Knowledge Begins Where Believing Stops

Many pains and aches are due to a wrenched spine or skeleton.

Don't tell the doctor where you are suffering. As a Spinologist he is trained to locate your weakness. Let him tell you.

A straight Chiropractor is one who adjusts the spine with his hands.

Dr. Breitling is both a straight Chiropractor and Spineologist, having had 15 years of active practice in Portland, Ore., and over 10,000 patients to his credit. He is an able man.

There is no truth in the statement that a hydro-electric plant will increase taxes. It is absolutely foolish to talk of it. It will, however, induce more people to locate here, which would reduce taxes.

WM. PRINGLE

Nehalem Valley is a very important part of Columbia County. It is the center; Vernonia is the hub. The valley or city hasn't asked for much politically; we haven't tried to trade or advise, but feel as other sections feel, that this big territory is certainly entitled to a say in county affairs. We don't believe in "Taxation Without Representation." We have a candidate for county commissioner. Wm. Pringle, who has lived here for 44 years, and he is certainly worthy and qualified.
