

BASEBALL LEAGUE IS ORGANIZED

NORBLAD IS TO SPEAK HERE ON SATURDAY NIGHT

OPENING GUN OF POLITICAL CAMPAIGN TAKES PLACE AT CITY HALL IN TILLAMOOK.

HAWLEY'S JOB IS SOUGHT

COAST MAN IS WINNING SUPPORT OF MANY TILLAMOOKERS

The first gun in the forthcoming political campaign will be fired locally Saturday night when State Senator Norblad of Astoria, Republican candidate for the office of Congressman from this district, will address the voters of this city at the city hall.

Tillamook county seems to be rallying to the support of Norblad; he is looked upon as the Moses who will lead us out of the wilderness of congressional neglect and a man who will at least make our development and improvement wants made known to the governmental heads at Washington. Expressions favorable to his candidacy were heard on every hand this week following the exclusive announcement in The Herald that he had acceded to the wishes of the people of this district and would make a bid for the nomination. It looks like Norblad for Congress and if you want to see and hear him before election be at the city hall early Saturday night.

For several months State Senator A. W. Norblad, of Astoria, has been contemplating visiting Tillamook county for the express purpose of discussing the needs of the Coast Counties from the view point of Coast county people. At the special session of the State legislature last December State Senator C. J. Edwards obtained a promise from Mr. Norblad that he would come here for that purpose at the first opportunity, and Mr. Edwards received a letter Wednesday stating that Mr. Norblad would speak to the people of Tillamook Saturday, and a public meeting has been arranged at the City Hall for that purpose at 7:30 P. M. to which all are cordially invited to attend, including the ladies.

Mr. Norblad is a most interesting speaker, and being a Coast county man, is enthusiastically interested in the development and progress of the Coast Counties. He will explain the reason why the Coast counties have been handicapped, and progress retarded. He is strong for harbor improvements, on the Oregon coast and is one of the live boosters for the Coast counties, being a director of the Roosevelt Memorial Coast Highway Association. He will have a good deal to say on this great highway, and those who are interested in having this highway designated a road of primary importance by the Secretary of Agriculture, will be told of the difficulties the Roosevelt association have had to encounter.

State Senator Norblad has thrown his hat in to the ring, and being a Coast county man, the Coast counties are rallying to his support, for if he is nominated and elected the Coast counties will have a representative in congress who will thoroughly look after the interests of the Coast counties.

TRUCK LINE RUNS AFOL OF NEW CITY ORDINANCE

On Tuesday morning the Oregonian truck was held up and made to pay a fine because it had refused to pay a license of \$20 per year on each truck.

Tillamook's Candidate For the Governorship

JUDGE WEBSTER HOLMES

Class Colors—Fawn and blue. Class Flower—Rhododendron. Class motto—"Paddle your own canoe."

ASK REMOVAL OF BARN ON STILLWELL AVENUE

At the meeting of the city council on Monday evening, a petition signed by 32 property holders, asked for the removal of the big red barn on the corner of Stillwell Avenue and Third Street. The matter was referred to the city attorney.

Another old-time landmark is gone. Another historic landmark the old Mountain Inn on the Yamhill-Tillamook via Trask river, collapsed recently. It was a resting place for weary travelers and headquarters for hundreds of fishermen eager to capture the mountain trout in the old days. Heavy snow caused the collapse of the roof, it is said.—McMinnville News-Reporter.

PRICE OF CHEESE DROPS THREE CENTS

Carl Haberlach reports having had to reduce the price of cheese three cents on Monday, this being the first change in six months, or since October 17th. Only once has cheese held steady as long, that was when the market remained unchanged from October 12th, 1919, to June 2nd, 1920. Wisconsin twins this week dropped to 13 7-8 cents and it was thought poor policy to try to hold the Tillamook market at 26c, as our markets would simply be swamped with cheaper cheese and it would take a summer to recover from such a disaster. Cheese production is considerably below 1921. Production last year for first two weeks in April was 4,600 boxes, against only 3,633 this year, showing a reduction in the two weeks of 967 boxes.

THREE-CORNERED CONTEST ON FOR REPRESENTATIVE

ROLLIE WATSON VILES AT LAST MINUTE TO RUN AGAINST REED AND WINSLOW.

ALL ARE WELL KNOWN MEN

PLATFORMS OF WINSLOW AND WATSON ARE GIVEN

A lively three-cornered friendly contest for the Republican nomination of representative from the 29th legislative district of Oregon which is Tillamook county, is in prospect as a result of the filing of Rollie W. Watson prominent Tillamook insurance man, late Thursday afternoon of last week.

