THE CADILLAC STAGE

The Cadillac Stage Line now has the finest 20 passenger bus of any line in the state. It has 3 compartments, smokers, ladies and the driver's compartment, each equipped with a heating and electric lighting system. I feel safe in saying that it is not only one of the best looking but also one of the easiest riding busses in Oregon. We will not attempt to bring it over the mountains until the roads are dry. For the next two months you will find it waiting for you at Sheradine. It is being driven by Lester Votawer of Newberg, Oregon an experienced and careful driver whom I do not hesitate to recommend.

I want to call your attention especially to the 3 P. M. schedule which is being patronized very little. It puts you over the rough roads before dark. You eat supper at Sheradine and land in Portland about 8:30 P. M.
