

Auction Sale Of Dairy Cows

We will offer for sale ten head of our choice grade Jersey cows. These will include some of our best. We are doing this to make room for registered Jerseys. Also offering two young registered Jersey bulls from register of merit dams. These cows all have cow testing association records.

My herd is free from tuberculosis; have had seven tests with out a reactor. Two of these tests were made by government veterinarian; last test was made by Dr. Shaw March 2, 1922. He tested 74 head and found no reactor.

Our herd was established in 1867. If you buy in this sale you get cows we have been building up for 55 years.