Previous to Mr. Watson's announcement that he would seek a seat in the lower house at Salem, George W. Winslow and S. G. Reed had thrown their hats in the ring and voters saw visions of a lively scrap even then. With Watson in the race, too, voters will have to scratch their noggins considerably when it comes to marking up their ballots.

Winslow is a prominent attorney of this town. He takes an active part in local political, civic and fraternal activities and is generally well thought of. He is capable and ably fitted for the position.

Reed hails from the Nehalem country, being the proprietor of Neah Kah-Nie mountain and the hotel that bears that name. He has a host of friends throughout the county and would make a good legislator.

Watson is an ex-newspaperman and a very successful business man of this city. He is known far and wide and is considered very capable.

Portions of Watson's letter to the secretary of state which accompanied his filing statement follow: If I am nominated and elected I will, during my term of office, give the best service of which I am capable. I also pledge to work untiringly and conscientiously for a reduction in taxes. Abolishment of Boards and Commissions by substituting a government cabinet. Demand economy in all State institutions, that all department keep within the limits of their appropriations under the strictest of penalties. Demand reduction and revision of automobile fees. Needed legislation in connection with road building, distribution of road funds and game and fish funds; also official salaries in all departments.

The Best News In Today's Paper Is Found On the "Shelves" Inside

Herald readers should carefully peruse the advertising columns this issue, for scattered on the 10 different pages are some unusually attractive store announcements some of which may be the means of saving you money, time and worry.

Just for Instance:

- A grocery is offering a free package of goods to customers. Tires at \$11.25 is the news contained in one display. One firm is advertising a special price on a dining table and six chairs. Another ad announces a special price on sugar. Another establishment has an important range announcement. Where you can get your kodak is told in these columns. Syrup is featured by one store. There is a wonderfully interesting ad on the back page. Mutton at 15c offers an opportunity to save. Electrical merchandise is slaughtered by one firm. Lamps are being sold for \$6.50. The service stations and garages have a message that autoists can not overlook and get away with it. Free examination of your car is offered by one garage. Entertainment programs will be found in at least two of the advertisements. Even garages have odds and ends sales. If you don't believe it just run over the ads.

The sources from whence these tid bits of information came are easily found in these columns. Take our tip—get the habit of reading Herald advertising regularly and thoroughly. By so doing you are bound to form the "buy-at-home" habit.

Clean-Up Week Comes In May

At the regular meeting of the City Council on Monday evening it was decided to make the first week in May Clean-Up week. The women's club of the city will work in conjunction with the city authorities and a special effort will be made to give the city a thorough cleaning. It is urged that the grass along the side of the walks be cut, so that pedestrians may not be annoyed and so that the walks may be in a presentable appearance. The effort to be made in the coming conventions and it is hoped that everyone will co-operate with the ladies and the council who have the work in charge. The mayor will give the ladies who have the work in hand police authority.

Mrs. Dorsey left Wednesday morning for Garibaldi where she visited with friends for the day.

JUDGE HOLMES' PLATFORM OUT

LOCAL DEMOCRATIC CANDIDATE ANNOUNCES THAT HE IS AN OUT AND OUT ENEMY OF TAX EATERS

Webster Holmes who, last week, filed for the Democratic nomination for governor has issued a platform on which he bases his candidacy. A portion follows: I believe in a one term incumbency. I believe in a constitutional government, as provided in our State Constitution. I would, if Governor, try to have abolished all bureaus and commissions, excepting the Industrial Accident Commission. I would not continue by appointment any of the appointive boards or commissions. I am opposed to and would veto any bill for any new tax, or any act creating an income tax. I would veto any bill making unnecessary appropriations for any of the State schools. I would use every power to have simplified all systems of public accounting. I am not in favor of and would refuse to continue any Fish and Game Commission. I realize that in order to reduce our destructive rate of taxation, that we must reduce state and public expense, by having more efficiency and less public employees and live within our income. I would do my best to eliminate every commission and board possible and every employee of the state possible. I would insist that all State employees own their own conveyances or walk. The completed platform will appear in our next issue. Vaughn's grocery is being tended by George Hoskins during Mr. Vaughn's absence. He was called to Portland because of the illness of his sister.

Tillamook County To Have Organized Semi-Pro Ball Loop

Six Clubs Now Entered and More to Enter at Next Meeting; Better Ball Promised; Season to Open May 14 and Close Fair Week; Big Year In Prospect, Say League Heads.

