. Money in the bank also means CREDIT and CONFIDENCE. No man can afford not to have the confidence of his fellow men.

Civic Improvement Club Entertains

A Goodly Number of Our People Gather and Enjoy a Few Hours Amid Music, Wit, Humor and Sociability

Last evening about three hundred of our people gathered the Presbyterian Guild Hall and there, under the auspices of the Civic Improvement Club, enjoyed a splendid program and a few hours of sociability.

The first number on the program consisted of selections by the McGhee orchestra which were well received.

The record number was a reading by John Leland Henderson, from Mark Twain's "Innocence Abroad," entitled "The European Guide." We always look for something good when Mr. Henderson takes the platform and were not disappointed in this case. Mr. Henderson's efforts were much appreciated.

The next number was a vocal solo by Miss Mabel Goynne. Miss Goynne has a sweet voice which is gradually improving. We bespeak for her a bright future as a vocalist. Her number was much enjoyed.

The fourth number on the program was a selection by the High School Glee Club, which was appreciated and enjoyed.

Prof. P. C. Crockett of the Tillamook High School gave some interesting and amusing readings in the Scotch dialect which were well received by the audience.

A male chorus by members of the club rendered two very good and appropriate numbers.

Mrs. Fred Poorman rendered in her usual pleasing style a very nice vocal solo, which was well received.

After the program those present formed in line and marched around the hall and each one received a piece of pie and some other eatables, after which some time was spent in a social way.

The officers of the club wish to sincerely thank the different committees for the efficient work performed in making the affair a success.

MUST STAY AT HOME, YET THEY GET AN EDUCATION

University of Oregon, Eugene, Nov. 29.—Times that in some localities are not so good as they might be are swelling the enrollment in the correspondence-study department of the State University. Most of those who enroll seek university credits toward a degree, and since October the enrollment has been 156.

High School students who cannot yet come to the University because of finances often enroll, as do school-teachers who want to prepare for examinations for higher certificates. Many a human interest touch is contained in the letters received:

"We have a boy who would like some more education but can't be spared from home just at present," writes an Oregon woman.

"Please pardon my envelope. I would have to ride ten miles to get another. I am so glad you didn't seal yours so I could use it," writes a Crook County girl.

A man who holds down a homestead near Sheridan, Oregon, wishes to utilize his spare time in the best possible manner, and asks for courses and prices, "which are an important item," he says, "not knowing no correspondence study fees are charged, beyond a postage fee.

Housewives sometimes enroll, "to avoid stagnation," as one of them put it, and one young farmer enrolled in an "Introduction to Philosophy" course.

SURPRISE PARTY AT BEAVER

Last Thursday evening twenty-two friends of Mr. and Mrs. F. B. McKinley surprised them at their home in Beaver. Dancing, music and games caused the evening to pass all too quickly. A delicious luncheon was served. Those present were: Mr. and Mrs. Joe Leslie, Mr. and Mrs. R. E. Wilson, Mr. and Mrs. Roy Woods, Mr. and Mrs. Joe Kostie, Misses Annie and Ruby Johnson, Miss Roxie Woods, Miss Della Hellmeyer, Miss Lizzie Erdt, Mr. Robert Furkner, Mr. Oscar Johnson, Mr. Ollie Woods, Mr. Edw. Creevey, Mr. Albert Clark, Mr. Lester Furkner, Mr. Chris Erdt, Mr. Clinton King and Mr. Warren Johnson.

THE SCHOOL TO GIVE ENTERTAINMENT FRIDAY NIGHT

The Public School and Parent Teacher's Association will give a Christmas entertainment, Friday night at 7:45 at the High School Auditorium. There will be numbers on the program from every grade in the school and several from the High School. Third, Fourth and Fifth grades have prepared special Christmas plays. The primary grades have little playlets and dialogues. The upper grades, recitations and special musical numbers and the High School music class is working up some special music in connection with McGhee's orchestra. In addition to this, it is expected that there will be special numbers by talented members of the Parent Teacher's Association including Mr. and Mrs. Koch. There will be a charge of 10c and 25c to go towards raising a School Beautiful fund from which money will be taken to purchase some additional art material for the school rooms and especially at this time to go toward the purchase of a Victrola for the use of the school. A fine program is promised. Everyone should attend.

ZADDACH-STEPHENS WEDDING

On Sunday last at high noon Miss Agnes Zaddach, daughter of Mr. and Mrs. Fred Zaddach of Mohler, was married to Chas. Stephens at the Nehalem church by Rev. Ernest Smith. Gilbert Zaddach acted as best man and Miss Ellen McKimens acted as bride's maid. The services at the church were attended by about 200 friends. After the wedding some 20 friends of the contracting parties gathered at the home of the bride where a splendid wedding dinner was much enjoyed.

The bride is a well known and highly respected Tillamook County girl while the groom is a successful bridge contractor. They have the best wishes of a host of friends.

THE LIGHTHOUSE TRAIL

The Light-house Trail which leads over the cape to the Cape Mears Light House, is being kept in shape this winter by attorney John Leland Henderson, and is now in good passable condition. This trail is now wide enough nearly all the way for a team and wagon, but the bridges are weak. However, Mr. Henderson has made trails around these bridges so that horsemen can take a single horse around without any trouble. The trail proper is about 4 1/2 miles long. The trip from Tillamook to the light house is estimated to be about 9 miles and is a very pleasant and popular one for hikers.

Since last May Mr. Henderson has worked at least 35 days on this trail, and except for a few days work now and then by others has done the most of the work on it. The trail should really be named Henderson's trail in honor of Mr. Henderson and hereafter the Herald will designate it as such. Mr. Henderson is a public spirited man and likes to see things go ahead and done right.

BURGLARS SENTENCED

These young men with Carl Dennis who plead guilty to the charge of forgery were taken to Salem on Sunday by Deputy Sheriffs Campbell and Swenson.
