Regrets won't bring back the money you have extravagantly spent. One sure friend to a man in trouble is money in the bank. Michigan Auto Party Arrives

The Little Ford Makes 3,400 Miles Since Oct. 21st. Travelers Will Leave Here.

Chas. M. Huggett and wife and son Orly aged 16, son Floyd aged 8, daughter Eva aged 6 and son Willie aged 4, accompanied by nephew Alva Lalonde, aged 20 recently arrived here on a trip across the continent from Saginaw, Mich., leaving Saginaw on Oct. 21st.

The little Ford arrived here on Christmas Eve, after traveling a total distance of 3400 miles. The distance by the route which they traveled from Saginaw to Tillamook is 2,772 miles. The side trips which they took from different stopping places made the entire distance traveled 3,400 miles. The Lincoln Highway route was used from Laport, Ind., to Granger, Wyoming. From Granger the Oregon Short Line route was followed to Portland.

At Vale, Oregon, the Michigan party met Mathew Travis and party, of Albany, N. Y., who were traveling across the continent in an E. M. F. car, and they traveled together as far as Bend.

The entire cost of the journey including every expense of the Huggett party was covered by \$200. Three of the Goodyear tires on the Ford had to be replaced. A few other broken parts were replaced by the Ford Auto company. The machine had traveled 500 miles before starting on the western trip. The machine is in good condition.

The trip was an interesting one. At one place the party got into deep water and Mr. Lalonde found it necessary to wade in water waste deep as to get to where he could secure help.

Besides the seven passengers the Ford carried one tent 12x16, camp stove 2 ft. long, 1 foot high, wood, 1 ft. wide. All necessary bedding and cooking utensils. Each member of the party also had three changes of clothing. The tent was put up and the car was put under it every night.

The party is now staying at the Roy Finch home. They expect to locate here.