A six-team Tillamook county baseball league was formally launched at a well attended and enthusiastic meeting held in the Tillamook city council chambers Tuesday night.

The teams signing the charter roll of Oregon's newest ball loop were, Brighton, Mohler, Nehalem, Bonver, Wheeler and Tillamook. A representative from the Fairview team was also present and signified his intention of aligning with the new circuit at the next meeting which was set for Saturday night, April 29.

The meeting was called to order by Client King after which The Herald sports editor addressed the meeting explaining the benefits to be derived from playing organized ball and giving a general plan of procedure toward organization. Acting as temporary chairman he secured an expression from all present. Each and every team was greatly in favor of a league. Balloting for officers then took place, G. F. Nunn of Wheeler being elected president, A. H. French of Tillamook vice president, Pete Gabriel of Tillamook secretary and Client King treasurer.

Rules and regulations prepared by this scribe were then introduced and after a general interpretation and discussion were adopted. Under these rules and regulations each team must strictly adhere to clean sportsmanship, banish all gambling, prohibit swearing and smoking on the playing field maintain a diamond in first class shape, charge a uniform admittance fee and is limited to a maximum number of 15 players who must be signed seven days prior to any regularly scheduled league game. Each team was required to buy its franchise and to post a forfeit fee of \$25 as a guarantee that it would complete its schedule.

It was the general wish of the meeting that more teams be taken in and to this end Doc Simonsen was appointed as a committee of one to get in touch with any other teams that may have been organized and endeavor to get them into the fold. Garibaldi, Cloverdale and Bay City should be represented in the league and an invitation is hereby extended to the managers of these teams to get in touch with The Herald and be present at the next meeting to be held in Tillamook on the 29th.

Admittance to all games in the circuit will be 10c for children and 35c for adults. Each club is permitted to charge grandstand fee if desired. Umpires will be appointed to work directly under the league heads. They will be assigned to games in advance from a list to be submitted by the managers. A schedule committee consisting of King, Jolliffe, and Simonsen, was appointed to draw up a schedule that is to start May 14 and terminate, perhaps on the dates that the annual county fair is held.

No delegate appeared to represent the Tillamook team, but knowing that a team is to be formed here The Herald man was delegated to act in their interest. It is hoped that before the next meeting some definite action is taken here and a duly accredited representative sent to the meeting, otherwise Tillamook's franchise will be dropped and awarded to some other team. Outside county managers say that a league without Tillamook would not be to their liking. The team managers at this meeting were: W. F. Jolliffe of Wheeler, M. E. McLeod of Mohler, Herbert

J. C. BEWLEY DIES AT PORTLAND FRIDAY

J. C. Bewley, a resident of Tillamook county from 1879 to 1917, died at the home of his daughter Mrs. Fred Smith at Portland on Friday night of last week, burial taking place on Monday afternoon.

Decedent took a very active part in the early history of the county and was for years deputy U. S. Marshal for this district.

He had real estate holdings of some extent in the county. He was a man of considerable intellect and broad vision and had much well grounded hope for the future of the county.

He was one of the pioneer workers in the prohibition cause and was ever diligent in season and out of season.

J. C. Bewley was well into his eighties and was born in Oregon. During his boyhood days he often met and talked with Dr. McLaughlin at Oregon City, in those days of long ago.

The death of Mrs. Bewley occurred a year or more ago. This worthy couple leaves a host of friends in Tillamook City to mourn their departure.

NEW BOUNTY LAW WILL AFFECT ALL TRAPPERS

At the special session of the legislature a new bounty law was passed which explicitly states that those desiring County money for the killing of wild animals by themselves, must appear in person accompanied by two free holders as witnesses.

The old law allowed a neighbor as agent to bring in the hides and secure the bounty, and was somewhat lax. The change was made because of the abuse which was perpetrated upon the counties in Oregon which joined Idaho. We understand that unscrupulous trappers brought large numbers of hides from Idaho where there was no bounty and "buncoed" some of the Eastern Oregon counties out of thousands of dollars.

Ball Players, Notice!

All players desiring to try out for positions on a team to represent Tillamook in the new Tillamook county baseball league are requested to attend a meeting at the friemont's rooms in the city hall Friday evening of this week at 8 P. M.

At this meeting organization plans will be discussed. If you want Tillamook to have a live-wire team and if you want to play on it COME OUT.

Business men and fans interested are especially invited to attend. It is proposed to make this a civic enterprise. Let's Go.
