## FRENCH'S SQUAD DEFEATS COLUMBIA, HILL AND THE FOREST GROVE TEAMS

Tillamook's victorious high school basketball team returned home early Thursday morning from their invasion of the Willamette Valley.

Arriving at Portland at 2:45 Monday afternoon imagine their surprise to find that they were scheduled to play at 2 o'clock instead of in the evening as anticipated. However, nothing daunted Coach French sent them on the floor, some of the first string men being absent, White not showing up until the fray was on. The game was a good one. Score 19-17 in Tillamook's favor.

Tuesday the Columbia University team was met and defeated by one point. This was a game for your life. In the first half it was all Tillamook but the second half was just reverse, Columbia coming to the front with a vengeance. Columbia has one of the best all-round teams in the state, hence the glory is all Tillamook's, in having defeated them on their own floor and with outside officials.

Wednesday night the heavy Forest Grove five was played on the college floor and again the Tillamook team came out in front the score being 19 to 14. This makes two straight over this team.

The one team that Tillamook is anxious to meet now is McMinnville. Old Mac is out with championship claim but she is reckoning without THE

### CLOVERDALE CALLS LOCAL GAME OFF

Tillamook fans were greatly disappointed last week when Cloverdale asked the management of the local high school to indefinitely postpone the game scheduled against the locals for Saturday, due to the illness of two of Cloverdale's best players.

Coach French being desirous of meeting the best that Cloverdale could put on the court readily consented, much to the knowledge of local fans would be disappointed.

Cloverdale plays a game or two play of Forest Grove on the Cloverdale Court Friday afternoon, winning the game 21 to 20. At the end of the first half Forest Grove was leading 16-15.

### LOOKING 'EM OVER

T. H. S. looks better each week. Gabriel, though ill, played a really game Friday.

Stark is developing into a shifty guard. He is good at passing, too. DeBartoli didn't make the grade with six studies, consequently will not be in the game any more this season. He is missed by Coach French, who had come to rely on him greatly.

Cloverdale badly needed out a winner Forest Grove, defeating them 21 to 20 last Friday afternoon.

### WEST LINN PLAYS HERE SATURDAY NIGHT

The Tillamook high school hoop quintet will perform before a local audience again Saturday night, playing a return game with the Union high school five from West Linn.

In the previous game the West Linners were defeated, but manager Gabriel looks for a faster game this time, West Linn having strengthened its team somewhat, according to reports.

### HIGH SCHOOLERS WIN GAME PLAYED FRIDAY

Tillamook's high school basketball team performed nobly, though somewhat listlessly, before the home town crowd last Friday night taking the heavy Forest Grove five into camp 40 to 18.

Forest Grove started with a bang and before Ray Shingles could reef a wall they had a four to 0 lead. However White got a crack at a foulshot and made it and later managed to tangle one into the basket, though both he and Gabriel were having tough back with their shots—absolutely "pretty near, but not quite" kind. For the first five minutes of the first twenty-minute half it looked like curtains for Tillamook, Mathews, White and Gabriel, the scoring machine, being unable to get into high and being on the defensive rather than the offensive during this period. Wolf, the visitors' center, was a tall rangy bet, but the fast kid and got the jump on Shingles every time. This invariably cut the ball in Forest Grove's hands and forced the locals to defend their goal, whereas in previous games they had been taking the ball from the jumpoff and working it right down the floor.

Gabriel finally smoothed things out, got his guards to working right and from then on fans and supporters breathed easier. The first half ended 19 to 10, our favor.

The second half was rough and one "Sharty" Morrison had to call the players from both teams around him and caution them telling them that a continuation of this rough playing would mean in disqualification for someone. This seemed to cool down the ardor of both victor and loser and a Jim-dandy game resulted. Just as the whistle blew L. Emerson was forced from the game with four personal fouls. This while Tillamook was hoisting its last basket which the referee allowed them to cre it themselves.

Stark and Tone performed nicely in this game, checking Forest Grove's forwards nicely, and taking care of the ball whenever it came into their hands.

Dwarf Essex rape seeded in late April, May, or June on rich land makes excellent sheep or hog pasture for late spring and summer. One acre usually carries 10 to 15 animals. Plan now for a place for this crop.

Since there is so little certified seed potatoes this year the experiment station is receiving samples of potatoes which are being inspected for seed purposes. Farmers who want to know how good their stock is may find out roughly by sending in 35 to 50 typical potatoes for examination. There are indications of a strong demand for certified fields this year.

### COUGARS MAKE MEAL ON HEBO QUINTET

The Blaine Cougars snatched the scalp of the Hebo basketball team Tuesday night in an exciting game played on the Hebo floor. Score, Blaine 31, Hebo 15.

The first half was Blaine's, by a margin, the score being 15-9. In the last half the Cougars picked up and ran away from Hebo with ease. Arstel was high man with 8 points for Hebo and Hollett with 13 was high man for Blaine.

The teams lined up as follows: Hollett and Scott forwards, Nelson, center; King and Altshberger guards and Perry spare. Blaine—Raper and Arstel forwards, Shubert, center; Jackson and Bailey guards. Edson referee and gave the usual satisfaction.

### WHOOPEE!

Just as we go to press Sept. Turnbull telephoned us that McMinnville has finally deemed fit to play Tillamook, the record of the game to date warranting it in their opinion.

Two games will be played—the first at McMinnville on March 8 and the second here on March 11.

You will not be satisfied until you own a Victrola, endorsed by the greatest living artists as the standard machine of the world. Tillamook Music Co.
