# EMPIRE MILKING MACHINES

### The Recognized Standard

NEARLY every field of endeavor has its recognized standard—one manufacturer's goods that always loom up first in your mind when a product of its nature is mentioned.

It's true of cameras, pianos, locks, crackers, speedometers, watches and a host of other products.

And it's true of Milking Machines.

Visit the homes of prize winning stock of all breeds, go to the dairy farms whose chief object is the production of large quantities of milk or go to the small farmer who has only a limited number of cows; wherever you'll find the dominating milking machine to be the Empire.

Complete information from us will place you under no obligation. Come in to see us or ask us to come out to see you at once.

Did we have a good time? Anyone who has enjoyed the privilege of enjoying the unparalleled hospitality of Nicklaus' knows.

Coasting and sleighing were the order of the day for the young people who had gathered there Sunday.

On the savory odor of turkey and plum pudding could have drawn us from that glorious sport but it was to a better one the boys said as we were seated about the table laden with goodies and graced with a huge birthday cake that was wonderful to see.
