### Vote for White and Progress

It is customary for an official to receive the second term. Chas. D. White and a splendid selection of citizens compose the "People's Ticket" for Vernonia. It makes little difference whether we personally like the man or not, we are voting for the city's welfare. We know Mr. White doesn't parade and talk much, is no soapbox orator, or a kicker, but we know he is a booster and has property he wants to build on and improve. He wants to see a good, thriving city and is working hard for it.

He is a man that can meet big men, and devotes his time and expense in inducing new industries and new capital to locate. He has made many personal trips to St. Helens and Portland without even speaking of it in trying to hasten railroad work, the Rose Avenue improvement, the Beaver Logging Co. road, the charter correcting, the water system, the fighting question and numerous improvements he knew the city needed speed on. It would be poor policy to

stop the work before it is finished. Keep the town growing, finish improvements started and keep going ahead. For the city in its present stage of development and for the good of the business man, home owner and those having property they would sell at a fair price—for needed improvements and for the good of all, we believe it wise to vote the

It looks very favorable for the election of Wm. Pringle for County Commissioner. Mr. Pringle is the man we want and our neighboring towns are kind enough to agree with us. This Nehalem Valley is entitled to this representation and we will return the compliment on more than one occasion. W. Pringle has every qualification for Commissioner and will shoot straight for every part of Columbia County. Vote for him.
