"Everything to Furnish the Home"

The county Court has appointed Lester C. Daniels and J. J. Rupp as members of the Tillamook Fair Board and they, together with the other members are now preparing for the annual exhibit of livestock, agricultural and other exhibits.

With the appointment of these two well known agriculturists and dairymen the board becomes very well balanced indeed and that they will creditably acquit themselves of their new duties goes without saying.

OBITUARY

"Dad" Batzner, aged 85, was found dead at his son's home in Nehalem Saturday April 1. Death was caused by old age. Deceased was born in Indiana, residing there until the beginning of the Civil war when he enlisted in the Union army, taking part in a number of important battles and served until the end of the war. When discharged he settled in Missouri where he lived until he moved to Nehalem about 9 years ago.

Mr. Batzner, was jolly, full of pep and a splendid companion. He was a skilled fisherman and took a keen interest in that sport.

His help mate passed away a number of years ago. Deceased is survived by one son, B. Batzner, Nehalem these daughters, Mrs. Inez Smith, Nehalem, the other two living in the east.

Funeral services were conducted in the Lutheran church, Rev. L. E. Tabor, officiating, Monday and interment made in the K. P. cemetery.

In Memoriam

Since it has pleased the Divine Ruler of the Universe, to remove from our midst our brother, Joe Donaldson, be it, Resolved, that we, members of Fairview Grange No. 273 extend our heartfelt sympathy to sister Donaldson in her great loss.

And be it further resolved, that our charter be draped in mourning for a period of 30 days, and a copy be entered on the minutes. A copy be sent to the bereaved wife, and one to the Grange Bulletin.

NEWS OF THE TILLAMOOK COUNTRY PUBLISHED TWENTY-FOUR YEARS AGO

Maurice Leach and David Jones have leased the meat market of L. H. Brown, together with his farm, for a term of years and will embark in the meat business in a few days.

Herman Brown and Mr. Conklin left for southern Oregon last Thursday where they will engage in mining.

Louis Larsen, of Tomahawk, Wis., is here with the intention of locating on a ranch.

The Democrat and Populist county conventions will be held Saturday but as yet nothing can be foretold as to the action which they will take and prospects of fusion are growing less.

P. McIntosh will have the creamery which he is erecting on the Nest, well completed in a short time.

Miss Dora Donaldson is quite sick.

Miss Bertha Maxwell is dangerously ill.

The Populists of this precinct elected S. A. Hill, O. P. Matson and A. Arstee! delegates to the county convention.

The Democrats sent G. S. Nelson, Wm. Rhodes, Jerry Lewallen and T. J. Owens.

P. F. Ducham has started his logging operations having purchased the outfit of Maurice Leach.

Harrison Booth has purchased nearly a hundred head of cattle and will drive them to the valley in a short time.

John Barker received a full nickel plated Rambler bicycle on the last steamer.

TILLAMOOK MAN PATENTS USEFUL DAIRY ACCESSORY

Sympathy for the Dairy Cow Prompts Gayret Ward to Invent New and Humane Stanchion and Tie. Endorsed by Many of our Leading Dairymen.

A combination cow stanchion and tie has been invented and patented by G. H. Ward, a resident of Tillamook County for the past thirty years which is said to be far in advance of anything of its kind yet placed upon the market. This simple combination is, without doubt, as far ahead of the stanchions now on the market as the swinging stanchion is ahead of the old style rigid stanchion, combining, as it does, all the convenience to the milker of the rigid stanchion with the ease and comfort to the cow of a box stall.

By its use the aggravation of having the cows thrust heads thru the wrong opening when entering the stall is entirely eliminated as it is impossible for an animal to insert its head into any but the proper opening. This fact will be appreciated by all dairymen using the swinging stanchion as we venture the assertion that none have been so fortunate to escape this exasperating experience.

The comfort, freedom and security provided by the tie is a feature which will appeal at sight to any dairyman who loves his cattle and enjoys seeing them comfortable.

The simplicity of the article insures a cheapness of construction which, mechanics say, cannot be duplicated by anything on the market calculated for a similar purpose and also insures the minimum risk of getting out of order and consequently a long-lived fixture.

Mr. Ward expects to arrange for a factory to manufacture these stanchions in Tillamook and we trust it may develop into a successful enterprise.

NEHALEM GETS ENTHUSED OVER RADIOPHONE

Quite a bit of enthusiasm is manifested by residents of Nehalem at the radio station of Walter J. Mead, manager of the Telegraph & Telephone Co. Nightly concerts are being heard by numerous visitors through a magnovox. Music from Las Altos, 40 miles south of San Francisco, and from Seattle Post-Intelligencer can be heard across the street.

Mr. Mead, who was formerly a telegraph operator, reports telegraph signals of the Federal Telegraph company located at Los Angeles and San Francisco can be read all over the room. Pearl Harbor, Hawaiian Islands; Dutch Harbor, Alaska and occasionally amateurs as far east as Chicago come in loud and clear.

All known broadcasting stations between San Jose, Cal., and Seattle, Wn. are picked up with the exception of those located in Portland, Ore. Using

COURT HOUSE SQUARE

The Town Cow And Her Owner

Every family that can afford to do so should keep a cow. It's mighty fine to have an abundance of milk and cream and home-made butter.

By packing surplus butter to be used during the time the cow is dry and by feeding skim milk to chickens or calves, any family can easily use all the milk given by one cow.

Hundreds of calves will be knocked in the head at birth during the next few weeks in this vicinity unless saved from such fate by those able to care for and feed them. The farmer cannot keep all of them.

Try raising one or two calves for veal this year
