\$5. Prize to School

We would like to know what the students of the 5th, 5th, 7th and 8th grades can do in the way of writing a condensed history and article showing recent progress of Vernonia. A history from the '70s 'till to-day. This gives 50 to 60 years to play on, and some of the students have relatives who have been here nearly that long. It will be instruction for the students and interesting for our thousands of readers. The best essays will be printed in the Eagle. If it will increase interest among the pupils, the Eagle will give a reward of \$5. for the best article that we accept. The essays to be finished and submitted to the Eagle not later than Dec. 5. No article accepted that contains more than 1500 words; 800 to 1000 is a good average. Prof. Wilson, the Editor and a third party to be chosen will be the judges. The stake is up; children get busy; ask any questions, or ask any for information. Every statement must be accurate.

Readers at a Distance Think the Eagle a Splendid Paper

The Eagle just received a letter from a reader way back in Kansas, who evidently has been reading every line of our paper with much interest. His complimentary remarks make us feel good, anyway. In part he says: "From the Eagle's talk one would think that Vernonia is sure a coming town of importance. I hope she keeps on growing in population, in good society and wealth, and gets out of the frontier way, and becomes an up-to-date city of culture and refinement. You are truly getting out an exceptionally good paper."

MARRIED; H. G. Duncan, of Vernonia for the past many years, and known by all his neighbors as Harve, stole one of Hillsboro's popular young ladies and brought her to the hub of the Nehalem. Mr. Duncan and Miss LeVeda Olson were married, at home of the bride's in Hillsboro on Nov. 4th. Miss Olson is one of the most popular in the young set of our neighbor city and Harve will agree with us that it is a perfect match. The Newlyweds will be at home in the Fowler residence after Dec. 1st.
